Gonzalez, 1997-08-26 While the Irish Literary Revival began around 1885 and ended somewhere between 1925 and 1940 the Irish Renaissance has continued to the present day and shows no sign of abating The period has produced some of the most important and influential figures in Irish literature some of whom are counted among the world's greatest authors The Revival saw a reestablishment of Ireland's literary connections with its Celtic heritage and writers such as William Butler Yeats and Lady Gregory drew heavily on the myths and legends of the past James Joyce boldly reshaped the novel and wrote short fiction of enduring value Contemporary Irish writers continue to be leading figures and include such authors as Brian Friel Seamus Heaney and Eavan Boland Included in this reference book are alphabetically arranged entries for more than 70 modern Irish writers including Samuel Beckett William Trevor Patrick Kavanagh Medbh McGuckian Sean O'Casey J.M. Synge and Nuala Ni Dhomhnaill Entries are written by expert contributors and reflect a broad range of perspectives Each entry contains a brief biography that summarizes the author's career a discussion of major works and themes an overview of the author's critical reception and a bibliography of primary and secondary works An introductory essay reviews the large and growing body of scholarship on modern Irish literature while an extensive bibliography concludes the volume **The Cambridge Companion to Irish Poets** Gerald Dawe, 2018 A fresh accessible and authoritative study that conveys the richness and diversity of Irish poets their lives and times *The Comic Irishman* Maureen Waters, 1984-01-01 The Comic Irishman makes heretofore unacknowledged distinctions among different types of comic Irishmen and convincingly casts away the stereotyped version of the stage Irishman It shows how the Irish comic character whether a blundering fool or a lazy fun-loving fellow evolved into a glib and witty rogue The book is a critical study of modern Irish fiction and drama The first part provides an analysis of the various Irish comic figures which were popular in the nineteenth century These are discussed within a social and historic framework because they were to a large extent shaped by the erosion of Gaelic culture under the impact of English government In the process of shifting from one cultural nexus to another the Irishman came to be regarded as highly inferior to his English counterpart yet amusing because of his difficulty with the English language and his rebellious unpredictable behavior The second part of the book discusses the writings of such twentieth century authors as James Joyce Samuel Beckett Sean O'Casey and Flann O'Brien who concentrated on the analysis of the stage Irishman Some brilliantly exploited the comic tradition while others used satire to explode what they perceived as a debasing myth The Mystical Imagination of Patrick Kavanagh Una Agnew, 2000 For Kavanagh the created world was God-filled and every bit as radiant as the heavenly city of God His poetry became a radical affirmation of life of earth of the human condition and of God's presence everywhere Conscious that Kavanagh's own view that his poetry is best read without comment from the scholar Una Agnew uses as a framework for her study the ancient mystical stages that were outlined by Evelyn Underhill awakening purification illumination and transformation The result is a convincing and inspiring illustration of the fundamental mysticism

of the poetry and the person of Patrick Kavanagh *The Complete Poems of Patrick Kavanagh* Patrick Kavanagh, Peter Kavanagh, 1972 *Patrick Kavanagh* Peter Kavanagh, Patrick Kavanagh, 1986 **The Letters of Brendan Behan** Brendan Behan, 1992 Annotation A thoroughly annotated collection of those letters by controversial Irish playwright Behan 1923 64 that have come to light so far Also includes some unpublished poems and early writings and letters to the editor that were rejected Acidic paper Annotation c by Book News Inc Portland Or *Louis MacNeice and the Irish Poetry of his Time* Tom Walker, 2015-09-17 This study focuses on Louis MacNeice's creative and critical engagement with other Irish poets during his lifetime It draws on extensive archival research to uncover the previously unrecognised extent of the poet's contact with Irish literary mores and networks Poetic dialogues with contemporaries including F R Higgins John Hewitt W R Rodgers Austin Clarke Patrick Kavanagh John Montague and Richard Murphy are traced against the persistent rhetoric of cultural and geographical attachment at large in Irish poetry and criticism during the period These comparative readings are framed by accounts of MacNeice's complex relationship with the oeuvre of W B Yeats which forms a meta narrative to MacNeice's broader engagement with Irish poetry Yeats is shown to have been MacNeice's contemporary in the 1930s reading and reacting to the younger poet's work just as MacNeice read and reacted to the older poet's work But the ongoing challenge of the intellectual and formal complexity of Yeats's poetry also provided a means through which MacNeice across his whole career dialectically developed various modes through which to confront modernity's cultural political and philosophical challenges This book offers new and revisionary perspectives on MacNeice's work and its relationship to Ireland's literary traditions as well as making an innovative contribution to the history of Irish literature and anglophone poetry in the twentieth century
