Tales of Atonement M.A. Moreland, 2013-02 The pilot book of an extensive saga, *Reunited*, sets the stage for a post-apocalyptic world where technology has taken a back seat to magic and fey. Alien creatures live among us and the last true bastion of American society has become a cesspool of demons and vampires. *Tales of Atonement* follows the lives of several people who survive and make families in this world, taking you to locales like the dark and dangerous City of Atone, to the magical Island of Mayflora, and the far-off Planet Syc, and even combat the evils that now infest the world. With creative illustrations, engaging characters, and interestingly new races, *Reunited* weaves science fiction to fantasy and sets the stage for an entire series of books that will tell a descriptive story of adventure, love, and triumphant victory. *Tales of Atonement* is a sci-fi fantasy book series that currently holds a 4.5 star rating.

Don't Look Back, Agnes Kathryn Meyer Griffith, 2016-06-17 Two short works by Kathryn Meyer Griffith. 1. *Don't Look Back* Agnes Michaels is coming home. Home to her childhood town of Fairfield and the house her father lovingly built for her mother. A house surrounded by the woods where Agnes' two childhood friends and her boyfriend Tyler were all murdered twenty summers ago when she was just seventeen. She was the only one who escaped, but not without emotional and physical scars. Agnes knows that the woods and the evil entity that lives in it have been waiting for her all these years, but she has no choice but to return to Fairfield and her mother's house when her mother falls very ill and needs her care. Agnes can no longer avoid her destiny. Because the killings have begun again and she's the only one who can stop them. And with the help of a new friend and Tyler's ghost, she'll defeat the evil and save another child's life. 2. *In This House* Bernard and Althea have lived their whole lives in the neighborhood in the same house and have grown old there. But Deer Run's lead smelter plant has been buying out the houses around them because of lead contamination fears, and now the lots are empty, weeds, and only their house remains. Their neighbors are gone. They're alone. Althea's been sick and Bernard cares for her even as he remembers how lovely she once was. All the friends they once had and all the good times they enjoyed when they were young. He loves her and he'll never leave her. They'll never leave their home. But they can't stop time, and they're only waiting for their lonely daughter Jenny to make one last visit so they can say goodbye to her and introduce her to the man
