Minette Walters, 2009-04-02 A psychological thriller about race family and the brutal power of raw emotion Mrs Ranelagh has never stopped thinking about the dead body she found in the gutter twenty years ago during Britain's Winter of Discontent Mad Annie as she was known was the only black resident of her West London neighborhood and openly despised by the community The police called her death an accident but Mrs Ranelagh has always suspected it was murder However her pleas for an investigation were met with a vicious hate campaign that drove her and her husband from the country Now determined to uncover the truth Mrs Ranelagh has returned to England where she quickly discovers a sordid trail of domestic violence racism and adultery that shockingly could lead back to her own family **Computer Vision -- ACCV**

reviewers to each paper taking into consideration any conflicts of interest and the balance of loads. Once the reviews were finished, the Area Chairs made summary reports for the papers in their pools based on the reviewers' comments and on their own assessments of the papers.
