Loony Bin Trip:

The Loony-Bin Trip Kate Millett, 2000 A personal story of Kate Millett's struggle to regain control of her life after falling under an ascription of manic depression *Mad Muse* Jeffrey Berman, 2019-09-03 Many of the well respected scholarly studies of autobiographical writing have little or nothing to say about mental illness This book uncovers the mysterious relationship between mood disorders and creativity through the lives of seven writers demonstrating how mental illness is sometimes the driving force behind creativity Depression and Narrative Hilary Clark, 2008-10-09 Depression and Narrative examines stories of depression in the context of recent scholarship on illness and narrative which up to this point has largely focused on physical illness and disability Contributors from a number of disciplinary perspectives address these narrative accounts of depression by both sufferers and those who treat them as they appear in memoirs diaries novels poems oral interviews fact sheets blogs films and television shows Together they explore the stories we tell about depression its contested causes its gendering the transformations in identity that it entails and the problems it presents for communication associated as it is with stigma and shame Unlike certain physical illnesses such as cancer depression is stigmatized sometimes as a nonproblem the sufferer should snap out of it and sometimes as the slippery slope to madness Thus depression narratives have their work cut out for them This book highlights the work these stories do including bringing meaning to sufferers explaining depression justifying therapies and treatments and reducing the burden of shame accounting for a suffering that is in the end unaccountable Feminist Activism in the 1990s Gabriele Griffin, 2005-11-01 Feminist activism is often taught as an historical phenomenon and many students entering courses on women's studies are not familiar with current feminist work in the field This book documents a wide variety of different forms of feminist activism in the 1990s from organisations such as Rights for Women and Southall Black Sisters to Asian Women's Work in Refuges It raises questions about the meaning of feminist activism and its interpretation within women's studies and other academic disciplines The chapters suggest against much current representation within women's studies and elsewhere that feminism is still alive With a comprehensive introduction providing an historical overview of the development of feminist activism from second wave feminism onwards this text is intended to be of use as a resource for all students of women's studies and related courses **Material Feminisms** Stacy Alaimo, Susan J. Hekman, 2008-01-02 Harnessing the energy of provocative theories generated by recent understandings of the human body the natural world and the material world Material Feminisms presents a way for feminists to conceive of the question of materiality Mother Millett Kate Millett, 2020-05-05 Kate Millett's tremulous and hauntingly beautiful memoir begins with a telephone call from Minnesota where her mother is dying Her return home to a severe intelligent and controlling matriarch is the catalyst for a meditation on her upbringing in middle America and her subsequent outcast status as a political activist artist and lesbian Mother Millett is an intensely personal journey through the author's interior life a subject she has visited over the years in such classic texts as *Sita* and *The Loony*

Bin Trip In these pages are reflections on a life of political engagement beginning with the sexual politics of the feminist movement proceeding to the struggle for gay liberation and culminating in her campaign for housing rights on the Lower East Side of New York where she and her neighbors currently face eviction Throughout Millett confronts her fears of losing her mother the anchor to a world she has long ago rejected but which continues to define her Echoing Philip Roth's Patrimony Millett writes with great poignancy about caring for the person who brought her into the world a role reversal that brings with it both devastation and grace

Questions of Power Susan J. Hubert,2002 Questions of Power

The Politics of Women's Madness Narratives explores the ways in which women have used autobiographical writing in response to psychiatric symptoms and treatment By addressing health and healing from the patient's perspective the study raises questions about psychiatric practice and mental health policy The ultimate thesis is that autobiographies by women psychiatric patients can expose many of the problems in psychiatric treatment and indicate directions for change BOOK

JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Sexual Violence in Western Thought and Writing** V. Vitanza,2011-09-26 This book focuses on rape narratives as grounding for western thinking about

community from the polis to nation states specifically in cultures of thinking reading and writing The author rethinks rape or sexual violence through a close examination of how rape is a pedagogy that has become canonized in the form of rape stories

Rage And Reason Bloomsbury Publishing, 2014-05-29 Women playwrights speak about their art and the theatre in this collection of interviews about a key decade of British drama Twenty leading contemporary dramatists discuss their work from the perspective of being both writers and women Each talks about the state of the theatre now the craft of playwrighting and the pressures of working within a male dominated environment The book also features Sarah Kane s very last public interview What I think is so exciting about the response to a number of the plays written by women in the last ten years is that they are popular with audiences because they ve got this quality this energy and this culture that hasn t been seen much on stage before a humour sexiness and wit that s been missing Charlotte Keatley Fragile Connections Donald

Capps, 2014-02-18 One of the greatest contributions of Capps s book is the way in which he weaves together a vast range of theories interpretations and explanations of psychopathology without ever losing sight of the humanity of the person living with mental illness Far too many books seek to find one single explanation of the baffling and complex phenomenon of mental illness *Fragile Connections* will expand our understanding and empower pastors and others concerned about mental illness with an eloquent exploration of one of the greatest mysteries of the human predicament Lewis Rambo San Francisco Theological Union and Graduate Theological Union Donald Capps skillfully guides his readers into the strange world of severe mental illness a neighborhood disturbingly close to home He first offers the lay of the land by scrutinizing particular psychiatric classifications He then carefully treks through gripping narrative accounts of those battling schizophrenia clinical depression bipolar disorder and Alzheimer s disease Finally with interpretive precision honed through a lifetime of attending to persons in pain Capps risks his own stunning insights into the anguish and mystery of these lives An exquisite and sobering journey Robert C Dykstra Princeton Theological Seminary *Fragile Connections* is a most welcome resource for those of us involved in theological education Capps s creative use of five memoirs allows persons who suffer from various mental illnesses and the family members who care for them to speak in their own voices about living with these afflictions Carol J Cook Louisville Presbyterian Theological Seminary Doing good with stealth as usual Donald Capps has designed this biblically historically grounded book for seminary students and ministers who will find no other like it The book holds out the key to understanding the experiences of those who are mentally ill and those who love them Capps argues that the study of individuals personal memoirs rather than medically modeled case studies reveals the deep and profoundly personal nature of each person s unique experience of mental illness What is more written as it is in Capps s inimitable style this book fills a void in seminary curricula as it addresses a problem in methodology Antoinette Goodwin pastoral psychotherapist Princeton New Jersey **Women & Aging** Helen Rippier Wheeler, 1997 Guide with more than two thousand bibliographic entries and cross references It includes journal articles book chapters essays and doctoral dissertations as well as complete books

