AT BETHANY Herschel E. Moore, 2010-02-03 *AT BETHANY Sermons and Essays* is a collection of some of the most effective and thought provoking works of the author during his tenure at Bethany Christian Church in Houston a church known for sound preaching since its founding by Dr Elmer D Henson in 1947 These writings bring the Gospel of Christ to bear upon issues of political and social concern such as war poverty and the environment as well as matters of personal discipleship

Heart of Gold Ricky Jones Jr., 2012-05 *Heart of Gold* is a book about forgiveness and freedom Releasing the bitterness and sorrow from the past and embracing the treasures of God s kingdom My soul is baptized in the bluest ocean and I have found my greatest treasure A heart of gold

Origins of the Dream W. Jason Miller, 2015-02-03 Since Martin Luther King Jr s I Have a Dream speech some scholars have privately suspected that King s dream was connected to Langston Hughes s poetry Drawing on archival materials including notes correspondence and marginalia W Jason Miller provides a completely original and compelling argument that Hughes s influence on King s rhetoric was in fact evident in more than just the one famous speech King s staff had been wiretapped by J Edgar Hoover and suffered accusations of communist influence so quoting or naming the leader of the Harlem Renaissance who had his own reputation as a communist would only have intensified the threats against the civil rights activist Thus the link was purposefully veiled through careful allusions in King s orations In *Origins of the Dream* Miller lifts that veil and shows how Hughes s revolutionary poetry became a measurable inflection in King s voice He contends that by employing Hughes s metaphors in his speeches King negotiated a political climate that sought to silence the poet s subversive voice By separating Hughes s identity from his poems King helped the nation unconsciously embrace the incendiary ideas behind his poetry

The definitive biography of president Franklin Delano Roosevelt for young adult readers from National Book Award finalist Albert Marrin is a must have for anyone searching for President's Day reading. Brought up in a privileged family, Franklin Delano Roosevelt had every opportunity in front of him. As a young man, he found a path in politics and quickly began to move into the public eye. That ascent seemed impossible when he contracted polio and lost the use of his legs. But with a will of steel, he fought the disease and public perception of his disability to become president of the United States of America. FDR used that same will to guide his country through a crippling depression and a horrendous world war. He understood Adolf Hitler and what it would take to stop him before almost any other world leader did. But to accomplish his greater goals, he made difficult choices that sometimes compromised the ideals of fairness and justice. FDR is one of America's most intriguing presidents, lionized by some and villainized by others. National Book Award finalist Albert Marrin explores the life of a fascinating complex man who was ultimately one of the greatest leaders our country has known.
