Primitive Soul States Astral Religious Experiences And Heavens And Hells

**Yogi Ramacharaka, William Walker
Atkinson**

Primitive Soul States Astral Religious Experiences And Heavens And Hells:

The Life Beyond Death Yogi Ramacharaka, 2010-01-01 Followers of the early New Age movement known as New Thought which was wildly popular at the turn of the 20th century were intensely interested in gleaning the fruit of all of humanity's spiritual wisdom. Here in this curious volume originally published in 1909 one of the most influential New Thought writers and editors introduces Western readers to Eastern thought on what exactly is on the other side of the river of death. From the geography of the astral plane to the soul slumber that occurs after death from communication with spirits to what lies beyond reincarnation this is a fascinating look at the pop spirituality of a century ago. American writer WILLIAM WALKER ATKINSON 1862-1932 aka Theron Q. Dumont was born in Baltimore and had built up a successful law practice in Pennsylvania before professional burnout led him to the religious New Thought movement. He served as editor of the popular magazine New Thought from 1901 to 1905 and as editor of the journal Advanced Thought from 1916 to 1919. He authored dozens of New Thought books including Arcane Formula or Mental Alchemy and Vril or Vital Magnetism under numerous pseudonyms some of which are likely still unknown today.

 Heath, 2006-06-12 This provocative study explores what happens to those who commit suicide Drawing on communications
 from the spirits of more than 100 successful suicides it offers an intriguing look at what the dead themselves say about
 suicide its repercussions and their experiences in the afterlife Bringing together the channeled messages of three types of
 suicide traditional suicide assisted suicide and the suicide mass murder adopted by terrorists the book covers a wide range of
 topics including why people commit suicide what it is like to cross over adjustment problems what suicides would say to
 those left behind and what they would tell others thinking of taking their own lives Additionally the book conveys powerful
 messages from suicide bombers warning potential terrorists of the serious karmic consequences that await them For anyone
 contemplating suicide or euthanasia the book offers profound sometimes unsettling insight into the ramifications of these
 acts The World-wide Encyclopedia and Gazetteer William Harrison De Puy, 1899
