Becoming Nicole Amy Ellis Nutt, 2016-06-07 NEW YORK TIMES BESTSELLER The inspiring true story of transgender actor and activist Nicole Maines whose identical twin brother Jonas and ordinary American family join her on an extraordinary journey to understand nurture and celebrate the uniqueness in us all Nicole appears as TV's first transgender superhero on CW's Supergirl When Wayne and Kelly Maines adopted identical twin boys they thought their lives were complete But by the time Jonas and Wyatt were toddlers confusion over Wyatt's insistence that he was female began to tear the family apart In the years that followed the Maineses came to question their long-held views on gender and identity to accept Wyatt's transition to Nicole and to undergo a wrenching transformation of their own the effects of which would reverberate through their entire community Pulitzer Prize-winning journalist Amy Ellis Nutt spent almost four years reporting this story and tells it with unflinching honesty intimacy and empathy In her hands *Becoming Nicole* is more than an account of a courageous girl and her extraordinary family It's a powerful portrait of a slowly but surely changing nation and one that will inspire all of us to see the world with a little more humanity and understanding Named One of the Ten Best Books of the Year by People One of the Best Books of the Year by The New York Times Book Review and Men's Journal A Stonewall Honor Book in Nonfiction Finalist for the Lambda Literary Award for Transgender Nonfiction Fascinating and enlightening Cheryl Strayed If you aren't moved by *Becoming Nicole* I'd suggest there's a lump of dark matter where your heart should be The New York Times Exceptional Stories move the walls that need to be moved Nicole told her father last year In telling Nicole's story and those of her brother and parents luminously and with great compassion and intelligence

that is exactly what Amy Ellis Nutt has done here *The Washington Post* A profoundly moving true story about one remarkable family's evolution *People Becoming Nicole* is a miracle It's the story of a family struggling with and embracing a transgender child But more than that it's about accepting one another and ourselves in all our messy contradictory glory Jennifer Finney Boylan former co chair of GLAAD and author of *She's Not There: A Life in Two Genders* [The Biggest Little Cat Book in the World](#) Helen Powers, 1977 **The Dreaming Suburb** R. Brady,2016-04-26 God gives each of us stories to tell He teaches us life lessons through our everyday experiences We have opportunities to take the lessons we have learned and share them with others to bring glory to God while encouraging our listeners to draw closer to Him The telling about what God has taught us is our story This book is a compilation of stories and devotions gleaned from the authors experiences as a middle school teacher a preacher and unfortunately a sinner In his unique voice the author has blended scripture with his stories to reveal the lessons God taught him These experiences are not uncommon to any Christian who encounters people everyday and has children grandchildren or a spouse Almost everyone will be able to relate to the stories in this book Many of the selections will make you laugh while others are touching and heartwarming and will possibly bring a few tears Preachers Teachers and Other Sinners is an entertaining book Of course not everyone is a preacher or a teacher but all of us sin occasionally This book was written with the purpose of directing the reader to a loving Savior who desires to draw all people to God no matter who they are
