Our Own Kind A Novel Of World War Ii In Smalltown America

Jim Hillman, John Murphy

Our Own Kind A Novel Of World War II In Smalltown America:

Our Own Kind Anne de la Vergne Weiss, 2004-11-18 *Our Own Kind* is a World War II novel without the combat a novel about the America the soldiers left behind Anne Weiss depicts here in families of different social and income levels the effects of the war in daily experience as well as on the greater occasions of weddings and funerals Hers is an Our Town view of an upstate New York town called Westerveldt where the importance of the characters behavior and conversation is historically clear to us while dimly perceptible to them They feel helplessly caught up in events they cant control The Osterhoudts and Van Leuven the old established families as well as the Sloanes and Mancusos in trade and contract work see their sons dying overseas their daughters marrying out of their own class the war affecting their customs and privileges all sorts of changes taking place in a world they thought they knew As the author makes clear this uncertainty and threat to their own kind affects everyone in the novel of every class and age In a style of subtle understatement Anne Weiss shows her two main characters Emily Osterhoudt home from college and Mary D Van Leuven still in high school as shrewd inside observers forcing the action while resisting social pressure if not rebelling against circumstance and upbringing *Our Own Kind* is a many sided moving account of a World War II America that prefigures something of our more recent homeland anxieties

Small Town America in World War II Ronald E. Marcello, 2014-04-15 Historians acknowledge that World War II touched every man woman and child in the United States In *Small Town America in World War II* Ronald E Marcello uses oral history interviews with civilians and veterans to explore how the citizens of Wrightsville Pennsylvania responded to the war effort Located along the western shore of the Susquehanna River in York County Wrightsville was a transportation hub with various shops stores and services as well as industrial plants Interviews with citizens and veterans are organized in sections on the home front the North African Italian European and Pacific theatres stateside military service and occupation in Germany Throughout Marcello provides introductions and contextual narrative on World War II as well as annotations for events and military terms Overseas the citizens of Wrightsville turned into soldiers An infantryman in the Italian campaign Alfred Forry explained I was forty five days on the line wearing the same clothes but everybody was in the same situation so you didn t mind the stench and body odors A veteran of the Battle of the Bulge Edward Reisinger remembered Replacements had little chance of surviving They were sent to the front one day and the next day they were coming back with mattress covers over them The sergeants never knew the names of these people Mortar man Donald Peters described the death of a buddy who was hit by artillery shrapnel His arm was just hanging on by the skin and his intestines were hanging out In the conclusion Marcello examines how the war affected Wrightsville Did the war bring a return to prosperity What effects did it have on women How did wartime trauma affect the returning veterans In short did World War II transform Wrightsville and its citizens or was it the same town after the war *What America Read* Gordon Hutner, 2009 Despite the vigorous study of modern American fiction today s readers are only familiar with a partial shelf of a vast library Gordon Hutner describes the

distorted canonized history of the twentieth century American novel as a record of modern classic **Franklin** Jim Hillman, John Murphy, 2011 As the treaties with the Delaware tribes and the forging of the Whetzel Trace opened central Indiana for settlement the town of Franklin emerged from wilderness echoing the development of newly christened Johnson County Founded by Kentucky natives Simon Covert Garret Bergen and George King the land that became Franklin was chosen because of ample waterways and the availability of game Previously populated by Native Americans within the dense forest the area was often overlooked because of flooding and harsh thicketed landscapes George King persuaded the Indiana Legislature to create Johnson County on December 31 1822 before persuading the new county s commissioners to establish the town of Franklin named after Ben Franklin as the seat of county government *The War in American Culture* Lewis A. Erenberg, Susan E. Hirsch, 1996-05-15 Exploring the role of World War II in the transformation of American social cultural and political life this book includes essays covering topics as varied as government censorship Hollywood movie making swing music family life sexuality cultural images and working class life **Jesus, Buddha, Mohammad, Socrates: The True Religion of Love** Hadar Shapir, 2019-10-29 This book can make you dramatically happier wealthier more prosperous and more successful If you apply the teachings in this book to your life you will have a happier life with more peace love and joy The principles in this book have been taught by men like Jesus Buddha and Mohammad This book can make a tremendous dramatic difference in your life for the better A huge difference in your everyday quality of life A large part of this book manuscript is available free on www.hadar123.com If you obey and live the teachings in this book this book can be worth more to you than its weight in gold 1015 Second Avenue ,2010 *Congressional Record* United States. Congress, 2002

