Although representing the beginning of a new adventure in one man's life, this book is not just his story for it also offers a beautiful and breath taking collection of real life stories of others who walked a similar path and have found great healing and blessing through nature based spirituality. To many cultures the raven was and is a symbol of initiation into a new path. In sharing his own journey the author introduces readers to a world of like minded people who have stepped off the mainstream path onto the path of personal magic. As the ex-Catholic monk Thomas Moore says 'The soul has an absolute unforgiving need for regular excursions into enchantment. It requires them like the body needs food and the mind needs thought.'
