Eduardo de Gregorio-Godeo, Ángel Mateos-Aparicio Martin-Albo, 2014-08-11 Questions of identity and identification are among the most important evolving concerns of contemporary cultural studies Through processes of personal identification with discursively constructed subject positions identities emerge across a wide range of cultural practices in the course of social interactions involving the use of language and other semiotic systems manifested in cultural artefacts of various kinds The present collection includes a selection of papers on the topic of identity and identification in cultural studies today Incorporating theoretical contributions and practical case studies this monograph adds to contemporary debates on identity forging practices from various theoretical positions in different social historic and national contexts The chapters of this volume range from overtly theoretical discussions on the construction of identities and subjectivities in post modernity to examinations of the crucial role of print media in identity construction and representation processes in contemporary social formations through an insight into other key issues in cultural studies such as gender politics and the construction of femininities the hybridization of identities in the context of postcolonial work and the interplay between collective identities and discourses on nation Aboriginal Music in Contemporary Anna Hoefnagels, Beverley Diamond, 2012-02-24 First Nations Inuit and M tis music in Canada is dynamic and diverse reflecting continuities with earlier traditions and innovative approaches to creating new musical sounds Aboriginal Music in Contemporary Canada narrates a story of resistance and renewal struggle and success as indigenous musicians in Canada negotiate who they are and who they want to be Comprised of essays interviews and personal reflections by Aboriginal and non Aboriginal musicians and scholars alike the collection highlights themes of innovation teaching and transmission and cultural interaction Individual chapters discuss musical genres ranging from popular styles including country and pop to nation specific and intertribal practices such as powwows as well as hybrid performances that incorporate music with theatre and dance As a whole this collection demonstrates how music is a powerful tool for articulating the social challenges faced by Aboriginal communities and an effective way to affirm indigenous strength and pride Juxtaposing scholarly study with artistic practice Aboriginal Music in Contemporary Canada celebrates and critically engages Canada s vibrant Aboriginal music scene Contributors include V ronique Audet Universit de Montreal Columpa C Bobb Tsleil Waututh and Nlaka pamux Manitoba Theatre for Young People Sadie Buck Haudenosaunee Annette Chr tien M tis Marie Clements M tis Dene Walter Denny Jr Mi kmaw Gabriel Desrosiers Ojibwa University of Minnesota Morris Beverley Diamond Memorial University Jimmy Dick Cree Byron Dueck Royal Northern College of Music Klisala Harrison University of Helsinki Donna Lariviere Algonquin Charity Marsh University of Regina Sophie Merasty Dene and Cree Garry Oker Dane zaa Marcia Ostashewski Cape Breton University Mary Piercey Memorial University Amber Ridington Memorial University Dylan Robinson St lo University of Toronto Christopher Scales Michigan State University

Gilles Sioui Wendat Gordon E Smith Queen's University Beverly Souliere Algonquin Janice Esther Tulk Memorial University Florent Vollant Innu and Russell Wallace Lil'wat Pow-Wow Ishmael Reed, Carla Blank, 2009 Celebrated novelist poet and MacArthur fellow Ishmael Reed follows his groundbreaking poetry anthology From Totems to Hip Hop with a provocative survey of American short fiction Traditional Festivals Christian Roy, 2005-06-29 This illustrated reference work covers a wide range of festivals that have sacred origins and are or have been part of a folk tradition a world religion or a major civilization Traditional Festivals A Multicultural Encyclopedia travels around the world and across the centuries to uncover an often unexpected richness of meaning in some of the major sacred festivals of the world's religions the hallowed calendars of ancient civilizations and the seasonal celebrations of tribal cultures From Akitu to Yom Kippur its 150 entries look at the content and context of these festivals from a number of perspectives including those relating to theology anthropology folklore and social theory tracing their historical development and variations across cultures Readers will get a vivid sense of what each festival means to the people celebrating it how each captures its culture's beliefs hopes and fears founding myths and redemptive visions and how each expresses the universal need of humans to connect their lives to a timeless spiritual dimension Before and after the Horizon David Penney, 2013-09-10 This companion volume to an exhibition at the National Museum of the American Indian in New York reveals how Anishinaabe also known in the United States as Ojibwe or Chippewa artists have expressed the deeply rooted spiritual and social dimensions of their relations with the Great Lakes region Featuring 70 color images of visually powerful historical and contemporary works Before and After the Horizon is the only book to consider the work of Anishinaabe artists overall and to discuss 500 years of Anishinaabe art history

Powwow Clyde Ellis, Luke E. Lassiter, Gary H. Dunham, 2005-01-01 This anthology examines the origins meanings and enduring power of the powwow Held on and off reservations in rural and urban settings powwows are an important vehicle for Native peoples to gather regularly Although sometimes a paradoxical combination of both tribal and intertribal identities they are a medium by which many groups maintain important practices Powwow begins with an exploration of the history and significance of powwows ranging from the Hochunk dances of the early twentieth century to present day Southern Cheyenne gatherings to the contemporary powwow circuit of the northern plains Contributors discuss the powwow's performative and cultural dimensions including emcees song and dance the expression of traditional values and the Powwow Princess The final section examines how powwow practices have been appropriated and transformed by Natives and non-Natives during the past few decades Of special note is the use of powwows by Native communities in the eastern United States by Germans by gay and lesbian Natives and by New Agers **The Native American Contest Powwow** Steven Aicinena, Sebahattin Ziyank, 2021-11-02 The Native American Contest Powwow introduces Cultural Tethering Theory to convey the importance of the contest powwow in the celebration and preservation of Native American culture The book addresses the concepts of culture cultural change acculturation assimilation and illustrates how competitive powwows align

