Syria Munzer Eid Alzamalkani,2024-02-08 The aim of this book is to provide missing details of the Syrian revolution in
 2011 and to clear up the prevailing misconception about the war in Syria I offer in this book a different approach to
 observing the Syrian revolution by dividing it into phases and using more precise terms Thus I have divided the Syrian
 revolution into three phases 1 Revolution from below where popular and peaceful uprising was the mainstream character of
 the Syrian revolution 2 Internal war where mutual violence was spread formally and nationally after the formation of the
 Free Syrian Army FSA 3 Holy war Jihad where most revolutionaries have turned into national Jihadists accompanied with the
 arrival of global Jihadists to Syria to fight the Assad regime and to establish the Islamic State Caliphate Furthermore the
 rising and elapse of ISIS is investigated comprehensively in this book I use the term internal war rather than civil war in
 order to be more specific in analyzing the war in Syria Also the international relations of the Syrian revolution occupies
 considerable part of this book The behavior of states and sub state actors regionally and internationally and the stance of the
 international organizations towards the Syrian revolution are critically examined In addition the massacres and war crimes
 which have been committed by Bashar Assad Iran and their militias against the people in Syria are well documented in this
 book
