The American Midwest Andrew R. L. Cayton, Susan E. Gray, 2001-09-28 The American Midwest Essays on Regional History Edited by Andrew R L Cayton and Susan E Gray Is there a Midwest regional identity Read this lively exploration of the Midwestern identity crisis and find out Many would say that ordinariness is the Midwest s historic burden A writer living in Dayton Ohio recently suggested that dullness is a Midwestern trait The Midwest lacks grand scenery Just cornfields silos prairies and the occasional hill Dull He tries to put a nice face on Midwestern dullness by saying that Midwesterners like Shaker furniture are plain in the best sense unadorned Others have found Midwestern ordinariness stultifying Neil LaBute who makes films about mean and nasty people said he was negative because he came from Indiana We re brutally honest in Indiana We realize we re in the middle of nowhere and we re very sore about it from Chapter Five Barbecued Kentuckians and Six Foot Texas Rangers by Nicole Etcheson In a series of often highly personal essays the authors of The American Midwest all of whom are experts on various aspects of Midwestern history consider the question of regional identity as a useful way of thinking about the history of the American Midwest They begin with the assumption that Midwesterners have never been as consciously regional as Western or Southern Americans They note the peculiar absence of the Midwest from the recent revival of interest in American regionalism among both scholars and journalists These lively and well written chapters draw on personal experiences as well as a wide variety of scholarship This book will stimulate readers into thinking more concretely about what it has meant to be from the Midwest and why Midwesterners have traditionally been less assertive about their regional identity than other Americans It suggests that the best place to find Midwesternness is in the stories the residents of the region have told about themselves and each other Being Midwestern is mostly a state of mind It is always fluid always contested always being renegotiated Even the most frequent objection to the existence of Midwestern identity the fact that no one can agree on its borders is part of a larger regional conversation about the ways in which Midwesterners imagine themselves and their relationships with other Americans Andrew R L Cayton Distinguished Professor of History at Miami University in Oxford Ohio is author of numerous books and articles dealing with the history of the Midwest including Frontier Indiana Indiana University Press and with Peter S Onuf The Midwest and the Nation Susan E Gray Associate Professor of History at Arizona State University is author of Yankee West Community Life on the Michigan Frontier as well as numerous articles about Midwest history Midwestern History and Culture James H Madison and Andrew R L Cayton editors July 2001 256 pages 6 1 8 x 9 1 4 index append cloth 0 253 33941 3 35 00 s 26 50 Contents The Story of the Midwest An Introduction Seeing the Midwest with Peripheral Vision Identities Narratives and Region Liberating Contrivances Narrative and Identity in Ohio Valley Histories Pigs in Space or What Shapes American Regional Cultures

