Power Of Travel A Passport To Adventure Discovery And Growth:

The Power of Travel Steve Zikman, 1999 The Power of Travel is an inspiring celebration of travel's wondrous possibilities. A gift to ourselves and others, it is certain to enhance, enrich and expand every traveler's soul. Jack Canfield. While readers love travel books that take them on armchair spiritual adventures under the suns of foreign lands, most guidebooks only help people decide where to stay and how much to pay. The Power of Travel is the first handy and concise source for bringing travel to a new level of personal experience, enabling readers to more fully appreciate and enrich their own weekend jaunt, vacation, adventure or business trip. Easily kept in a knapsack or briefcase, The Power of Travel brims with a travel expert's wisdom on turning time spent in the town, down the road or across the globe into a journey of personal insight and revelation. Steve Zikman's brief and reflective essays present today's hurried travelers with countless opportunities to look both outward and inward. The Power of Travel will truly take readers where they need to go, whether they are already on the road or restlessly awaiting the next chapter in their travels. Indeed, it will be a trusted and empowering traveler's staple for many years to come.

Change Jeffrey A. Kottler, 2018-03-12 What causes human beings to make a significant change in their lives, a transformative shift in thinking and actions? Research has shown that even in cases of unqualified success, a therapist and their client often have wildly different views on what made it work. Taking that as his starting point, Jeffrey Kottler leads the reader on an exploration of human behaviour, seeking to find out what it is that really makes a difference that can lead to transformative and lasting change.
