

SHAPING THE EIGHTEENTH
AMENDMENT

Temperance Reform, Legal Culture, and the Polity, 1880-1920

RICHARD F. HAMM

Shaping The Eighteenth Amendment

Sean Beienburg

Shaping The Eighteenth Amendment:

Shaping the Eighteenth Amendment Richard F. Hamm, 2000-11-09 Richard Hamm examines prohibitionists struggle for reform from the late nineteenth century to their great victory in securing passage of the Eighteenth Amendment Because the prohibition movement was a quintessential reform effort Hamm uses it as a case study to advance a general theory about the interaction between reformers and the state during the Gilded Age and Progressive Era Most scholarship on prohibition focuses on its social context but Hamm explores how the regulation of commerce and the federal tax structure molded the dries crusade Federalism gave the dries a restricted setting individual states as a proving ground for their proposals But federal policies precipitated a series of crises in the states that the dries strove to overcome According to Hamm interaction with the federal government system helped to reshape prohibitionists legal culture that is their ideas about what law was and how it could be used Originally published in 1995 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

The Coming of Southern Prohibition Michael Lewis, 2016-06-06 In *The Coming of Southern Prohibition* Michael Lewis examines the rise and fall of South Carolina s state run liquor dispensary system from its emergence in the 1890s until statewide prohibition in 1915 The dispensary system requiring government owned outlets to bottle and sell all alcohol began as a way to both avoid prohibition and enrich governmental coffers In this revealing study Lewis offers a more complete rendering of South Carolina s path to universal prohibition and thus sharpens our understanding of historical southern attitudes towards race religion and alcohol By focusing on the Aiken County border town of North Augusta South Carolina Lewis details how their lucrative dispensary operation which promised to both reduce alcohol consumption and generate funding for the county s cash strapped government delayed statewide prohibition by nearly a decade Aided by Georgia s adoption of dry laws in 1907 Aiken County profited from alcohol sales to Georgians crossing the state line to drink Lewis shows in fact that the Aiken County dispensary at the foot of the bridge connecting South Carolina to Georgia sold more liquor than any other store in the state Notwithstanding the moral debates surrounding temperance the money resulting from dispensary sales helped pave roads build parks and schools and keep county and municipal taxes the lowest in South Carolina The power of this revenue is notable as Lewis reveals given the rejection of prohibition laws voiced by the rural native born Protestant population in Aiken County which diverged from the sentiment of their peers in other parts of the region Lewis s socio cultural analysis which includes the impact of adjacent mill villages and African American communities employs statistical findings to reveal an interplay of political and economic factors that ultimately overwhelmed any profit margin and ushered in statewide prohibition in 1915 Original and enlightening *The Coming of Southern Prohibition* explores a single community as it wrestled with the ethical and financial stakes of alcohol

consumption and sale amid a national discourse that would dominate American life in the early twentieth century

