Out For Office Campaigning In The Gay Nineties

Kathleen DeBold

Out For Office Campaigning In The Gay Nineties:

Out for Office Kathleen DeBold,1994 Gays and Lesbians in the Democratic Process Ellen D. B. Riggle,Barry L. Tadlock,1999 In this collection of articles the various authors examine the interaction of gays and lesbians with the democratic process in regards to public policy public opinion and political representation **Queering Representation** Manon Tremblay,2019-11-15 Political representation matters And representation requires participation voting joining political parties running as candidates acting as politicians Yet the election of openly LGBTQ people is a relatively recent phenomenon in the West Queering Representation explores long ignored issues relating to LGBTQ voters and politicians in Canada What are the LGBTQ electorate s characteristics and voting behaviours and what empowerment has it achieved through electoral systems How do straight voters view out LGBTQ politicians and what part do the media play in framing these perceptions What pathways to power do LGBTQ politicians follow Do they represent LGBTQ people and communities in particular and if so how is this role articulated And finally how do Canadian party ideologies shape LGBTQ representation The contributors to Queering Representation address these questions by offering diverse nuanced readings of political representation shining a spotlight on relations between electoral processes and LGBTQ communities **The Path to Gay Rights** Jeremiah J. Garretson,2018-06-05 A data driven explanation of how public opinion shifted on LGBTQ rights Amazon com **Overcoming Heterosexism and Homophobia** James Thomas Sears,Walter L. Williams,1997 Providing strategies that can be adopted by educators counselors community activists and leaders and those working in the lesbian and gay community the contributors discuss role playing exercises suggestions for beginning a dialogue methods of coming out effectively to family members and coworkers and outlines for workshops **Queer America** Vicki L. Eaklor,2008-03-30 Perhaps no topic today is politically more divisive than homosexuality particularly when it is coupled with the deeply rooted concept of civil rights This work focuses on 20th 21st century U S history as it pertains to GLBT history Major issues and events such as the Stonewall riot Don t Ask Don t Tell in the military same sex marriage gay rights gay pride organizations and alliances AIDS and legal battles and court cases are discussed Also included are sidebars highlighting major debates legal landmarks and key individuals A timeline and further reading sections concluding each chapter as well as a full bibliography and black and white images enhance the text In these opening years of the 21st century in the United States perhaps no topic is more divisive than homosexuality particularly when it is coupled with the deeply rooted concept of civil rights The same sex marriage debate for example is but part of a larger discussion over issues crucial to American life such as the role of law in the lives of individuals relationships among law economics and morality and the values thought to distinguish and define us GLBT history is not just the struggle for rights it is people simply living their lives the best they knew how regardless of the terms they or others use for them This work focuses on U S history and within that the 20th century particularly because the vast majority of work in GLBT history has been during this place and time Major issues and

events such as the Stonewall riot Don't Ask Don't Tell in the military same sex marriage gay rights gay pride organizations and alliances AIDS and legal battles and court cases are discussed Included in this reference work are sidebars highlighting major debates legal landmarks and key individuals A timeline and further reading sections concluding each chapter as well as a full bibliography and black and white images enhance the text

On the Fringe David M. Rayside, 2018-09-05 Does the idea of equality for sexual minorities have as strong an influence as the media suggest How often do politicians come out forthrightly in support of gay rights Drawing on more than three hundred interviews with activists politicians officials legislative aides and journalists David Rayside shows that gays lesbians and their political issues are still on the fringe of the political mainstream His landmark study of political access demonstrates that despite the overall tempering of anti gay rhetoric in the 1990s opponents of equality are formidable and standing up for sexual minorities is still widely thought to be politically risky Rayside documents a high profile controversy in each of three countries gays and lesbians in the military in the United States sexual orientation and human rights legislation in Canada and the age of consent battle in the United Kingdom In addition in depth interviews of openly gay elected officials from three countries U S Congressman Barney Frank Canadian Member of Parliament Svend Robinson and British M P Chris Smith provide an inside look at the political process the negotiation of gay and lesbian policy issues on a daily basis the attitudes of colleagues in various political parties and the tensions created when grassroots and mainstream activism intersect with each other The only major book to look at gay and lesbian politics in three culturally similar but politically disparate countries **On the Fringe** explores the political workings and impact of a modern social movement