Rage And Reason Heidi Stephenson, 2014-05-29 Women playwrights speak about their art and the theatre in this collection of interviews about a key decade of British drama Twenty leading contemporary dramatists discuss their work from the perspective of being both writers and women Each talks about the state of the theatre now the craft of playwrighting and the pressures of working within a male dominated environment The book also features Sarah Kane s very last public interview What I think is so exciting about the response to a number of the plays written by women in the last ten years is that they are popular with audiences because they ve got this quality this energy and this culture that hasn t been seen much on stage before a humour sexiness and wit that s been missing Charlotte Keatley **Encyclopedia of Feminist Literature** Mary Ellen Snodgrass, 2014-05-14 An accessible one volume encyclopedia this addition to the Literary Movements series is a comprehensive reference guide to the history and development of feminist literature from early fairy tales to works by great women writers of today Hundred **The Spiritual Gift of Madness** Seth Farber, 2012-04-17 A bold call for the insane to reclaim their rightful role as prophets of spiritual and cultural transformation Explains how many of those diagnosed as schizophrenic bipolar and other forms of madness are not ill but experiencing a spiritual awakening Explores the rise of Mad Pride and the mental patients liberation movement Reveals how those seen as mad must embrace their spiritual gifts to help the coming global spiritual transition Many of the great prophets of the past experienced madness a breakdown followed by a breakthrough spiritual death followed by rebirth With the advent of modern psychiatry the budding prophets of today are captured and transformed into chronic mental patients before they can flower into the visionaries and mystics they were intended to become As we approach the tipping point between extinction and global spiritual awakening there is a deep need for these prophets to embrace their spiritual gifts To make this happen we must learn to respect the sanctity of madness We need to cultivate Mad Pride Exploring the rise of Mad Pride and the mental patients liberation movement as well as building upon psychiatrist R D Laing s revolutionary theories Seth Farber Ph D explains that diagnosing people as mad has more to do with social control than therapy Many of those labeled as schizophrenic bipolar and other kinds of mad are not ill but simply experiencing different forms of spiritual awakening they are seeing and feeling what is wrong with society and what needs to be done to change it Farber shares his interviews with former schizophrenics who now lead successful and inspiring lives He shows that it is impossible for society to change as long as the mad are suppressed because they are our catalysts of social change By reclaiming their rightful role as prophets of spiritual and cultural revitalization the mad by seeding new visions for our future can help humanity overcome the spiritual crisis that endangers our survival and lead us to a higher and long awaited stage of spiritual development **A Reader's Book of Days: True Tales from the Lives and Works of Writers for Every Day of the Year** Tom Nissley, 2013-11-04 Book connoisseur Tom Nissley has combed literary history to capture the stories that make writers lives perennially fascinating their epiphanies embarrassments and achievements Each handsome page in A Reader s Book of Days is devoted to a day of the year featuring original accounts of events in the lives of

great writers and fictional events that took place within beloved books **From Madness to Mental Health** Greg Eghigian, 2009-12-10 From Madness to Mental Health neither glorifies nor denigrates the contributions of psychiatry clinical psychology and psychotherapy but rather considers how mental disorders have historically challenged the ways in which human beings have understood and valued their bodies minds and souls Greg Eghigian has compiled a unique anthology of readings from ancient times to the present that includes Hippocrates Julian of Norwich's Revelations of Divine Love penned in the 1390s Dorothea Dix Aaron T Beck Carl Rogers and others culled from religious texts clinical case studies memoirs academic lectures hospital and government records legal and medical treatises and art collections Incorporating historical experiences of medical practitioners and those deemed mentally ill From Madness to Mental Health also includes an updated bibliography of first person narratives on mental illness compiled by Gail A Hornstein *Medical Humanities and Disability Studies* Stuart Murray, 2023-09-21 Medical humanities and disability studies are disciplines at the cutting edge of innovative critical work in the study of health and disability but to date there has been no book length examination of the relationship between the two Although each has emerged from different heritages they share many features from discussing the complexities of embodiment identifying processes of exclusion and championing user participation to a commitment to new forms of critical writing In *Disciplines* explores the connections between the two disciplines in detail It presents a series of provocations about how they interact the forms their practice take and their strengths and weaknesses as working methods With a focus on life stories that give accounts of health and disability experiences it mixes creative and critical writing in an accessible manner aimed at a wide audience in both Medical Humanities and Disability Studies and across new humanities more widely The book asserts that both disciplines need to evaluate and challenge core assumptions if they are to remain critically relevant in the evolving study of social and cultural understanding of health and disability *Correspondence Course* Carolee Schneemann, 2010-11-24 An epistolary history of the international avant garde of happenings Fluxus and performance and conceptual art emerges from decades of correspondence between Carolee Schneemann and other artists and intellectuals
