A Short History of

the Silk Road Jonathan Clements, 2014-01-14 The Silk Road is not a place but a journey a route from the edges of the Mediterranean to the central plains of China through high mountains and inhospitable deserts For thousands of years its history has been a traveller s history of brief encounters in desert towns snowbound passes and nameless forts It was the conduit that first brought Buddhism Christianity and Islam into China and the site of much of the Great Game between 19th century empires Today its central section encompasses several former Soviet republics and the Chinese Autonomous Region of Xinjiang The ancient trade route controversially crosses the sites of several forgotten kingdoms buried in sand and only now revealing their secrets An Armchair Traveller s History of the Silk Road not only offers the reader a chronological outline of the region s development but also provides an invaluable introduction to its languages literature and arts It takes a comprehensive and illuminating look at the rich history of this dynamic and littleknown region and provides an easy to use reference source Clements pays particular attention to the fascinating historical sites which feature on any visitor s itinerary and special emphasis is also given to the writings and reactions of travellers through the centuries Magill's Encyclopedia of Science : Animal Life: Aardvarks-endoskeletons Carl W. Hoagstrom, 2002 Covers various aspects of zoology in four volumes including the behavior class evolution and physiology of both wild and domestic animals **Camel** Robert Irwin, 2010-05-15 A distinct symbol of the desert and the Middle East the camel was once unkindly described as half snake half folding bedstead But in the eyes of many the camel is a creature of great beauty This is most evident in the Arab world where the camel has played a central role in the historical development of Arabic society where an elaborate vocabulary and extensive literature have been devoted to it In Camel Robert Irwin explores why the camel has fascinated so many cultures including those cultivated in locales where camels are not indigenous Here he traces the history of the camel from its origins millions of years ago to the present day discussing such matters of contemporary concern as the plight of camel herders in Sudan s war torn Darfur region the alarming increase in the population of feral camels in Australia and the endangered status of the wild Bactrian in Mongolia and China Throughout history the camel has been appreciated worldwide for its practicality resilience and legendary abilities of survival As a result it has been featured in the works of Leonardo da Vinci Poussin Tiepolo Flaubert Kipling and Rose Macaulay among others From East to West Irwin s Camel is the first survey of its kind to examine the animal s role in society and history throughout the world Not just for camel aficionados this highly illustrated book containing over 100 informative and unusual images is sure to entertain and inform anyone interested in this fascinating and exotic animal Explorers Journal Ernest Ingersoll, 1999 **The Literary Review** , 1998 **Natural History** , 2000 Great Joy Under Heaven Nathan Morehart, 2024-12-01 A history of wildlife in China tracing the changes the country s fauna and flora have endured from the rise of the earliest civilizations to the present China is home to one of Earth s largest and most diverse mix of plant and animals Many are among the rarest creatures alive some now surviving only in captivity An unfortunate few went extinct early this century How did this come to pass Great Joy Under Heaven tells

the history of dozens of species spread across the breadth of China from the taiga of Manchuria to the burning deserts of the far west from the bamboo forests of Sichuan to the tropical island of Hainan and from the Roof of the World down the Long River to the sea Spanning the ancient expulsion of rhinos and elephants from the Chinese heartland to the disappearance and return of the elaphure and takhi this volume recounts the drastic effects of humanity on the wildlife of China over the past 4 000 years and the ongoing struggles to save and restore some of what has been lost *BBC Wildlife* ,1998 **Eurasian Crossroads** James A. Millward,2007 Presents a comprehensive study of the central Asian region of Xinjiang s history and people from antiquity to the present Discusses Xinjiang s rich environmental cultural and ethno political heritage