The Engagement Sasha Issenberg, 2022-05-31 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR The riveting story of the conflict over same sex marriage in the United States the most significant civil rights breakthrough of the new millennium Full of intimate details battling personalities heated court cases public persuasion John Williams The New York Times On June 26 2015 the U S Supreme Court ruled that state bans on gay marriage were unconstitutional making same sex unions legal across the United States But the road to that momentous decision was much longer than many know In this definitive account Sasha Issenberg vividly guides us through same sex marriage's unexpected path from the unimaginable to the inevitable It is a story that begins in Hawaii in 1990 when a rivalry among local activists triggered a sequence of events that forced the state to justify excluding gay couples from marriage In the White House one president signed the Defense of Marriage Act which elevated the matter to a national issue and his successor tried to write it into the Constitution Over twenty five years the debate played out across the country from the first legal same sex weddings in Massachusetts to the epic face off over California's Proposition 8 and finally to the landmark Supreme Court decisions of *United States v Windsor* and *Obergefell v Hodges* From churches to hedge funds no corner of American life went untouched This richly detailed narrative follows the coast to coast conflict through courtrooms and war rooms bedrooms and boardrooms to shed light on every aspect of a political and legal controversy that divided Americans like no other Following a

cast of characters that includes those who sought their own right to wed those who fought to protect the traditional definition of marriage and those who changed their minds about it The Engagement is certain to become a seminal book on the modern culture wars

The Politics of Gay Rights Craig A. Rimmerman, Kenneth D. Wald, Clyde Wilcox, 2000-07 The contributors to this volume thoroughly investigate the politics of the gay and lesbian movement beginning with its political organizations and tactics The essays also address the strategies and ideology of conservative opposition groups

From Identity to Politics Craig A. Rimmerman, 2002 Liberal democracy has provided a certain degree of lesbian and gay rights But those rights as we now know are not unlimited and they continue to be the focus of efforts by lesbian and gay movements in the United States to promote social change In this compelling critique Craig Rimmerman looks at the past present and future of the movements to analyze whether it is possible for them to link identity concerns with a progressive coalition for political social and gender change one that take into account race class and gender inequalities Enriched by eight years of interviews in Washington D C and New York City and by the author s experience as a Capitol Hill staffer From Identity to Politics will provoke discussion in classrooms and caucus rooms across the United States Author note Craig A Rimmerman is Professor of Political Science at Hobart and William Smith Colleges He is the author of several books including The New Citizenship Unconventional Politics Activism and Service

LGBTQ Legislators in Canadian Politics Manon Tremblay, 2022-01-12 This book considers the impact that the increasing number of LGBTQ politicians in Canada has had on the political representation of LGBTQ people and communities Based on analysis of parliamentary speeches and interviews with 28 out LGBTQ parliamentarians in Canada between 2017 and 2020 Tremblay shows how out LGBTQ MLAs and MPs take advantage of their intermediary position between the LGBTQ movement and the state to represent LGBTQ people and communities For example the politicians in this study introduce pro LGBTQ bills lobby cabinet ministers act as a bridge between LGBTQ groups and the civil service and give talks in schools about their identities Most importantly they act as role models for LGBTQ people particularly children and teens and contribute to lifting the social stigma around sexuality and gender identity This latest volume in our Sustainable Development Goals series underlines that SDG 16 Peace Justice and Strong Institutions can only be accomplished with political representation for the LGBTQ community and minority groups in general

