Our Two Ocean Voyages:

Married to Melanesia Muriel Jones, 2023-07-05 We were married after three years at opposite ends of the world We then too rapidly for comfort made off in a snowstorm for the South Seas All this we imprudently did in our late forties Thus Muriel Jones introduces her account originally published in 1974 of how she came to start her married life in the Solomon Islands whose impact was traumatic perhaps just because we were not in our first youth or innocent of other tropical experience St Peter s College was the only thing at Siota there was no store and the only post office on the island was so difficult of access that I never visited it we ourselves did most of the postal business quite informally at our end of the island It is not surprising that even high ranking visitors tended to arrive looking like ship wrecked sailors If one was ill enough to see a doctor one was on the whole too ill to be subjected to several hours of sun or rain in an open boat and a probable night en route There is too the account of the old lady whose family on her death wanted to bury her in a coffin instead of the customary mat Poor old lady at the end of all these exertions the coffin with her in it stood in the church for the funeral uneasily supported on two rickety small tables from our sitting room mutely exhorting us to STOW AWAY FROM BOILERS Muriel Jones tells the unusual story of her five Melanesian years of the impact of Christianity on a pagan people of her husband s college and its move to another island of the students the islands and their animals and exotic vegetation of the islanders nine tenths of whom live in communities ranging from twenty to two hundred people and of their changing way of life Her story takes one about as far as it is possible to go from an urban civilisation and in telling it she reveals the resources of her own character Limitations on Ocean Cruises United States. Congress. Senate. Committee on Commerce. Subcommittee on Merchant Marine and Fisheries, 1967 Committee Serial No 90 57 Considers S 2360 and similar H R 12639 to amend the Merchant Marine Act of 1936 to allow U S passenger ships to provide passenger cargo and mail service year round and on routes previously off limits for passenger ships **Meguriai** Faith Nobuko Araki Barcus, 2010 Meguriai in Japanese means chance meeting Meguriai Nobuko s American Journey is about a Japanese girl named Nobuko who dreamed of studying in America just as her father had done in the early 20th century Nobuko was born in Tokyo Japan in 1927 to a U S educated father and at that time un commonly free thinking mother After seeing smiling faces in old photos of her father s American friends in Ohio she wanted to visit this magical country called America when she grew up Nobuko majored in English to prepare herself for the life in America The World War II was not in her equation Nobuko personally experienced the U S firebombing of Tokyo but her dream ot going to America never wavered To create friendship between the victor and the vanquished the leaders of the U S occupation forces created a joint Messiah Chorus and called out to the universities in Tokyo Nobuko and several of her friends at her college signed up hoping for the opportunity to practice English The choral group made up of 200 American and Japanese people performed at the Hibiya Performance Hall accompanied by the Japan Philharmonic Orchestra on Christmas Day 1945 four months after the war ended The romance between Nobuko in the alto

section and Earle in the base section blossomed and eventually led to their marriage in 1947 A year later they moved to Champaign Illinois Nobuko s American Journey is about how Nobuko learned to cope with the very different culture and values and to raise her bi racial children **New York Hotel Review** ,1924 The Auschwitz Kommandant Barbara U Cherish,2010-12-26 Barbara Cherish s upbringing in Nazi occupied Poland was one of relative wealth and comfort But her father s senior position in the Nazi Party meant that she and her brothers and sisters lived on a knife edge In 1943 he became commandant of perhaps the most infamous of all the concentration camps Auschwitz The author tells her father s story with clarity and without judgement detailing his relationship with his family and his unceasing love for his mistress as well as the very separate life he led as a senior officer of the SS Captured by the US Army at the end of the war he was held at Dachau and Nuremberg before being extradited to Poland He was tried in the Auschwitz Trial at Krakow found guilty of war crimes and crimes against humanity and executed in January 1948 A unique insider s view of the dark heart of the Third Reich it is also a heartbreaking tale of a family torn apart that will open the eyes of even the most well read historian **The Voyage of the Northern Magic** Diane Stuemmer,2013-09-03 Ever dream of selling up and running away to sea Diane Stuemmer and her husband Herbert were once a typical suburban couple entering middle age with a comfortable home and three boys under twelve A year later they had sold their business rented out their house and were setting out to circumnavigate the globe in a 40 year old yacht Their entire sailing experience consisted of six afternoons on the Ottawa River Over the next four years squeezed into quarters no bigger than the Stuemers old bedroom the family of five would become seasoned mariners They would battle deadly storms at sea and evade real life pirates Dodge waterspouts and lightning strikes and witness the bombing of the USS Cole See the staggering beauty of Borneo s rainforest and its destruction from logging Be arrested at gunpoint and entertained like visiting royalty In all they would visit 34 countries and cover 35 000 nautical miles Almost everywhere they went the family made lasting friendships They learned to trust each other and embrace opportunity and in Kenya they learned the true meaning of humanity As Northern Magic pushed onward many thousands followed the family s progress in Diane s dispatches to the Ottawa Citizen and thousands more turned out to cheer when the amazing Stuemers came home **Limitations on Ocean Cruises, Hearing Before the Subcommittee on Merchant Marine and Fisheries...90-1, on S. 2360, Amending Section 613 (b) of the Merchant Marine Act of 1936 to Remove Certain Limitations on Ocean Cruises, November 20, 1967** United States. The Geography of God's Incarnation Ann Pederson,2013-07-25 What does geography have to do with the incarnation of God and with our spiritual lives as Christians We will embark on a theological road trip that explores how geographies are at the heart of understanding of God s incarnation in the world It is no surprise to Christians that the center of the incarnation is the person of Jesus Christ God in flesh made manifest However it might be a stretch for some Christians to imagine that the promise that God has become flesh is not only in a person but also in a place in the creation Christians need to expand what incarnation means and what it means to be created in the image of God so that the scope of God s creative and redemptive action and work indeed reaches to the scope of all things from the outer reaches of space to the inner reaches of our hearts To be the creatures of God that God calls us to be requires a kind of dual citizenship within the details of our daily life attending to the needs of our neighbors simultaneously knowing we are part of a greater cosmos whose future is still unfolding