Straighten Up, America Marian Olivia Heath Griffin, 2021-10-06 Fighting for justice in America is a struggle for a lifetime It is not just a struggle for a moment a day a month a year A moral voice must be heard for the quest for equality and must be relevant to an entire new generation of Americans Black White Asians Latinos and Native Americans There is no such thing as perfection for all situations because the challenges are too great Many unforeseen things are coming but with the Creator s help we will prevail we will not fail Our Creator has given us air to breathe love and substance to live by and our very existence is a gift Our talents are based on our faith and willingness to let God s power work in us We must made a concerted effort to value each other as we all have the Creator s finger print on us We are a community a nation America

C.M. Kornbluth Mark Rich, 2010-01-13 Cyril Kornbluth is a legendary figure in science fiction As a teenager in the years before World War II he wrote prolifically and brilliantly under multiple pennames After military service he developed a voice distinctive for its commanding intelligence passion and wit displaying it in a string of novels and short stories including his award winning *The Little Black Bag* His sudden death in 1958 at the early age of 35 marked the end of an era it was a time when his chosen literary field was contemplating its potential demise This comprehensive biography tells the story of this remarkable writer and his works for the first time Atkinson's Evening Post, and Philadelphia Saturday News , 1928

ANOTHER LOOK: Growing up in The Jim Crow South Betsy Bunn, 2015-12-10 These writings are portraits of light and dark and the bittersweet realities of childhood and adolescence Stories reveal how the joy of black white friendships gives way to larger cultural forces and the necessary secrets and behaviors that keep the scaffolding of everyday life from toppling A trip to see her father late in his life opens long buried wounds and questions about the family childhood experiences and the corrosiveness of secrets and denials Her essays dare to look at the past in sweet and unsweet ways careful to let go of nostalgia when trumped by later insights She holds on to what she finds true and though the costs of truth seeking are great we come to see the mirror of her life constantly changing as she adds insight to inform what she sees reflected back to her Would that we could do the same and stand before a mirror that more accurately reveals what we dare to learn Kendall Dudley Literature and Life Edwin Greenlaw, William Harris Elson, Christine M. Keck, Clarence Stratton, Robert Cecil Pooley, Dudley Howe Miles, 1922 **The Saturday Evening Post**, 1928 **Bookseller & Stationer and Office Equipment Journal**, 1919 *Toward a Culture of Freedom* Thorwald Lorenzen, 2008-03-01 The Ten Commandments belong to the classics of Western culture They are an authoritative part of the Hebrew and the Christian Scriptures Since they come to us from an ancient past it is both necessary and worthwhile to inquire what they may mean for us today Thorwald Lorenzen contends it is important to hear God's invitation to an alternative lifestyle you shall not kill you shall not commit adultery you shall not covet His thoughtful reflections on the commandments for today's tumultuous world begin with the God who speaks ten word to liberate God's people from oppression Grounded in God's liberating yes the ten words are neither laws nor rules They are elements for a culture of freedom in which people are invited to celebrate life

The Book News Monthly, 1918 **Complicity in American Literature after 1945** Will Norman, 2025-03-10 Complicity in American Literature after 1945 offers a literary and intellectual history of the idea of complicity in the United States proposing a new frame for understanding American literature in the period The term complicity derives etymologically from the Latin *complicare* which means to fold If one is complicit one is folded into a larger system of social harm over which one has little or no direct control In the period from 1945 to the early 1970s complicity with structural racism became a central concern for American writing and thought as it grappled with the Holocaust colonialism the Vietnam War and racial domination at home in the United States Writers and thinkers grasped complicity both as a social phenomenon to be represented and as a problem threatening to enfold writing itself In addressing complicity intellectuals were obliged to reconsider their social role and to innovate means of literary expression capable of articulating new experiences of guilt and responsibility Complicity in American Literature after 1945 tells the story of that process as it took place across several genres from highbrow short stories to crime fiction and from experimental metafiction to the reportage essays of the New Journalism It argues that the history of racial complicity is inseparable from the history of liberalism and shows how we can make sense of our present preoccupations with complicity by studying its origins in the past **American World War II**

Orphans Network ,2005-03

The Country Gentleman ,1927
