Murder Lies and Little Green Men Kendra Ashe, 2017-05-01 Murder lies and little green men are just the beginning of a very bad day for Kat Parker By day Kat works as a waitress at the town s only travel center truck stop by night she moonlights as an armature sleuth and paranormal investigator Life is strange and often unpredictable but she hasn t seen anything yet The once peaceful town of Dreamland Junction has been in chaos for weeks and things are about to get a lot worse A handsome stranger walks into the ET Landing Caf and orders a cup of coffee Not so unusual except that she s been seeing the stranger s face in her dreams for weeks and they are those kinds of dreams that no one ever talks

about the kind that sends you into a cold shower in the wee hours of the morning To top that off her best friend is convinced aliens are abducting him while he sleeps not to mention a young mother is discovered dead off the side of the highway and her five year old son is missing Warning Dreamland Junction is not your everyday town and Kat Parker is not your everyday girl She has a bad attitude that some might find offensive RE cozy mystery books paranormal cozy mystery cozy mysteries women sleuth series conspiracy theory murder mystery cozy mystery Alien Romance Science Fiction *Mathematics under the Microscope* Alexandre Borovik,2010 The author s goal is to start a dialogue between mathematicians and cognitive scientists He discusses from a working mathematician s point of view the mystery of mathematical intuition why are certain mathematical concepts more intuitive than others To what extent does the small scale structure of mathematical concepts and algorithms reflect the workings of the human brain What are the elementary particles of mathematics that build up the mathematical universe The book is saturated with amusing examples from a wide range of disciplines from turbulence to error correcting codes to logic as well as with just puzzles and brainteasers Despite the very serious subject matter the author s approach is lighthearted and entertaining This is an unusual and unusually fascinating book Readers who never thought about mathematics after their school years will be amazed to discover how many habits of mind ideas and even material objects that are inherently mathematical serve as building blocks of our civilization and everyday life A professional mathematician reluctantly breaking the daily routine or pondering on some resisting problem will open this book and enjoy a sudden return to his or her young days when mathematics was fresh exciting and holding all promises And do not take the word microscope in the title too literally in fact the author looks around in time and space focusing in turn on a tremendous variety of motives from mathematical memes genes of culture to an unusual life of a Hollywood star Yuri I Manin Max Planck Institute of Mathematics Bonn and Northwestern University *The Kelly Green Men* Geraldine Sutton Stith,2016-05-17 The Kelly Green Men Alien Legacy Revisited is a companion book to Alien Legacy Many people have come forward giving their accounts of that night in 1955 In this book we will learn of things that happened that very very few people know about Was the military involved Why is our government not telling us what we need to know You will also get to learn about other places that have had unusual occurrences going on for years You will also find out about the goblins that are living in another area of Kentucky that may be related to our green men Hang on for an entertaining ride of huge paranormal proportions **All That Is Right and Holy** Megan Whitson Lee,2009-10-29 When seventeen year old Amy Timothy disappears from a rural Virginia truck stop world renowned cellist Blaise Timothy puts her life on hold to join the search for her sister While conducting her own investigation into Amy s disappearance Blaise seeks solace in addictive and destructive relationships Three years later the search for Amy becomes a homicide investigation catching the attention of national media and sex trafficking activists Less than a mile from where Amy s body is recovered Andrew Victor attempts to manage a failing career in art an addiction to pornography and a family secret that links him to the murder investigation In Washington D C Asha

Edgewater knows first hand the horrors of sex slavery and lends support to the Timothy family even as she comes to terms with her own past As all three lives intersect in their search for redemption and healing they find it is only possible through God s saving grace Megan Whitson Lee grew up in Tennessee but moved to the Washington D C area as a teenager She worked for criminal attorneys before earning her master s degree from George Mason University s MFA Program in Creative Writing Previously she received a Bachelor of Arts in Music followed by a year long residence in London where she worked as a Literary Assistant She currently teaches literature and composition for Northern Virginia Community College and Centreville High School in Clifton Virginia Mrs Lee lives with her husband in Herndon Virginia where she is working on her second novel