Encyclopedia of the Jazz Age: From the End of World War I to the Great Crash James Ciment, 2015-04-08 This illustrated encyclopedia offers in depth coverage of one of the most fascinating and widely studied periods in American history Extending from the end of World War I in 1918 to the great Wall Street crash in 1929 the Jazz age was a time of frenetic energy and unprecedented historical developments ranging from the League of Nations woman suffrage Prohibition the Red Scare the Ku Klux Klan the Lindberg flight and the Scopes trial to the rise of organized crime motion pictures and celebrity culture Encyclopedia of the Jazz Age provides information on the politics economics society and culture of the era in rich detail The entries cover themes personalities institutions ideas events trends and more and special features such as sidebars and photos help bring the era vividly to life Prohibition, the Constitution, and States' Rights Sean Beienburg, 2019-06-27 Colorado's legalization of marijuana spurred intense debate about the extent to which the Constitution preempts state enacted laws and statutes Colorado's legal cannabis program generated a strange scenario in which many politicians including many who freely invoke the Tenth Amendment seemed to be attacking the progressive state for asserting states rights Unusual as this may seem this has happened before in the early part of the twentieth century as America concluded a decades long struggle over the suppression of alcohol during Prohibition Sean Beienburg recovers a largely forgotten constitutional debate revealing how Prohibition became a battlefield on which skirmishes of American political development including the debate over federalism and states rights were fought Beienburg focuses on the massive extension of federal authority involved in Prohibition and the passage of the Eighteenth Amendment describing the roles and reactions of not just Congress the presidents and the Supreme Court but political actors throughout the states who jockeyed with one another to claim fidelity to the Tenth Amendment while reviling nationalism and nullification alike The most comprehensive treatment of the constitutional debate over Prohibition to date the book concludes with a discussion of the parallels and differences between Prohibition in the 1920s and debates about the legalization of marijuana today The SAGE Encyclopedia of Alcohol Scott C. Martin, 2014-12-16 Alcohol consumption goes to the very roots of nearly all human societies Different countries and regions have become associated with different sorts of alcohol for instance the beer culture of Germany the wine culture of France Japan and saki Russia and vodka the Caribbean and rum or the moonshine culture of Appalachia Wine is used in religious rituals and toasts are used to seal business deals or to celebrate marriages and state dinners However our relation with alcohol is one of love hate We also regulate it and tax it we pass laws about when and where it's appropriate we crack down severely on drunk driving and the United States and other countries tried the failed Noble Experiment of Prohibition While there are many encyclopedias on alcohol nearly all approach it as a substance of abuse taking a clinical medical perspective alcohol alcoholism and treatment The SAGE Encyclopedia of Alcohol examines the history of alcohol worldwide and goes beyond the historical lens to examine alcohol as a cultural and social phenomenon as

well both for good and for ill from the earliest days of humankind

Signposts Sally E. Hadden, Patricia Hagler Minter, 2013-04-01 In *Signposts* Sally E. Hadden and Patricia Hagler Minter have assembled seventeen essays by both established and rising scholars that showcase new directions in southern legal history across a wide range of topics, time periods, and locales. The essays will inspire today's scholars to dig even more deeply into the southern legal heritage in much the same way that David Bodenhamer and James Ely's seminal 1984 work *Ambivalent Legacy* inspired an earlier generation to take up the study of southern legal history. Contributors to *Signposts* explore a wide range of subjects related to southern constitutional and legal thought, including real and personal property, civil rights, higher education, gender, secession, reapportionment, prohibition, lynching, legal institutions such as the grand jury, and conflicts between bench and bar. A number of the essayists are concerned with transatlantic connections to southern law and with marginalized groups such as women and native peoples. Taken together, the essays in *Signposts* show us that understanding how law changes over time is essential to understanding the history of the South. Contributors: Alfred L. Brophy, Lisa Lindquist Dorr, Laura F. Edwards, James W. Ely Jr., Tim Alan Garrison, Sally E. Hadden, Roman J. Hoyos, Thomas N. Ingersoll, Jessica K. Lowe, Patricia Hagler Minter, Cynthia Nicoletti, Susan Richbourg Parker, Christopher W. Schmidt, Jennifer M. Spear, Christopher R. Waldrep, Peter Wallenstein, Charles L. Zelden.

Liquor in the Land of the Lost Cause Joe Coker, 2007-12-14 In the late 1800s, Southern evangelicals believed contemporary troubles—everything from poverty to political corruption to violence between African Americans and whites—sprang from the bottles of demon rum regularly consumed in the South. Though temperance quickly gained support in the antebellum North, Southerners cast a skeptical eye on the movement because of its ties with antislavery efforts. Postwar evangelicals quickly realized they had to make temperance appealing to the South by transforming the Yankee moral reform movement into something compatible with southern values and culture. In *Liquor in the Land of the Lost Cause: Southern White Evangelicals and the Prohibition Movement*, Joe L. Coker examines the tactics and results of temperance reformers between 1880 and 1915. Though their denominations traditionally forbade the preaching of politics from the pulpit, an outgrowth of evangelical fervor led ministers and their congregations to sound the call for prohibition. Determined to save the South from the evils of alcohol, they played on southern cultural attitudes about politics, race, women, and honor to communicate their message. The evangelicals were successful in their approach, negotiating such political obstacles as public disapproval, the church's role in politics, and vehement opposition to prohibition voiced by Jefferson Davis. The evangelical community successfully convinced the public that cheap liquor in the hands of African American beasts and drunkard husbands posed a serious threat to white women. Eventually, the code of honor that depended upon alcohol-centered hospitality and camaraderie was redefined to favor those who lived as Christians and supported the prohibition movement. *Liquor in the Land of the Lost Cause* is the first comprehensive survey of temperance in the South. By tailoring the prohibition message to the unique context of the American South, southern evangelicals transformed the region into a hotbed of

