Prize For Percival:

A Prize for Percival Allan Langoulant, 1988 **Percival Everett by Virgil Russell** Percival Everett, 2013-02-05
Anything we take for granted Mr Everett means to show us may turn out to be a lie Wall Street Journal Finalist for the Los Angeles Times Book Prize Finalist for the PEN Faulkner Award for Fiction A story inside a story inside a story A man visits his aging father in a nursing home where his father writes the novel he imagines his son would write Or is it the novel that the son imagines his father would imagine if he were to imagine the kind of novel the son would write Let s simplify a woman seeks an apprenticeship with a painter claiming to be his long lost daughter A contractor for hire named Murphy can t distinguish between the two brothers who employ him And in Murphy s troubled dreams Nat Turner imagines the life of William Styron These narratives twist together with anecdotes from the nursing home each building on the other until they crest in a wild outlandish excursion of the inmates led by the father Anchoring these shifting plotlines is a running commentary between father and son that sheds doubt on the truthfulness of each story Because after all what narrator can we ever trust Not only is Percival Everett by Virgil Russell a powerful compassionate meditation on old age and its humiliations it is an ingenious culmination of Everett s recurring preoccupations All of his prior work his metaphysical and philosophical inquiries his investigations into the nature of narrative have led to this masterful book Percival Everett has never been more cunning more brilliant and subversive than he is in this his most important and elusive novel to date A Prize for Percival Allan Langoulant, 1989 Percival the pig becomes a celebrity **Percival's Angel** Anne Crompton, 2011-03-01 Lili s eyes can see in the dark like an owl She can sense spirit auras of all creatures and perform magic more powerful than most But because Lili is Fey she does not possess the world s greatest power the Human Heart Lili wants to understand Heart more than anything and her human friend Percy is just the right person to help Together they begin a treacherous journey for nothing is more dangerous than finding true love Crompton succeeds in incorporating the mysticism of medieval romance into her fantasy This well written fantasy can be compared to Katherine Paterson s Parzival and will please the insatiable fans of Arthurian legend VOYA Readers looking for a decidedly different take on the popular reconstructionist view of Arthur and the Knights of the Round Table will find much to enjoy and consider in Crompton s latest book The SF Site **James** Percival Everett, 2024-03-19 A brilliant action packed reimagining of The Adventures of Huckleberry Finn both harrowing and ferociously funny told from the enslaved Jim s point of view From the literary icon Oprah Daily Pulitzer Prize Finalist and one of the most decorated writers of our lifetime When the enslaved Jim overhears that he is about to be sold to a man in New Orleans separated from his wife and daughter forever he decides to hide on nearby Jackson Island until he can formulate a plan Meanwhile Huck Finn has faked his own death to escape his violent father recently returned to town As all readers of American literature know thus begins the dangerous and transcendent journey by raft down the Mississippi River toward the elusive and too often unreliable promise of the Free States and beyond

While many narrative set pieces of *The Adventures of Huckleberry Finn* remain in place floods and storms stumbling across both unexpected death and unexpected treasure in the myriad stopping points along the river's banks encountering the scam artists posing as the Duke and Dauphin Jim's agency intelligence and compassion are shown in a radically new light Brimming with the electrifying humor and lacerating observations that have made Everett a literary icon Oprah Daily and one of the most decorated writers of our lifetime James is destined to be a major publishing event and a cornerstone of twenty-first century American literature

A rediscovered classic of politics murder and espionage by the National Book Award and Pulitzer Prize winning author of *James On a windswept landscape somewhere north of Denver* Robert Hawks a feisty and dangerously curious hydrologist finds himself enmeshed in a fight over Native American treaty rights What begins for Robert as a peaceful fishing interlude ends in murder and the disclosure of government secrets Everett mines history for this one focusing on the relationship between Native American activists and Black Panther groups who bonded over their shared enemies in the 1960s Civil Rights movement *Watershed* is an excellent example of Percival Everett's famed bitingly political narrative style
