Shaw Lady Gregory And The Abbey A Correspondence And A Record:

Shaw, Lady Gregory and the Abbey, a Correspondence and a Record Dan H. Laurence Collection, Nicholas Grene, Bernard Shaw, Lady Gregory, 1990 *Bernard Shaw and the Making of Modern Ireland* Audrey McNamara, Nelson O’Ceallaigh Ritschel, 2020-07-13 This book is an anthology focused on Shaw s efforts literary and political that worked toward a modernizing Ireland Following Declan Kiberd s Foreword and the editor s Introduction the contributing chapters in their order of appearance are from President of Ireland Michael D Higgins Anthony Roche David Clare Elizabeth Mannion Nelson O Ceallaigh Ritschel Aisling Smith Susanne Colleary Audrey McNamara Aileen R Ruane Peter Gahan and Gustavo A Rodriguez Martin The essays establish that Shaw s Irishness was inherent and manifested itself in his work demonstrating that Ireland was a recurring feature in his considerations Locating Shaw within the march towards modernizing Ireland furthers the recent efforts to secure Shaw s place within the Irish spheres of literature and politics **The Irish Dramatic Revival 1899-1939** Anthony Roche, 2015-02-26 The Irish Dramatic Revival was to radically redefine Irish theatre and see the birth of Ireland s national theatre the Abbey in 1904 From a consideration of such influential precursors as Boucicault and Wilde Anthony Roche goes on to examine the role of Yeats as both founder and playwright the one who set the agenda until his death in 1939 Each of the major playwrights of the movement refashioned that agenda to suit their own very different dramaturgies Roche explores Synge s experimentation in the creation of a new national drama and considers Lady Gregory not only as a co founder and director of the Abbey Theatre but also as a significant playwright A chapter on Shaw outlines his important intervention in the Revival O Casey s four ground breaking Dublin plays receive detailed consideration as does the new Irish modernism that followed in the 1930s and which also witnessed the founding of the Gate Theatre in Dublin The Companion also features interviews and essays by leading theatre scholars and practitioners Paige Reynolds P J Mathews and Conor McPherson who provide further critical perspectives on this period of radical change in modern Irish theatre

Shaw and History Gale K. Larson, 1999 This special issue of Shaw offers ten articles that focus on the theme of Shaw and History That focus illuminates Shaw s concept of history as art and its uses for dramatic purposes It is a focus that is broadly applied to the historical perspective Views range from Shaw s uses of historical sources in the Shavianizing of history his uses of historical geographical and political places and events in his work to views that place selected Shavian works within a historical context Stanley Weintraub discusses Shaw s references to Cetewayo Zulu chieftain in *Cashel Byron s Profession* as the first incorporation of a contemporary historical figure into his work John Allett explores the liberal socialist and radical feminist views of prostitution in nineteenth century England and demonstrates how those political views are developed within the unfolding action of *Mrs Warren s Profession* Sidney P Albert studies the Utopian movement *The Garden City* to determine the extent to which that movement influenced Shaw s conception of *Perivale St Andres* in *Major Barbara* He also narrates his personal attempt to identify the Ballycorus smelting works and its surroundings as well as the campanile or Folly at

