Looking Closer:

Looking Closer 4 Michael Bierut, William Drenttel, Steven Heller, 2012-02-15 The most stimulating installment yet in the acclaimed Looking Closer series This enthralling collection of essays assembles some of the most intriguing critical commentary published in professional and general interest design magazines from 1997 to 2000 Over thirty contributors including Rick Poynor Kathy McCoy Lorraine Wild Veronique Vienne Jessica Helfand and others discuss such important contemporary themes as the rise and fall of the dot coms and its influence on salary expectations the ongoing controversy over the First Things First Manifesto the call for greater responsibility in the design profession and the antibranding protests that ignited demonstrations during recent World Trade Organization meetings From current events to design principles and aesthetics to ethics graphic designers everywhere will savor this anthology of fresh perspective Allworth Press an imprint of Skyhorse Publishing publishes a broad range of books on the visual and performing arts with emphasis on the business of art Our titles cover subjects such as graphic design theater branding fine art photography interior design writing acting film how to start careers business and legal forms business practices and more While we don't aspire to publish a New York Times bestseller or a national bestseller we are deeply committed to quality books that help creative professionals succeed and thrive We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers

Looking Closer: Kevin Spacey, the First 50 Years Robin Tamblyn, 2021-12-03 Kevin Spacey is considered one of the most talented thespians of his generation Voted Greatest Actor of the Nineties by Empire Magazine placed third in a 2001 FilmFour poll of the hundred greatest ever movie stars he is a double Oscar winner and has been equally successful on the stage being appointed Artistic Director of London's Old Vic Theatre in 2003 Yet like his most famous screen character Keyser Sze he has remained a shadowy and mysterious figure notoriously protective of his private relationships and giving few intimate interviews Looking Closer the first published biography of Spacey explores the background and career of this enigmatic man This revised edition includes several rare and previously unseen photographs from Kevin's family archives

Looking Closer 3 Michael Bierut, 1999 Rare and difficult to find essays provide fascinating reading in this third anthology in the Looking Closer series a matchless resource tracing the continuum of critical thought from graphic design's earliest days as a viable art and craft Looking Closer 3 brings back into discourse more than thirty seminal essays by such distinguished figures as William Morris Aldous Huxley Alvin Lustig and Paul Rand reviving ideas of form and content as well as arguments over manner and style that have been lost for decades For professionals teachers and students alike this pivotal collection is an invaluable compliment to any design library

Cyberpl@y Brenda Danet, 2020-05-28 The Internet is changing the way we communicate As a cross between letter writing and conversation email has altered traditional letter writing conventions Websites and chat rooms have made visual aspects of written communication of greater importance arguably than ever before New communication codes continue to evolve with

unprecedented speed This book explores playfulness and artfulness in digital writing and communication and answers penetrating questions about this new medium Under what conditions do old letter writing norms continue to be important even in email Digital greetings are changing the way we celebrate special occasions and public holidays but will they take the place of paper postcards and greeting cards The author also looks at how new art forms such as virtual theatre ASCII art and digital folk art on IRC are flourishing and how many people collect and display digital fonts on handsome Websites or even design their own Intended as a time capsule documenting developments online in the mid to late 1990s when the Internet became a mass medium this book treats the computer as an expressive instrument fostering new forms of creativity and popular culture

Adventures of Phileas Foggy Philip James Mainwaring,2011-05-07 This is an account of fourteen months travelling around the world I left England in the Spring of 09 with the intent of finding work in New Zealand all entries are taken from journals online and handwritten that I kept over the course of my journey Sections from the first written journal were damaged following exposure to monsoons in the rainforests of Northern Thailand however most of the text has been recovered and is still legible This is the full colour edition of the journal

Come Up Here... the Door Is Open Catherine E. Wright,2014-09 If you knew heaven s door was opened wide for you to get a glimpse of heaven while on Earth would you be willing to take a look Catherine E Wright was and it changed her life for eternity Come Up Here the Door Is Open unveils Catherine s numerous supernatural experiences with the heavenly realms of visions and angels and explains why they resulted when she accepted Jesus invitation to enjoy a deeper spiritual life through worship Scriptural foundations for her encounters such as Acts 2 16 21 are provided as are principles for accessing the heavenly realm Come Up Here the Door Is Open is a compelling spiritual memoir of the author s spiritual life during periods of triumph happiness and sorrow In it you ll see how her own personal angelic visions and encounters with Jesus unshakably deepened her love for Him

