scholars of music and film studies The Making of Middle-earth Christopher A. Snyder, 2013-10-22 J R R Tolkien's *The Lord of the Rings* consistently tops polls as the best loved literary work of all time Now medieval scholar and Tolkien expert Christopher Snyder presents the most in depth exploration yet of Tolkien's source materials for Middle earth from the languages poetry and mythology of medieval Europe and ancient Greece to the halls of Oxford and the battlefields of World War I Fueled by the author's passion for all things Tolkien this richly illustrated book also reveals the surprisingly pervasive influence of Tolkien's timeless fantasies on modern culture *Catholic Literature and Film* Nancy Enright, 2016-11-21 Catholic Literature and Film Incarnational Love and Suffering is meant to be considered as a work of literary criticism not film adaptation studies In it the author explores six literary works dealing with Catholic themes and the film versions of these works The discussion of the films is at the service of analyzing the texts Underlying all the discussions is an incarnational sacramental view of the texts which links to my interpretation of the film versions of them Catholic and actually any Christian interpretation of literature or film or any other art form is rooted in an iconic and sacramental understanding of imagery as a means of conveying the sacred Catholic spirituality lends itself to this sort of approach as it is deeply rooted in the ability to see sacred things through physical means A key sub theme is romantic love in connection with salvation which Charles Williams one of the Inklings the group of British writers including J R R Tolkien and C S Lewis who met and discussed literature and theology calls the theology of romantic love as well as the sub themes of redemptive suffering and grace My interest in the book is not an analysis of cinematography per se but on the films as vehicles for religious ideas What makes this approach unique is that it doesn't deal with only faith and film as Peter Frazer does very well in his book *Images of the Passion The Sacramental Mode in Film* for example it also goes beyond the realm of strict literary criticism in its tackling of how religiously oriented works of literature are affected by the transformation into film *Celebrity Biographies - The Amazing Life Of Orlando Bloom - Famous Actors* Matt Green, Ever wondered how Orlando Bloom rose to stardom Orlando Bloom was born on January 13 1977 in Canterbury England Before Bloom even set foot on earth his family name was well known across the countryside Bloom's mother was a respected foreign language teacher who provided linguistic tutoring for international students studying in Great Britain Bloom's father Harry was an internationally renowned author whose lifelong battle against the apartheid in South Africa had won him global recognition and appreciation from his academic peers For more interesting facts you must read the biography Grab your biography book now **Maverick Movies** Daniel Herbert, 2023-11-21 A free ebook version of this title is available through Luminos University of California Press's Open Access publishing program Visit www.luminosoa.org to learn more *Maverick Movies* tells the improbable story of New Line Cinema a company that cut a remarkable path through the American film industry and movie culture Founded in 1967 as an art film distributor New Line made a small fortune running John Waters's *Pink Flamingos* at midnight screenings in the 1970s and found reliable returns with the *Nightmare on Elm Street* franchise in the 1980s By 2001 the company competed
