## **Practical Christianity Commentary On Elijah:**

**Practical Christianity** Hamilton Ayuk, 2004-08-01 Despite the creation of new churches it would seem as though the church is progressing in status but regressing in spiritual gifts and fruit of the Spirit From the days of Moses to the days of Paul we have seen that one man could change an entire nation Elijah determined the destiny of Israel So do we boast of the same thing today If not have God and those same principles that bring change changed In Practical Christianity Commentary on Elijah Christianity is presented from a practical point of view mirroring almost every verse in which Elijah is mentioned in the Bible In practical terms if a brother came to you to pray for him for a job then you will pray but because faith goes with works you will take his resumes and distribute them The search for a job becomes your obligation too You know a jobless man needs food and other things You share your food and other things with him The Holy Bible, with Explanatory Notes, Practical Observations and Copious Marginal References Thomas Scott (théologien), 1822 *The Holy Bible ... with Explanatory Notes, Practical Observations, and Copious Marginal References, by Thomas Scott. Gohson, *The Comprehensive Commentary on the Holy Bible: Ruth-Psalm LXIII*. 1836 William Jenks, 1836 *Revelation: Tribulation and Triumph* Practical Christianity Foundation, 2022-09-08 The Book of Revelation rings with familiar imagery and verses but what does it tell us about the last days Despite the countless interpretations available it often seems as though understanding the last days has never been more difficult Now through this easy to read devotional commentary Revelation will come alive as you venture into the powerful and dynamic message of this prophecy and diligently study the Second Coming of Jesus Christ Practical Christian sociology, lectures Wilbur Fisk Crafts, 1895 Commentary on the Whole Bible Volume IV (Isaiah to Malachi) ,

Matthew: A King's Ransom Practical Christianity Foundation, 2020-08-08 The gospel of Matthew chronicled by one who personally journeyed with Jesus during His earthly ministry is a unique account since it is generally agreed that it was written with a Jewish audience in mind As such great care is taken in providing detail that substantiates Jesus as the Christ the promised Messiah No other gospel focuses so strongly on the divine aspects of the King and His kingdom No other gospel provides such detail of the Sermon on the Mount No other gospel so thoroughly links Jesus as the fulfillment of all Old Testament prophecies True the concept of Jesus as God's anointed King over Israel is the point around which the Jewish people must wrestle for if Jesus is the Messiah then where is His kingdom Indeed the skeptical Gentile can ask this question as well They like each of us must realign their concept of the kingdom and understand the full impact of Matthew's personal testimony concerning Jesus His life His death His resurrection and the salvation that He offers to them and indeed to the whole world **Luke (Understanding the Bible Commentary Series)** Craig A.