temperance activity leading the national prohibition movement **The Oxford Companion to United States History** Paul S. Boyer, 2001-07-04 Here is a volume that is as big and as varied as the nation it portrays With over 1 400 entries written by some 900 historians and other scholars it illuminates not only America s political diplomatic and military history but also social cultural and intellectual trends science technology and medicine the arts and religion Here are the familiar political heroes from George Washington and Benjamin Franklin to Abraham Lincoln Woodrow Wilson and Franklin D Roosevelt But here too are scientists writers radicals sports figures and religious leaders with incisive portraits of such varied individuals as Thomas Edison and Eli Whitney Babe Ruth and Muhammed Ali Black Elk and Crazy Horse Margaret Fuller Emma Goldman and Marian Anderson even Al Capone and Jesse James The Companion illuminates events that have shaped the nation the Great Awakening Bunker Hill Wounded Knee the Vietnam War major Supreme Court decisions Marbury v Madison Roe v Wade landmark legislation the Fugitive Slave Law the Pure Food and Drug Act social movements Suffrage Civil Rights influential books The Jungle Uncle Tom s Cabin ideologies conservatism liberalism Social Darwinism even natural disasters and iconic sites the Chicago Fire the Johnstown Flood Niagara Falls the Lincoln Memorial Here too is the nation s social and cultural history from Films Football and the 4 H Club to Immigration Courtship and Dating Marriage and Divorce and Death and Dying Extensive multi part entries cover such key topics as the Civil War Indian History and Culture Slavery and the Federal Government A new volume for a new century The Oxford Companion to United States History covers everything from Jamestown and the Puritans to the Human Genome Project and the Internet from Columbus to Clinton Written in clear graceful prose for researchers browsers and general readers alike this is the volume that addresses the totality of the American experience its triumphs and heroes as well as its tragedies and darker moments *Encyclopedia of Religion in the South* Samuel S. Hill, Charles H. Lippy, Charles Reagan Wilson, 2005 The publication of the Encyclopedia of Religion in the South in 1984 signaled the rise in the scholarly interest in the study of Religion in the South Religion has always been part of the cultural heritage of that region but scholarly investigation had been sporadic Since the original publication of the ERS however the South has changed significantly in that Christianity is no longer the primary religion observed Other religions like Judaism Buddhism and Hinduism have begun to have very important voices in Southern life This one volume reference the only one of its kind takes this expansion into consideration by updating older relevant articles and by adding new ones After more than 20 years the only reference book in the field of the Religion in the South has been totally revised and updated Each article has been updated and bibliography has been expanded The ERS has also been expanded to include more than sixty new articles on Religion in the South New articles have been added on such topics as Elvis Presley Appalachian Music Buddhism Bill Clinton Jerry Falwell Fannie Lou Hamer Zora Neale Hurston Stonewall Jackson Popular Religion Pat Robertson the PTL Sports and Religion in the South theme parks and much more This is an indispensable resource for anyone interested in the South religion or cultural history **The Farmer's Benevolent Trust** Victoria Saker

Woeste, 1998 Americans have always regarded farming as a special calling one imbued with the Jeffersonian values of individualism and self sufficiency As Victoria Saker Woeste demonstrates farming s cultural image continued to shape Americans expectations of rural
