Space Is Power John Hickman, 2016-02-29 From Russia s annexation of Crimea to China s nine dash line in the South China Sea it is clear that territory is as important in international politics now as it has ever been Yet too few contemporary foreign policy makers journalists and scholars are able to speak coherently about territorial issues Space Is Power The Seven Rules of Territory challenges the intellectual conceits that human territoriality is merely a social construct that territorial sovereignty is atavistic that territorial annexation is always irrational and that territorial disputes are provoked by foreign policy makers who seek to divert public attention from more important issues Space Is Power argues that territoriality is too basic to human nature to be denied and territorial sovereignty is too important to the survival of the modern state to be ignored The truths about territory are captured in seven rules some of which are intuitive while others contradict conventional wisdom Rather than anticipating the transcendence of the territorial states this book argues that the unmistakable direction of international politics is toward encompassing ever more physical space as the territory of states

Economies of Signs and Space Scott Lash, John Urry, 1993-12-09 This is a novel account of social change that supplants conventional understandings of society and presents a sociology that takes as its main unit of analysis flows through time and across space Developing a comparative analysis of the UK and US the new Germany and Japan Lash and Urry show how restructuration after organized capitalism has its basis in increasingly reflexive social actors and organizations The consequence is not only the much vaunted postmodern condition but also a growth in reflexivity In

exploring this new reflexive world the authors argue that today's economies are increasingly ones of signs information symbols images desire and of space where both signs and social subjects refugees financiers tourists and financiers are mobile over ever greater distances at ever greater speeds *Wasted Space Vol. 5* Michael Moreci, 2022-05-03 WASTED SPACE is an out of this world cocktail that's one part Preacher one part Star Wars and a delectable dose of Philip K Dick shaken well take a sip and get wasted THE GALAXY IS WRECKED A COCKTAIL OF WARLORDS PIRATES AND TINPOT DICTATORS STIRRED TO A FRENZY BY AN ALCOHOLIC FORMER PROPHET TAKE A SIP AND GET WASTED The end is nigh kill the Creator and restore peace Easy right Not so much This is it The end of one of the most celebrated comics of the last decade As the galactic war intensifies Legion returns to the scene He has a plan to kill the Creator and finally restore peace But in order for it to work Molly will have to betray the very person she's spent so long teaching how to trust again From Michael Moreci Barbaric The Plot Spree and Revealer based on the Shudder original movie all from Vault Comics Black Star Renegades and Hayden Sherman The Few Cold War John Carter The End Read the entire WASTED SPACE five volume collection of the twenty five issue series Wasted Space Vol 1 collects issues 1-5 Wasted Space Vol 2 collects issues 6-10 Wasted Space Vol 3 collects issues 11-15 Wasted Space Vol 4 collects issues 16-20 Wasted Space Vol 5 collects issues 21-25 For fans of Preacher The Boys Transmetropolitan Philip K Dick and anyone who loves break neck paced darkly humorous space adventure Nihilistic and twisted The Nerdist Named Best of the Year by Paste Magazine io9 The Nerdist CBR Comics Bookcase Bleeding Cool The Hollywood Reporter and more from 2018-2021 The best space opera in all of comics today Comics Bookcase Wasted Space will live on in memory as one of the greatest Sci-Fi comics Space operas of the decade if not all time It is certainly one of my all time favourite books and if you haven't read a single issue before today then I envy you for the journey you're about to embark upon for the first time Comic Watch Easily the best new series to hit comic shops The Nerdist The best new space opera on shelves Comic Book Yeti Oh my god what the f---k was I doing not buying this book IRCB