City of Friends Simon LeVay, Elisabeth Nonas, 1995 City of Friends offers a practical intelligent and well informed overview of what it means to be gay or lesbian The authors seek to help gay men and women as well as their families and friends to better understand the institutions and communities that make up the most culturally and ethnically diverse minority in America today Beginning with basic concepts LeVay and Nonas define the words homosexual gay lesbian and bisexual and discuss the various patterns of homosexuality in different cultures around the world They relate the history of the gay and lesbian community in the United States and its struggle for equal rights and social acceptance before tackling the question still highly controversial of what determines an individual s sexual orientation City of Friends describes the great diversity within

the gay and lesbian community Life in the gay ghetto Old lesbians in rural hideaways Gay resorts A town without men Gay and lesbian Latinos African Americans Asian Americans and Native Americans what it means to be a minority within a minority Lesbian and gay youth the elderly the deaf Bisexuals and transsexuals Academics drag queens technoqueers publishers softball players all make their appearance in these pages LeVay and Nonas continue with a discussion of health issues especially of the AIDS epidemic and the community's response to it the law and gay and lesbian politics They describe the cultural achievements of lesbians and gay men their art literature theater music and dance Finally they take a look at the spiritual life of gays and lesbians both within and outside of organized religion **Dyke Strippers** Rosalind Warren,1995 From Alison Bechdel to Zora humor anthologist Roz Warren has compiled her best book ever an action packed omnibus of the wild imaginations of lesbian cartoonists Here are your favorite comic characters Mo and the gang from Dykes to Watch Out For Hothead and Chicken from Hothead Paisan Bitchy Bitch Liliane and a host of other pen and ink lesbian icons dissing homophobes and politicians and serving up hilarious slices of lesbian life Back cover **The WomanSource Catalog & Review** Ilene Rosoff,1995 *Gays et lesbiennes en politique* Hugo Bouvard,2024-10-14 By contrasting the French and American cases this book helps us better understand who gay and lesbian politicians are what they do and whom they claim to represent in office **Words That Work** Dr. Frank Luntz,2007-01-02 The nation's premier communications expert shares his wisdom on how the words we choose can change the course of business of politics and of life in this country In Words That Work Luntz offers a behind the scenes look at how the tactical use of words and phrases affects what we buy who we vote for and even what we believe in With chapters like The Ten Rules of Successful Communication and The 21 Words and Phrases for the 21st Century he examines how choosing the right words is essential Nobody is in a better position to explain than Frank Luntz He has used his knowledge of words to help more than two dozen Fortune 500 companies grow Hell tell us why Rupert Murdoch's six billion dollar decision to buy DirectTV was smart because satellite was more cutting edge than digital cable and why pharmaceutical companies transitioned their message from treatment to prevention and wellness If you ever wanted to learn how to talk your way out of a traffic ticket or talk your way into a raise this book's for you *Leading the Parade* Paul D. Cain,2002-03-11 Leading the Parade traces the evolution of the gay and lesbian liberation through the personal profiles and stories of nearly 40 individuals whose daring efforts changed gay and straight America and their attitudes toward homosexuality during the twentieth century **The Films of the Nineties** W. Palmer,2009-03-02 By breaking down classic films from the nineteen nineties such as Forest Gump and Titanic this book offers a reel to reel cultural analysis chronicling the concept of spin as a major sociopolitical persuasion strategy *Same-sex Marriage, Legal Mobilization, & the Politics of Rights* Martin Dupuis,2002 The civil rights of lesbians and gay men are a prominent issue on the public agenda today and one of the most contentious debates is the recognition of same sex relationships Same sex marriage is being addressed in legislatures and courts throughout the world This book highlights the legal and political

battles of same sex marriages in the United States In addition a survey of the status of gay relationships in other countries is outlined in order to compare these claims for equal rights in various political and social contexts The movement to recognize gay and lesbian relationships demonstrates that law and conceptions of rights are important political resources for creating social change Bliss, Peacemaker: The Life And Letters Of General Tasker Howard Bliss Frederick Palmer, 2013-05-31
Frederick Palmer was an American journalist and writer Born in Pleasantville Pennsylvania Palmer attended Allegheny College in Meadville Pennsylvania Bliss Peacemaker is Palmer s biography of General Tasker Howard Bliss detailing his life with the inclusion of original letters and pictures The pictures in this volume are all originals and thus some may be blurry or pixelated
