What Now? Wayne Baxter, 2015-02-13 Is the church of the twenty first century supposed to regain its former glory or is it too late Are the people of God in exile yet again Have we lost our cultural footing and are now in desperate need to find a new way for the present millennium Daniel was born into a nation of God fearers where the Scriptures were embraced and biblical values espoused But that all changed with the Babylonian exile Daniel s God his values and his faith had become irrelevant and even despised in his society With the erosion of Christendom Daniel s story has become the church s story We ve Lost What Now offers a clear insightful and relevant exposition of Daniel in order to empower believers to minister more effectively than ever before from the social and cultural margins the church now inhabits *Riders for God* Rich Remsburg, 2000 Combining powerful photographic images with gang members first person testimonies Rich Remsburg shows the ironic juxtaposition of tattoos leather vests and the iconography of the biker world with the Christian practices of Bible study speaking in tongues and praying at an altar He explores the lives of men and women who have redirected the extreme nature of their former ways Through their own powerful stories they explain how the addictions and uncontrollable violence that once shaped their lives have given way to dramatic worship and zealous ministry BOOK JACKET *I've Seen the End of You* W.
