Sharing Jesus with Muslims Fouad Adel Masri, Stan Guthrie, 2022-10-11. A practical starting point for Christians to share the hope of Jesus with Muslims. Since September 11th 2001, relationships between Christians and Muslims have been defined by fear. Increasing violence in the Middle East has caused Islam to be associated with persecution and terrorism, and has led many Christians to view Muslims as the enemy. But the Bible provides clear instruction to move past fear and share the Gospel with all peoples, including Muslims. Every Christian can be an ambassador of Christ to Muslims even without becoming an expert on Islam. In *Sharing Jesus with Muslims*, Fouad Masri encourages Christians to set aside fear, excuses, and differences and share the good news of Jesus. Rich with stories and conversation starters, the book gives readers tangible and respectful ways to initiate friendships and minister to the felt needs of Muslims. *Sharing Jesus with Muslims* serves as a step-by-step guide for effective witnessing and includes conversation starters, insight into Muslim culture including do's and don'ts, biblical responses to issues relevant to Islam, stories with practical application from Masri's forty years of ministry to Muslims, discipleship materials for ministering to Muslims, void of judgement or guilt trips. Pastors, ministry leaders, and everyday Christians will find their relationships with Muslims enhanced by the principles in this book. Pick up *Sharing Jesus with Muslims* and discover the joy of serving and relating to Muslims.

Communicating Christ in the Buddhist World David S. Lim, Paul H. De Neui, 2006. We issue this book amidst the challenges arising from the resurgence of religions in the various nations of the post-modern world. As Islamic fundamentalism grabs the headlines, Buddhist fundamentalism has also been on the rise, particularly in Southeast Asia, mainly in reaction to the conversionist incursions of Islam and Christianity among them. Over the last thirty years, Buddhism has also seen growth in the West as its non-dogmatic, rationality, offer of spiritual mentoring, and opportunity for personal transformation have made it attractive to post-modern society. Are there both theological approaches as well as practical strategies for evangelical Christians to use our evangelization efforts among Buddhists without any unnecessary problems to the increasing conflicts in the encounter of religions? We believe there are. This is the fourth and latest volume in the Buddhist World series which includes *Sharing Jesus in the Buddhist World*, *Sharing Jesus Holistically with the Buddhist World*, and *Sharing Jesus Effectively in the Buddhist World*. Compiled from papers presented at the annual SEANET Missiological Forum in Thailand, *Communicating Christ in the Buddhist World* delivers fresh insights from mission theologians and practitioners. The first four chapters reflect on the theological framework by which Christians can fulfill the biblical mandate to evangelize and transform peoples. The next five chapters consider the significant sociological issues that have arisen in the Christian encounter with Buddhist peoples. The final three suggest some strategic ways forward for effective evangelism in the Buddhist world. May this book challenge the international Christian community to find better ways

of relating to and approaching people of other faiths *Sharing Jesus without Freaking Out* Alvin Reid, 2017-04-01 You were born for this God hardwired you yes you for this I m talking about sharing Jesus with others What if I told you evangelism is less about delivering a polished presentation and more about having a real conversation What if I told you that God has created you to bring glory to himself by sharing Jesus with others and that you don t need years of training to obey what he already made you to do God created you for his glory to advance his gospel with the gifts talents and opportunities he gave you You live at this time in history for a purpose bigger than yourself In these pages you will read how to connect the gospel story with your story and how to talk about that story in normal conversations with people you know No gimmicks Nothing clever No need to freak out Just you Jesus and others in conversations that matter
