Whalen, 2025-01-03 What do an ancient Jewish King an entire New Testament church and a poor English tinker have in common The answer is a fierce battle with assurance doubt King David the Ephesian church John Bunyan and countless others have all wrestled with the assurance of salvation In this book Whalen deftly weaves in the work of giants in the fields of theology philosophy psychiatry and psychology as he identifies the root causes of assurance doubt and explains how struggles with assurance may become a devastating and long lasting problem More importantly as the title suggests he also reveals how these obstacles to assurance can be overcome Frank has been a football coach for many years so fittingly the subtitle of this book is Your Winning Game Plan for Making your Calling and Election Sure However that subtitle is not just a catchy phrase Like the hundreds of game plans Frank received and developed as a player and coach he explains and organizes this book in a very thorough logical yet practical manner So pick out a good seat in the Team Room and begin reading Overcoming the Five Obstacles to Assurance Your Winning Game plan for Making Your Calling and Election Sure

Eternal Security Proved! Phillip Evans, 2008-04-30 Clear proof from the Bible that once you are saved by placing trust in Christ as your Savior you can never be lost again Difficult passages from Scripture are tackled head on and explained with clarity Do you sometimes doubt your salvation If you do then know that this is not a product of living by faith This is why the fear that you can lose your salvation is a hindrance to your Christian walk If the doctrine of unconditional security is true then to disbelieve it is to disbelieve God God has given us the truth in His Word It is up to us to know it and apply it so that we can live the victorious Christian life as our Lord and Savior Jesus Christ intends us to

An Examination of the Theme of Discipleship in The Seven Churches of Revelation Steve L. Roy, 2021-09-15 Go and make disciples Our command is clear our mission is given But what exactly is a disciple and what does discipleship really mean In An Examination of the Theme of Discipleship in the Seven Churches of Revelation Dr Steve Roy takes the reader to the book of Revelation and to the specific letters from Jesus Christ himself These letters help the reader to discover dramatically important conclusions as to what discipleship is and what it means to be a disciple Through each of the letters to the seven churches Jesus follows a particular pattern of discipleship and applies it to the specific churches in western Asia Minor These patterns and instructions are just as relevant for us today as they were when John the Revelator sent them This book is written for the person who wants to take discipleship seriously and for the pastor who stands before his congregation weekly with the purpose of making disciples

Points of Grace Stuart Cedrone, *Points of Grace Empowerment for Hard Times* answers many profound questions Why does God seem like a hard man to some people Why are we incapable of crying out to God in authentic ways except during times of extremity How does God get past our self defense mechanisms Does God accept us as we are with our sin Have we messed up so badly that there is no fixing it Can we honestly face our feelings of remorse bitterness anger fear and insecurity Is it possible to have a biblically based assurance of our being truly born again What good is outward obedience if our hearts are lusting after the things of the world What do we do when we don t feel like doing what we know we ought to do Why would God want to restore our miserable lives when He could let us die This book helps readers understand how God s grace works in the life of the believer illuminating the practical steps needed for an authentic relationship with God It is illustrated with the author s own experience of rising from the darkness of doubt and self loathing into the light of honesty and assurance **The Life of the Lord Jesus Christ: a Complete Critical Examination of the Origin, Contents, and Connection of the Gospels.