with and differ from competitive sporting events Authors Steven Aicinena and Sebahattin Ziyank go on to explain how the modern intertribal contest powwow evolved and why modern Native American cultures are experiencing an erosion of traditional values a rapid loss of traditional languages dysfunctional changes in social organization limited opportunity to transmit culturally valued knowledge and reduced opportunities for youths to observe culturally appropriate behavior The authors also examine Native American identity and explore who can legitimately claim to be a Native American under current laws and customs Additional topics addressed include blood quantum cultural knowledge cultural participation being Indian and playing Indian Finally the authors describe the difference between being Native American and playing Indian in powwow and pseudo cultural powwow environments **Jeff Thomas** Jeff Thomas, Richard William Hill, Gallery 44, 2004 Library of Congress Subject Headings Library of Congress, 2012 Indigenous Aesthetics Steven Leuthold, 2010-07-05 What happens when a Native or indigenous person turns a video camera on his or her own culture Are the resulting images different from what a Westernized filmmaker would create and if so in what ways How does the use of a non Native art making medium specifically video or film affect the aesthetics of the Native culture These are some of the questions that underlie this rich study of Native American aesthetics art media and identity Steven Leuthold opens with a theoretically informed discussion of the core concepts of aesthetics and indigenous culture and then turns to detailed examination of the work of American Indian documentary filmmakers including George Burdeau and Victor Masayesva Jr He shows how Native filmmaking incorporates traditional concepts such as the connection to place to the sacred and to the cycles of nature While these concepts now find expression through Westernized media they also maintain continuity with earlier aesthetic productions In this way Native filmmaking serves to create and preserve a sense of identity for indigenous people *The "pow-wow" Book* Ammon Monroe Aurand, 1929 *The complete travel guide for North Dakota* , At YouGuide we are dedicated to bringing you the finest travel guides on the market meticulously crafted for every type of traveler Our guides serve as your ultimate companions helping you make the most of your journeys around the world Our team of dedicated experts works tirelessly to create comprehensive up to date and captivating travel guides Each guide is a treasure trove of essential information insider insights and captivating visuals We go beyond the tourist trail uncovering hidden treasures and sharing local wisdom that transforms your travels into extraordinary adventures Countries change and so do our guides We take pride in delivering the most current information ensuring your journey is a success Whether you re an intrepid solo traveler an adventurous couple or a family eager for new horizons our guides are your trusted companions to every country For more travel guides and information please visit www.youguide.com Ancestry magazine , 2008-01 Ancestry magazine focuses on genealogy for today s family historian with tips for using Ancestry com advice from family history experts and success stories from genealogists across the globe Regular features include Found by Megan Smolenyak reader submitted heritage recipes Howard Wolinsky s tech driven NextGen feature articles a timeline how to tips for Family Tree Maker and insider insight to

Library of Congress Subject Headings Library of Congress. Cataloging Policy and Support Office, 2009 **World Art** Ben Burt, 2020-07-12 What do we mean by art As a category of objects the concept belongs to a Western cultural tradition originally European and now increasingly global but how useful is it for understanding other traditions To understand art as a universal human value we need to look at how the concept was constructed in order to reconstruct it through an understanding of the wider world Western art values have a pervasive influence upon non Western cultures and upon Western attitudes to them This innovative yet accessible new text explores the ways theories of art developed as Western knowledge of the world expanded through exploration and trade conquest colonisation and research into other cultures present and past It considers the issues arising from the historical relationships which brought diverse artistic traditions together under the influence of Western art values looking at how art has been used by colonisers and colonised in the causes of collecting and commerce cultural hegemony and autonomous identities *World Art* questions conventional Western assumptions of art from an anthropological perspective which allows comparison between cultures It treats art as a property of artefacts rather than a category of objects reclaiming the idea of world art from the art world This book is essential reading for all students on anthropology of art courses as well as students of museum studies and art history based on a wide range of case studies and supported by learning features such as annotated further reading and chapter opening summaries

Blood and Land J. C. H. King, 2016-08-25 *Blood and Land* is a dazzling panoramic account of the history and achievements of Native North Americans and why they matter today It is about why no understanding of the wider world is possible without comprehending the original inhabitants of the United States and Canada Native Americans First Nations and Arctic peoples This highly personal book based on years of travel and first hand research in North America introduces a

deeply complex story of myriad identities and determined ethnicities from the desert Southwest to the high Arctic from first contact between Europeans and Native Americans to the challenges of Native leadership today Instead of writing a chronological history King confronts the reader with the paradoxes diversity and successes of Native North Americans Their astonishing ingenuity and supple intelligence enabled after centuries of suffering both violence and dispossession a striking level of recovery optimism and autonomy in the twenty first century Beautifully illustrated and filled with arresting and surprising stories Blood and Land looks well beyond the feathers and failure narratives beloved by historians to show us Native North America as it was and is
