Upstream Mary Oliver, 2019-10-29 One of O The Oprah Magazine's Ten Best Books of the Year The New York Times bestselling collection of essays from beloved poet Mary Oliver There's hardly a page in my copy of Upstream that isn't folded down or underlined and scribbled on so charged is Oliver's language Maureen Corrigan NPR's Fresh Air Uniting essays from Oliver's previous books and elsewhere this gem of a collection offers a compelling synthesis of the poet's thoughts on the natural spiritual and artistic worlds The New York Times In the beginning I was so young and such a stranger to myself I hardly existed I had to go out into the world and see it and hear it and react to it before I knew at all who I was what I was what I wanted to be So begins Upstream a collection of essays in which revered poet Mary Oliver reflects on her willingness as a young child and as an adult to lose herself within the beauty and mysteries of both the natural world and the world of literature Emphasizing the significance of her childhood friend Walt Whitman through whose work

she first understood that a poem is a temple a place to enter and in which to feel and who encouraged her to vanish into the world of her writing Oliver meditates on the forces that allowed her to create a life for herself out of work and love As she writes I could not be a poet without the natural world Someone else could But not me For me the door to the woods is the door to the temple Upstream follows Oliver as she contemplates the pleasure of artistic labor her boundless curiosity for the flora and fauna that surround her and the responsibility she has inherited from Shelley Wordsworth Emerson Poe and Frost the great thinkers and writers of the past to live thoughtfully intelligently and to observe with passion Throughout this collection Oliver positions not just herself upstream but us as well as she encourages us all to keep moving to lose ourselves in the awe of the unknown and to give power and time to the creative and whimsical urges that live within us **The Book of Nature** Barbara Mahany,2023-03-21 We live inside a nautilus of prayer if only we open our senses and perceive what is infused all around Throughout millennia and across the monotheistic religions the natural was often revered as a sacred text By the Middle Ages this text was given a name The Book of Nature the first best entry point for encounter with the divine The very act of reading the world of focusing our attention on each twinkling star and unfurling blossom humbles us and draws us into sacred encounter As we grapple to make sense of today s tumultuous world one where nature is at once a damaged and damaging source of disaster as well as a place of refuge and retreat we are called again to examine how generously it awaits our attention and devotion standing ready to be read by all Weaving together the astonishments of science the profound wisdom and literary gems of thinkers poets and observers who have come before us and her own spiritual practice and gentle observation Barbara Mahany reintroduces us to The Book of Nature an experiential framework of the divine God s first revelation came to us through an ongoing creation one that through stillness and attentiveness to the rumblings of the heavens the seasonal eruptions of earth the invisible pull of migration of tide and of celestial shiftings draws us into sacred encounter We needn t look farther for the divine *Find Your Story, Write Your Memoir* Lynn C. Miller,Lisa Lenard-Cook,2013-05-31 Every person has a story to tell but few beginners know how to uncover their story s narrative potential And despite a growing interest among students and creative writers few guides to the genre of memoirs and creative nonfiction highlight compelling storytelling strategies Addressing this gap the authors provide a guide to memoir writing that shows how an aspiring writer can use storytelling tools and tactics borrowed from fiction to weave personal experiences into the shape of a story **New and Selected Poems, Volume Two** Mary Oliver,2005-10-12 Understand I am always trying to figure out what the soul is and where hidden and what shape New and Selected Poems Volume Two an anthology of forty two new poems an entire volume in itself and sixty nine poems hand picked by Mary Oliver from six of her last eight books is a major addition to a career in poetry that has spanned nearly five decades Now recognized as an unparalleled poet of the natural world Mary Oliver writes with unmatched dexterity and a profound appreciation for the divergence and convergence of all living things Mary Oliver is always searching for the soul of things In poem after poem her

investigations go from the humble green bean that nourishes her and makes her wonder if something I can't name it watches as I walk the rows accepting the gift of their lives to assist mine to the vast untouchable bliss of things you can't reach But you can reach out to them and all day long The wind the bird flying away The idea of God Oliver's search grows and is informed by experience meditation perception and discernment And all the while during her quest she is constantly surprised and fortified by joy This graceful volume designed to be paired with *New and Selected Poems Volume One* includes new poems on birds toads flowers insects bodies of water and the extraordinary experience of the everyday in our lives In the words of Alicia Ostriker Mary Oliver moves by instinct faith and determination She is among our finest poets and still growing In both the older and new poems Mary Oliver is a poet at the height of her control of image and language
