God is Looking for A Woman Betty Spells,2014 This book was written to remind some and to make others aware that we belong to God and it is God s right to orchestrate our lives Men and women were created by God Since God is the creator He is the only one that knows what He created us to do and to be Man should not dictate over others by telling them what they should do unless their words are coming directly from God No one should allow man to manipulate them into

following wrong teachings and doings That is what the serpent did to Adam and Eve All of God s creation is important to Him and all was created with a specific purpose designed by God Although this book focuses on women it is written to everyone The goal of this book is to help everyone see that God has something for them to do and chances are they will not be fulfilled or happy until they are doing what God created them to do Women especially are being pushed back criticized ignored silence and abused in today s churches The majority of Christian women are being emotionally abused by their husbands over church people and church matters Christian women and their children are suffering due to man s ignorance This book is written to encourage women that they are somebody that they matter to God and that they have callings given to them directly from God This book s goal is to show women that just by being a woman there are certain things that only they can do and certain ministries that only they can fulfill The ministry of motherhood is exclusive to a woman Not only is motherhood exclusive but what God tells a woman to do specifically is exclusive to her to No one else should do what God created a particular person to do The impact is not the same Mainly this book is written to encourage everyone especially women to seek God and find the purpose in which they were created After finding their purpose then they should get busy doing what God wants them to do In other words people should let God define them not man Faith and Fear Dr. Norris D.