Narrative Personae and Desire in Modernist Fiction Kevin Ohi,2025-09-25 Examining modernist fiction in the context of a longer tradition of narrative impersonality Narrative Personae and Desire in Modernist Fiction explores how narrative language renders subjective states of interiority and desire Inspired by linguistic analyses of the speakerless sentences of narrative language and their unoccupied centers of perception Kevin Ohi argues that modernist texts are populated by quasi persons narrative voices that are impersonal while trailing effects of personality and characters whose personhood is suspended the incisive rendering of psychology and desire produced by externalizations of consciousness Certain first person texts highlight the constitutive tension between the functions of narrator and character joined in that first person while in third person texts a charismatic or impervious central voice can be shown nevertheless to hold the psychologies it empties from the characters it describes At stake is the particular way that modernist narrative responds to the question of literature s capacities for addressing psychic life In Virginia Woolf s Jacob s Room William Faulkner s As I Lay Dying Ford Madox Ford s The Good Soldier Eudora Welty s The Golden Apples Ronald Firbank s Concerning the

Eccentricities of Cardinal Pirelli and James Purdy's Mourners Below this volume finds a paradoxical merger a humanizing effect achieved by narrative depersonalization and its evocations of psychology and desire **The Office Girls** Sylvester Stephens, 2010-05-11 A topsy turvy ride through corporate America where the male is the minority and must face a comedic blend of sex discrimination and harassment that threatens his sanity Michael Forrester a floundering author has been reduced to writing articles for a local newspaper under a pseudonym When the newspaper runs an article he finds offensive to African American men he writes a rebuttal which offends so many women it gets him fired Michael then sets out to write a book that proves corporate women are just as scandalous competitive and insensitive as their male counterparts But when he manipulates events to get hired into an office that is staffed by all women events quickly spiral out of control As romances sprout like weeds and Michael finds himself fighting for the women he works alongside rather than against them the question is whether he will be able to focus on his work keep his fling a secret and achieve the success he has always dreamed of In turns hilarious sobering and eye opening The Office Girls tells the story of every woman who works in the corporate world and the challenges they face on a daily basis The misogyny sexual harassment and gender inequality faced by these characters will ring true for all women who have experienced corporate America *Low Level Hell* Hugh L. Mills, Jr., 2009-01-16 The aerobats of the 1st Infantry Division had three words emblazoned on their unit patch Low Level Hell It was then and continues today as the perfect concise definition of what these intrepid aviators experienced as they ranged the skies of Vietnam from the Cambodian border to the Iron Triangle The Outcasts as they were known flew low and slow aerial eyes of the division in search of the enemy Too often for longevity's sake they found the Viet Cong and the fight was on These young pilots 19-22 years old invented the book as they went along Praise for Low Level Hell An absolutely splendid and engrossing book The most compelling part is the accounts of his many air to ground engagements There were moments when I literally held my breath Dr Charles H. Cureton Chief Historian U.S. Army Training and Doctrine TRADOC Command *Low Level Hell* is the best bird's eye view of the helicopter war in Vietnam in print today No volume better describes the feelings from the cockpit Mills has captured the realities of a select group of aviators who shot craps with death on every mission R.S. Maxham Director U.S. Army Aviation Museum **Parrots For Dummies** Nikki Moustaki, 2021-02-17 Repeat after me Parrots aren't just for pirates While parrots have a historical reputation for being a pirate's best friend in the modern day U.S. where birds are the nation's third most popular household pet thousands of landlubbers are in on the act And that's not surprising parrots are as affectionate friendly and fun to be with as a dog or cat They are also relatively low maintenance with no rude 5 a.m. awakenings with demands for food or punishing walks Renowned avian care and behavior consultant Nikki Moustaki is your friendly guide to the colorful world of this intelligent and chatty pet In this book you'll be introduced to the vibrant diversity of the parrot world which covers a wide variety of Psittacidae family members including macaws cockatiels and parakeets You'll also learn the best ways to choose care for and love your resplendently feathered companion Pick your