Faringdon as sites that provided the scenic sources for Perivale St Andres in Major Barbara Gale K Larson has edited a partially unpublished Shavian manuscript that addresses Shaw's relationship with Frank Harris and among other matters sets the historical record right as to who deserves the credit for attributing the identity of the Dark Lady of the Sonnets to Mary Fitton He also examines the historical sources that influenced Shaw's views on Charles II the Merry Monarch in In Good King Charles's Golden Days and demonstrates Shaw's reclamation of yet another historical figure from the traditional historians David Gunby examines the first night performance of O'Flaherty V C for purposes of setting the historical record straight as to the facts of that production Wendi Chen presents the stage history of the production of Mrs Warren's Profession in China during the early 1920s and argues its central role in shaping modern Chinese drama Rodelle Weintraub assesses Too True to Be Good as a dream play within the context of the nightmarish times of World War I Michael M O'Hara surveys the Federal Theatre's productions of Androcles and the Lion in the 1930s to reveal the political and religious repressions that those productions underscore Shaw 19 also includes three reviews of recent additions to Shavian scholarship as well as John R Pfeiffer's Continuing Checklist of Shaviana George Bernard Shaw in Context Brad Kent, 2015-10-14 When George Bernard Shaw died in 1950 the world lost one of its most well known authors a revolutionary who was as renowned for his personality as he was for his humour humanity and rebellious thinking He remains a compelling figure who deserves attention not only for how influential he was in his time but for how relevant he is to ours This collection sets Shaw's life and achievements in context with forty two scholarly essays devoted to subjects that interested him and defined his work Contributors explore a wide range of themes moving from factors that were formative in Shaw's life to the artistic work that made him most famous and the institutions with which he worked to the political and social issues that consumed much of his attention and finally to his influence and reception Presenting fresh material and arguments this collection will point to new directions of research for future scholars Bernard Shaw and the Censors Bernard F. Dukore, 2020-10-06 Dukore's style is fluid and his wit delightful I learned a tremendous amount as will most readers and Bernard Shaw and the Censors will doubtless be the last word on the topic Michel Pharand former editor of SHAW The Journal of Bernard Shaw Studies and author of Bernard Shaw and the French 2001 This book shows us a new side of Shaw and his complicated relationships to the powerful mechanisms of stage and screen censorship in the long twentieth century Lauren Arrington Professor of English Maynooth University Ireland A fresh view of Shaw versus stage and screen censors this book describes Shaw as fighter and failure whose battles against censorship of his plays and those of others of his works for the screen and those of others he sometimes won but usually lost We forget usually because ultimately he prevailed and because his witty reports of defeats are so buoyant they seem to describe triumphs We think of him as a celebrity not an outsider as a classic not one of the avant garde of which Victorians and Edwardians were intolerant as ahead of his time not of it when he was called disgusting immoral and degenerate Yet it took over three decades and a world war before British

censors permitted a public performance of Mrs Warren's Profession. We remember him as an Academy Award winner for *Pygmalion*, not as an author whose dialogue censors required deletions for showings in the United States. Scrutinizing the powerful stage and cinema censorship in Britain and America, this book focuses on one of its most notable campaigners against them in the last century. 1992, Shaw and the Last Hundred Years Bernard Frank Dukore, 1994. In 1892 the first production of Bernard Shaw's first play *Widowers Houses* heralded the birth of modern drama in the English language. One hundred years later a group of Shavians gathered to examine the significance and influence of Shaw's drama in the English-speaking world. The conference sponsored by Virginia Polytechnic Institute and State University brought together theater scholars, critics, and artists from Canada, England, Ireland, and the United States. The conference also featured productions of *The Shewing up of Blanco Posnet*, *The Man of Destiny*, and *Farfetched Tales*, each followed by a symposium. The centennial conference not only marked the importance of the event but also stimulated new ways of regarding that historic moment: reexaminations of the significance of Shaw's plays and explorations of their consequences. Some speakers reevaluated the genesis of the first production of *Widowers Houses* and its social, cultural, and theatrical context. Some brought to bear on the subject of Shavian drama recent critical perspectives such as feminism, deconstructionism, and the type of close textual and intertextual scrutiny seldom accorded Shaw. Others explored his impact in England, America, Ireland, and the Antipodes. Still others examined the relationship of comedy and ideas, subtext, and how this Victorian dramatist remains pertinent today. The conference concluded with a symposium that aimed to assess what might lie ahead for Shaw on page and stage in the next hundred years. This volume records the proceedings of the conference as well as reviews and the continuing checklist of Shaviana. Contributors are Peter Barnes, Charles A. Berst, Montgomery Davis, Bernard F. This work provides an overview of Irish theatre read in the light of Ireland's self-definition. Mediating between history and its relations with politics and art, it attempts to do justice to the enabling and mirroring preoccupations of Irish drama. **High and Low Moderns** Maria DiBattista, Lucy McDiarmid, 1996. Publisher description. **Shaw** Fred D. Crawford, 1995-06-21. This is the annual edition of new studies of Shaw's life, influence, and work.
