The Lord's Prayer Robert Anderson, 2021-06-01

After this manner therefore pray ye Matthew 6:9 With those words Jesus in His Sermon on the Mount gave us the very model of prayer one that has been recited ever since across all denominations and sects and throughout many centuries of time Perhaps no other aspect of our faith so unifies us in our belief as the simple yet heartfelt expression of the Lord's Prayer In his book *The Lord's Prayer Our Heavenly Model for Approaching the Throne of God* Reverend Robert Anderson breaks down the prayer line by line in order to convey in plain language the rich meaning and theological concepts behind this divine prescription

Our Father in Heaven William Massaquoi, 2025-08-31

Prayer is a vital lifeline for the church worldwide Prayer can be vibrant and sincere and yet fail to align with the teachings of Christ In this book William Massaquoi presents biblical teaching on prayer that is rooted in an African context Returning to the prayer that Jesus taught his disciples Massaquoi demonstrates that the Lord's Prayer is not just a beautiful piece of liturgy but also offers practical guidelines for believers in how and what to pray guidelines that are still relevant today Each chapter expounds upon a section of the Lord's Prayer bridging the gap between understanding and practice through an explanation of the text and a discussion of how it is practically applied Massaquoi reminds us that prayer is essential for renewal growth and the

advancement of the kingdom but deepening our prayer lives requires more than commitment to the act itself it requires understanding and obedience Sacred Dissertations on the Lord's Prayer Herman Witsius,2025-07-28 Reprint of the original first published in 1839 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

A Church Dictionary Walter Farquhar Hook,1854 **The Reformation of Prayer among Sixteenth-Century Lutherans** Mary Jane Haemig,2025-03-22 In sixteenth century Germany Martin Luther and his followers engaged in a thorough reform of beliefs and practices related to prayer a reform rooted in Luther s theological insights Rejecting medieval beliefs that saw prayer as a good work Luther and his followers saw prayer as a human response to God s command to pray and promise to hear It was a good work done freely not to earn salvation but rather to converse with God Luther and his followers taught prayer in many different ways They used catechisms and catechesis to teach the basics of Christian belief including the Lord s Prayer They emphasized understanding the petitions of prayer not just reciting words They encouraged the use of the psalms as prayers and produced literature designed to make the psalms accessible and understandable They published prayerbooks to instruct in prayer and offer prayers for a variety of vocations and situations Lutheran sermons taught prayer both on particular occasions and on many Sundays of the church year Worship taught prayer and provided models for prayer Literature for those suffering sickness death plague childbirth and war taught prayer as part of its effort to console Literature for theological students and manuals designed to help pastors in their ministries contained instruction in prayer highlighting the importance of prayer in the life and ministry of the pastor and helping them to teach prayer This book gives a comprehensive overview of the theological underpinnings for prayer as well as the strategies and literature used by Luther and his followers as they taught prayer to all people **On Earth as in Heaven** David Clark,2017-04-10 Convinced that we can no longer have direct unmediated access to the sense of Jesuss prayer but must account for the history of its effects David Clark seeks to trace the meaning of one of Christianitys most repeated and thus most effective texts through the early centuries of the faith Clark begins by arguing that the prayers original context was in a revival of Jewish prayer then sets it in the literary context of Gospels that he argues represented Jesus as recapitulating Israels testing in the wilderness in his own temptation He then traces the prayers meaning within the narratives of Matthew and Luke and in the Didache then examines the first full commentary on the prayer that of Tertullian in the third century CE Clark attends to the

evolution of ideas and themes embodied in the prayer and of the understanding of prayer itself across epic transitions from Judaism to the teaching of Jesus from Jesus to the Gospels and from the Gospels to earliest self consciously catholic Christianity This is an engaging narrative of the history behind and reception of the Lords Prayer it illustrates how a texts reception may help us explore and understand the multivalent meaning of the text itself