Barbecued Kentuckians and Six Foot Texas Rangers The Construction of Midwestern Identity Pi ing the Type Jane Grey Swisshelm and the Contest of Midwestern Regionality The Great Body of the Republic Abraham Lincoln and the Idea of a Middle West Stories Written in the Blood Race Identity and the Middle West The Anti region Place and Identity in the History of the American Middle West Midwestern Distinctiveness Middleness and the Middle West The American Midwest in Film and Literature Adam R. Ochonicky, 2021-12-22 A critical overview of the evolution contestation and fragmentation of the Midwest s symbolic and often contradictory meanings in American culture How do works from film and literature Sister Carrie Native Son Meet Me in St Louis Halloween and A History of Violence for example imagine reify and reproduce Midwestern identity And what are the repercussions of such regional narratives and images circulating in American culture In The American Midwest in Film and Literature Nostalgia Violence and Regionalism Adam R Ochonicky provides a critical overview of the evolution contestation and fragmentation of the Midwest s symbolic and often contradictory meanings Using the frontier writings of Frederick Jackson Turner as a starting point this book establishes a succession of Midwestern filmic and literary texts stretching from the late 19th century through the beginning of the 21st century and argues that the manifold properties of nostalgia have continually transformed popular understandings and ideological uses of the Midwest s place identity Ochonicky identifies three primary modes of nostalgia at play across a set of textual objects the projection of nostalgia onto physical landscapes and into the cultural sphere nostalgic spatiality nostalgia as a cultural force that regulates behaviors identities and appearances nostalgic violence and the progressive potential of nostalgia to generate an acknowledgment and possible rectification of ways in which the flawed past negatively affects the present nostalgic atonement While developing these new conceptions of nostalgia Ochonicky reveals how an under examined area of regional study has received critical attention throughout the histories of American film and literature as well as in related materials and discourses From the closing of the Western frontier to the polarized political and cultural climate of the 21st century this book demonstrates how film and literature have been and continue to be vital forums for illuminating the complex interplay of regionalism and nostalgia Ochonicky presents an important reading of how nostalgia shapes the Midwest in the American imagination as a place of identity and violence Past and present slip in this compelling and well researched approach to the workings of contemporary culture Vera Dika author of Recycled Culture in Contemporary Art and Film The Use of Nostalgia By centering the concept of region Adam Ochonicky provides an insightful and refreshing reading of American popular culture In texts ranging from Richard Wright s Native Son to John Carpenter s Halloween Ochonicky demonstrates the complex terrain of the Midwest in our cultural imaginary and the diverse memories and meanings we project upon it Kendall R Phillips author of A Place of Darkness The Rhetoric of Horror in Early American Cinema Syracuse University

Dictionary of Midwestern Literature, Volume Two Philip A. Greasley, 2016-08-08 The Midwest has produced a robust literary heritage Its authors have won half of the nation s Nobel Prizes for Literature plus a significant number of Pulitzer

Prizes This volume explores the rich racial ethnic and cultural diversity of the region It also contains entries on 35 pivotal Midwestern literary works literary genres literary cultural historical and social movements state and city literatures literary journals and magazines as well as entries on science fiction film comic strips graphic novels and environmental writing Prepared by a team of scholars this second volume of the Dictionary of Midwestern Literature is a comprehensive resource that demonstrates the Midwest's continuing cultural vitality and the stature and distinctiveness of its literature

Homelessness Neil Larry Shumsky, 2012-01-16 This book presents an unflinching investigation of homelessness in the United States a problem that has been with us since the arrival of the first English settlers nearly 400 years ago The terms historically used to describe them include bums hoboes migrants street people transients tramps and vagrants Just as varied as the words we have used to describe them are the reasons many people have found themselves living in the land of opportunity without permanent residence The book considers homelessness and its distinctive character in three periods of American history the era of tramps and hoboes in the late 1800s early 1900s the era of transients and migrants in the 1930s and the era of homeless and street people in the last 40 years It clarifies the multiple meanings of the word homeless today and demonstrates that homelessness is a symptom of more than one problem leading to confusion about the issue of homelessness and hampering attempts to reduce its occurrence Author Neil Larry Shumsky PhD also postulates that the treatment of homelessness in England before the colonization of North America laid the foundation of pervasive American attitudes and practices

A History of American Literature and Culture of the First World War Tim Dayton, Mark W. Van Wienen, 2021-02-04 In the years of and around the First World War American poets fiction writers and dramatists came to the forefront of the international movement we call Modernism At the same time a vast amount of non and anti Modernist culture was produced mostly supporting but also critical of the US war effort A History of American Literature and Culture of the First World War explores this fraught cultural moment teasing out the multiple and intricate relationships between an insurgent Modernism a still powerful traditional culture and a variety of cultural and social forces that interacted with and influenced them Including genre studies focused analyses of important wartime movements and groups and broad historical assessments of the significance of the war as prosecuted by the United States on the world stage this book presents original essays defining the state of scholarship on the American culture of the First World War