perfect parrot Devour the latest on nutrition Tame and train Make the perfect home Whether you re just setting out in the parrot world or are a seasoned voyager on the parrot y seas this 2nd edition of Parrots For Dummies has something for you and your pet and will repay the hard won pirate gold you spent on it a thousand times over **Titian Strands** Keith Healicon,2025-03-20 Ged Hilton was raised in the tough but honest inner city district of West Gorton Manchester His Irish parents had moved there from the troubled Shankhill road area of Belfast in the late 1950 s The father was a hard drinking pub brawling labourer The mother was a petite genteel red headed titian lady Ged took after his father Steven Ged s only sibling took after his mother The Hiltons were soon followed over the Irish sea by fellow Belfast born young priest Father Patrick Ged never sought or caused trouble but he was a natural magnet for it His early life was beset by calamities Soon after the early death of his father Ged assaulted his schoolteacher resulting in him being detained at a youth remand centre It was there he met long term friend Fingers but also long term arch enemies in vile bullies Burgess and Taylor One awful event followed another including the involvement in a failed warehouse robbery A short hell raising pro boxing career was followed by troubles working as a pub bouncer Ged was involved in a couple of relationships the second partner losing her unborn baby after an altercation with the Burgess family There were many more incidents The story starts and culminates with the violent murder of Burgess by an enigmatic petite beautiful redhead titian Burgess is mercilessly stabbed several times in the neck before being launched into the canal in the gay village area The only clues found are three strands of titian red coloured hair which turn out to be misleading anyway Who was the mysterious titian beauty Who was she he *The Havana Sun* B. A. Carroll,2008-06-02 When Cuban Expatriate and Washington DC resident Zulma Ibanyez arrives home for her son she finds the babysitter bound and Lucas missing This sets off a chain of events that hurls her into a frantic race against time and two governments to find him Unsure but suspecting the boys father Marcus Parrilla A Minister in the Castro Regime as the kidnapper She must now risk everything to return to Cuba and retrieve her son before he succumbs to the symptoms of a life threatening illness and facilitating the forced recruitment of an ex Navy pilot named Kyle Cordel Set during present time THE HAVANA SUN is about several things The unshakable Love of a mother for a child and of how the drastic actions we take whether for good or bad always have a ripple effect thats unpredictable It is also about trust betrayal and redemption However ultimately it shows how unwavering determination plus a little luck can sometimes make the impossible happen *Maelcho* Emily Lawless,1894 *The Sword & The Serpent* D G Mattichak jr,2012-10-03 The Sword The Serpent is a unique book about magick that reveals many of the arcane secrets of the occult arts The Sword The Serpent is a record of a series of experiments in astral travel that were undertaken by the magician AnkhafnaKhonsu in 1996 Each journey crosses one of the Paths of the Serpent in their ascent of the Qaballistic Tree of Life Taken together these visions of the Paths of the Sepher Yetzirah the ancient Book of Formation represent the path of initiation into the mysteries of Hermetic Magick The Sword the Serpent describes each of the Paths of the Serpent in great detail and introduces the reader to the

many strange and unexpected entities that inhabit these spiritual realms Along the way it tells the story of the magician AnkhafnaKhonsu s progress past the many obstacles and through the varied experiences that these travels upon the astral planes produced *Some Things Shouldn't Be Sold... Augustine,2015-03-12 Because every single one of us will die most of us would like to know what if anything awaits us

afterward not to mention the fate of lost loved ones Given the nearly universal vested interest in deciding this question in favor of an afterlife it is no surprise that the vast majority of books on the topic affirm the reality of life after death without a backward glance But the evidence of our senses and the ever gaining strength of scientific evidence strongly suggest otherwise In *The Myth of an Afterlife The Case against Life after Death* Michael Martin and Keith Augustine collect a series of contributions that redress this imbalance in the literature by providing a strong comprehensive and up to date casebook of the chief arguments against an afterlife Divided into four separate sections this collection opens with a broad overview of the issues as contributors consider the strongest evidence of whether or not we survive death in particular the biological basis of all mental states and their grounding in brain activity that ceases to function at death Next contributors consider a host of conceptual and empirical difficulties that confront the various ways of surviving death from bodiless minds to bodily resurrection to any form of posthumous survival Then essayists turn to internal inconsistencies between traditional theological conceptions of an afterlife heaven hell karmic rebirth and widely held ethical principles central to the belief systems supporting those notions In the final section authors offer critical evaluations of the main types of evidence for an afterlife Fully interdisciplinary *The Myth of an Afterlife The Case against Life after Death* brings together a variety of fields of research to make that case including cognitive neuroscience philosophy of mind personal identity philosophy of religion moral philosophy psychical research and anomalistic psychology As the definitive casebook of arguments against life after death this collection is required reading for any instructor researcher and student of philosophy religious studies or theology It is sure to raise provocative issues new to readers regardless of background from those who believe fervently in the reality of an afterlife to those who do not or are undecided on the matter
