Bible-Shaped Teaching John Shortt, 2014-12-17 The Bible can and should be an environment in which we live and move and have our being an environment in which we are shaped by God in different and interrelated ways As with aspects of our physical environment we may have never noticed many elements of this spiritual environment before or may have only the vaguest sense of their influence While we may be more familiar with certain elements we may not realize the full extent of their influence or be too preoccupied to see how they relate to form the larger whole of how we are shaped This book looks one by one at several ways in which the Bible's environment influences us as people and in particular shapes our beliefs attitudes and practices as teachers in the classroom It is concerned with helping readers to be at one and the same time faithful to our common calling as educators and faithful to the Scriptures as Christians

The Bible's Many Voices Michael Carasik, 2014-01-01 The most common English translations of the Bible often sound like a single somewhat archaic voice In fact the Bible is made up of many separate books composed by multiple writers in a wide range of styles and perspectives It is as Michael Carasik demonstrates not a remote text reserved for churches and synagogues but rather a human document full of history poetry politics theology and spirituality Using historic linguistic anthropological and theological sources Carasik helps us distinguish between the Jewish Bible's voices the mythic the historical the prophetic the theological and the legal By articulating the differences among these voices he shows us not just their messages and meanings but also what mattered to the authors In these contrasts we encounter the Bible anew as a living work whose many voices tell us about the world out of which the Bible grew and the world that it created
