Color and Shape Books for All Ages calls attention to more than 450 titles focused on the concepts of color and shape. Cover **Any Shape or Form** Elizabeth Daly, 2012-12-15 From Agatha Christie's favorite American author a bookish sleuth attempts to solve the murder of a spiritual eccentric at a wealthy estate. Just about any of the guests at Johnny Redfield's party seems to have a good reason to have killed the guest of honor Johnny's Californian aunt who with her astral name and vague pretensions of mysticism does not exactly blend in the elegant New York atmosphere that surrounds her. And what's more no one has a solid alibi. It will take all of Henry Gamadge's ingenuity to figure out this closed room mystery. **The Giant Encyclopedia of Theme Activities for Children 2 to 5** Kathy Charner, 1993 This popular potpourri of over 600 classroom tested activities actively engages children's imaginations and provides many months of learning fun. Organized into 48 popular themes from Dinosaurs to Circus to Outer Space these favorite activities are the result of a nationwide competition. Join the ranks of teachers who are already using and loving this valuable resource. Shape George Stiny, 2006-04-07 How design is calculating with shapes formal details and design applications. *The Holy Trinity of American Sports* Craig A. Forney, 2010 The Holy Trinity of American Sports explores how football, baseball, and basketball interact to illustrate civil religion in the United States. These three sports mark movement through one year in the country providing extended seasons to supplement holidays like Memorial Day and the Fourth of July. Year after year they generate ritual actions of daily, weekly, yearly, and once in a lifetime significance. Football, baseball, and basketball portray three core stories of national worldview. Football depicts stories about the realities of life within history while baseball expresses mythic aspiration for an ideal future. Basketball presents narrative of irreversible progress, story of fast paced movement to highly productive conditions. Through stories of life the three games convey doctrines about the source of truth, where to find knowledge of truths, and how to solve problems. Beyond doctrinal convictions they disclose ethical beliefs of the nation for the worst, best, and most common situations. Functioning as a unit the sports trinity communicates commitments to certain social arrangements offering directives for interaction with people outside and inside the country. Football, baseball, and basketball possess great importance in the United States because they

provide comprehensive and detailed illustration of American beliefs **The Shape of Night** Tess Gerritsen, 2020-06-30 A woman trying to outrun her past is drawn to a coastal village in Maine and to a string of unsolved murders in this novel of romance and psychological suspense from New York Times bestselling author Tess Gerritsen Suspenseful sexy and soulful J R Ward bestselling author of the Black Dagger Brotherhood series After an unspeakable tragedy in Boston Ava Collette flees to a remote village in Maine where she rents an old house named Brodie s Watch In that isolated seaside mansion Ava finally feels at peace until she glimpses the long dead sea captain who still resides there Rumor has it that Captain Jeremiah Brodie has haunted the house for more than a century One night Ava confronts the apparition who feels all too real and who welcomes her into his world and into his arms Even as Ava questions her own sanity she eagerly looks forward to the captain s ghostly visits But she soon learns that the house she loves comes with a terrible secret a secret that those in the village don t want to reveal Every woman who has ever lived in Brodie s Watch has also died there Is the ghost of Captain Brodie responsible or is a flesh and blood killer at work A killer who is even now circling closer to Ava Praise for The Shape of Night Gerritsen is at her atmospheric best in this spine tingling tale of a lone woman an old house and all the secrets everyone tries to hide Lisa Gardner 1 New York Times bestselling author With a twisty mix of dangerous passion obsession and suspense Tess Gerritsen reinvents the Gothic novel giving it a razor sharp modern edge Jayne Ann Krentz New York Times bestselling author of Untouchable Curl up in your favorite reading chair and let Tess Gerritsen whisk you away to a coastal town reminiscent of Daphne du Maurier s best settings You are in for a dark and sexy night and you will be up very late with Tess s twisted haunting tale Iris Johansen 1 New York Times bestselling author