Saturday Review, 1955 The Oxford Handbook of Midwestern History Jon Lauck, 2025 The Midwest region holds a pivotal place in the tapestry of American history The Oxford Handbook of Midwestern History delves into this rich heritage with chapters on topics ranging from the early Native American and French Midwest to the impact of the Northwest Ordinance and the Great Lakes the emergence of Midwest regional consciousness after the Civil War and the role of the Midwest's natural resources in the region's economic success and later decline It presents the newest research on race ethnicity culture politics and economic development It also considers the role of religion organized labor the presence of a diverse population of Germans Irish

Dutch and Latinos and the influence of sports nostalgia populism and isolationism This handbook moves beyond the examination of traditional topics in Midwestern history to provide significant attention to matters such as architecture literary realism visual culture and constitutionalism This treatment of Midwestern history marks a major turn towards the history of the American interior In many ways The Oxford Handbook of Midwestern History marks the coming of age of what scholars and commentators are calling the New Midwestern History

The Best American Essays 2013 Cheryl Strayed, Robert Atwan, 2021-02-10 Curated by the 1 New York Times bestselling author of Wild this volume shares intimate perspectives from some of today's most acclaimed writers As Cheryl Strayed explains in her introduction the invisible unwritten last line of every essay should be and nothing was ever the same again The reader in other words should feel the ground shift if even only a bit In this edition of the acclaimed anthology series Strayed has gathered twenty six essays that each capture an inexorable tectonic shift in life Personal and deeply perceptive this collection examines a broad range of life experiences from a man's relationship with Mormonism to a woman's search for a serial killer from listening to the music of Joni Mitchell to surviving five months at sea from triaging injured soldiers to giving birth to a daughter and much more The Best American Essays 2013 includes entries by Alice Munro Zadie Smith John Jeremiah Sullivan Dagoberto Gilb Vicki Weiqi Yang J D Daniels Michelle Mirsky and others

The Routledge History of Rural America Pamela Riney-Kehrberg, 2016-04-14 The Routledge History of Rural America charts the course of rural life in the United States raising questions about what makes a place rural and how rural places have shaped the history of the nation Bringing together leading scholars to analyze a wide array of themes in rural history and culture this text is a state of the art resource for students scholars and educators at all levels This Routledge History provides a regional context for understanding change in rural communities across America and examines a number of areas where the history of rural people has deviated from the American mainstream Readers will come away with an enhanced understanding of the interplay between urban and rural areas a knowledge of the regional differences within the rural United States and an awareness of the importance of agriculture and rural life to American society The book is divided into four main sections regions of rural America rural lives in context change and development and resources for scholars and teachers Examining the essays on the regions of rural America readers can discover what makes New England different from the South and why the Midwest and Mountain West are quite different places The chapters on rural lives provide an entrance into the social and cultural history of rural peoples women children and men as well as a description of some of the forces shaping rural communities such as immigration race and religious difference Chapters on change and development examine the forces molding the countryside such as rural urban tensions technological change and increasing globalization The final section will help scholars and educators integrate rural history into their research writing and classrooms By breaking the field of rural history into so many pieces this volume adds depth and complexity to the history of the United States shedding light on an understudied aspect of the American mythology and

