run having just killed the man who threatened to expose him as an undercover DEA The life Ivaró and Eva create in Taxco Mexico is a dream come true for both When a famous silversmith takes her under his wing Eva becomes a successful jeweler in her own right As she works with force and fire to shape silver into her stunning jewelry designs Eva comes to understand the process is akin to the alchemy of the human soul The question of destiny looms large in her life did she run away from her fate when she left Atlanta or did she run headlong into the life she was meant to live When their son Azul is born Ivaró and Eva believe they have reached the pinnacle of happiness They were mistaken The cartel put a three million dollar bounty on Ivaró's head and one day an old enemy comes to collect it The action Eva takes to keep Azul safe jeopardizes her marriage and her happiness Ivaró cannot forgive her for sending their son to the family Eva abandoned twenty six years ago Eva examines her old beliefs and past actions after she is reunited with her family in Atlanta When she and her mother are kidnapped by the cartel as revenge for Alvaró's betrayal they must reconcile and unite to stay alive Together they use their wits and a little bit of magic to navigate their capture and eventual release When devastating family secrets come to light love can redeem the past if they will let it