beliefs about the American dream Imagining the Heartland Britt E. Halvorson, 2022-06-21 An overdue examination of the Midwest's long influence on nationalism and white supremacy. Though many associate racism with the regional legacy of the South, it is the Midwest that has upheld some of the nation's most deep-seated convictions about the value of whiteness. From Jefferson's noble farmer to The Wizard of Oz, imagining the Midwest has quietly gone hand in hand with imagining whiteness as desirable and virtuous. Since at least the U.S. Civil War, the imagined Midwest has served as a screen or canvas projecting and absorbing tropes and values of virtuous whiteness and its opposite, white depravity, with national and global significance. Imagining the Heartland provides a poignant and timely answer to how and why the Midwest has played this role in the American imagination. In Imagining the Heartland, anthropologists Britt Halvorson and Josh Reno argue that there is an unexamined affinity between whiteness, Midwestness, and Americanness anchored in their shared ordinary and homogenized qualities. These seemingly unremarkable qualities of the Midwest take work; they do not happen by default. Instead, creating successful representations of ordinary Midwestness in both positive and negative senses has required cultural expression through media ranging from Henry Ford's assembly line to Grant Wood's famous American Gothic. Far from being just another region among others, the Midwest is a political and affective logic in racial projects of global white supremacy. Neglecting the Midwest means neglecting the production of white supremacist imaginings at their most banal and at their most influential, their most locally situated and their most globally dispersed. Ethnic Landscapes of America John A. Cross, 2017-06-19 This volume provides a comprehensive catalog of how various ethnic groups in the United States of America have differently shaped their cultural landscape. Author John Cross links an overview of the spatial distributions of many of the ethnic populations of the United States with highly detailed discussions of specific local cultural landscapes associated with various ethnic groups. This book provides coverage of several ethnic groups that were omitted from previous literature, including Italian Americans, Chinese Americans, Japanese Americans, and Arab Americans, plus several smaller European ethnic populations. The book is organized to provide an overview of each of the substantive ethnic landscapes in the United States. Between its introduction and conclusion, which looks towards the future, the chapters on the various ethnic landscapes are arranged roughly in chronological order such that the timing of the earliest significant surviving landscape contribution determines the order the groups will be viewed. Within each chapter, the contemporary and historical spatial distribution of the ethnic groups are described; the historical geography of the group's settlement is reviewed, and the salient aspects of material culture that characterize or distinguish the group's ethnic landscape are discussed. Ethnic Landscapes of America is designed for use in the classroom as a textbook or as a reader in a North American regional course or a cultural geography course. This volume also can function as a detailed summary reference that should be of interest to geographers, historians, ethnic scholars, other social scientists, and the educated public who wish to understand the visible elements of material culture that various ethnic populations have created on the landscape. *The Looking Glass Within: Reflections of a*

Midwestern Memoir Pasquale De Marco, 2025-05-09 In this heartwarming and evocative memoir the author takes us on a journey through the heart of the American Midwest capturing the essence of this special region and the lives of its people Through vivid storytelling and rich descriptions the author paints a portrait of a place where values run deep communities thrive and the land itself holds a sacred place in the hearts of its inhabitants We meet a cast of unforgettable characters each with their own unique story to tell There s the wise old farmer who has witnessed generations of change the young entrepreneur who is daring to dream big and the small town doctor who is the heart and soul of the community Through their eyes we gain a glimpse into the challenges and triumphs that define life in this special corner of the world The author explores the small towns that dot the landscape where everyone knows everyone else and a sense of community prevails We gather around the kitchen table for hearty meals and lively conversations sharing stories and laughter with friends and family We experience the changing seasons from the vibrant hues of autumn to the tranquil beauty of winter snow The Midwest is a place where hard work and determination are valued above all else It s a place where people are known for their honesty integrity and unwavering resilience It s a place where tradition and innovation coexist where the past is remembered and the future is embraced As we journey through the heartland we discover the values that have shaped this region and the people who live here We learn about the importance of family community and the land itself We come to appreciate the simple pleasures of life and the enduring spirit of the American Midwest This book is a celebration of the Midwest and its people It s a reminder of the values that truly matter and the power of community It s a story that will touch your soul and stay with you long after you finish reading If you like this book write a review on google books

Look At America The Midwest Introduction

In today's digital age, the availability of Look At America The Midwest books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Look At America The Midwest books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Look At America The Midwest books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Look At America The Midwest versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Look At America The Midwest books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Look At America The Midwest books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Look At America The Midwest books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students.

and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Look At America The Midwest books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Look At America The Midwest books and manuals for download and embark on your journey of knowledge?

FAQs About Look At America The Midwest Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Look At America The Midwest is one of the best book in our library for free trial. We provide copy of Look At America The Midwest in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Look At America The Midwest. Where to download Look At America The Midwest online for free? Are you looking for Look At America The Midwest PDF? This is definitely going to save you time and cash in something you should think about.
