Lost Teachings Of Jesus Volume 1:

The Lost Teachings of Jesus, Book 1 Mark L. Prophet, Elizabeth Clare Prophet, 2020-01-01 Unmistakable evidence that many of Jesus teachings were altered deleted or never recorded In their classic series The Lost Teachings of Jesus Mark L. Prophet and Elizabeth Clare Prophet prove that many of Jesus original teachings are missing They show that the New Testament records only a fragment of what Jesus taught That what was written down was tampered with by numerous editors or suppressed by guardians of the faith And that some of what was recorded has been misinterpreted to this day The authors fill in the gaps with a bold reconstruction of the essence of Jesus message They unfold the lost teachings Jesus gave in public to the multitudes and in secret to his closest disciples In modern vernacular they offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message And they answer questions that have puzzled readers of the Bible for centuries **Lost Teachings on Your Higher Self** Mark L. Prophet, Elizabeth Clare Prophet, 1988 In Book 1 of their Lost Teachings of Jesus series Mark L. Prophet and Elizabeth Clare Prophet demonstrate that many of Jesus original teachings were lost In Book 2 they go one step further They show how early churchmen aided and abetted by the Roman emperors Constantine and Justinian distorted Jesus true teachings And robbed you of what he wanted you to know about the power of your own inner Christ In modern vernacular parable and story the Prophets provide the missing links They explain the difference between Jesus and the Christ They show how the Church's doctrines on sin and the only begotten Son of God have obscured what Jesus really taught about salvation And they explore how Eastern concepts like karma reincarnation and chakras can be found wrapped in the mysteries he gave the disciples Most importantly they recapture the heart of his message that you like Jesus can reconnect with your Divine Source to realize your full potential **Saint Germain on Alchemy** comte de Saint-Germain, Mark Prophet, Elizabeth Clare Prophet, 1985 Saint Germain shows that miracles are nothing more than the natural outgrowth of the practice of spiritual alchemy In this greatest of all self help books Saint Germain describes the principles of alchemy and how they can be used to effect spiritual mental emotional and physical transformation The Lost Teachings of Jesus Mark L. Prophet, Elizabeth Clare Prophet, 1986 Mark and Elizabeth Prophet show that many of Jesus original teachings were lost Some were removed from the Gospels Others were suppressed or kept secret In modern vernacular the authors offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message They answer questions that have puzzled readers of the Bible for centuries The Lost Teachings of Jesus, Book 2 Mark L. Prophet, Elizabeth Clare Prophet, 2020-11-19 In Book 1 of their Lost Teachings of Jesus series Mark L. Prophet and Elizabeth Clare Prophet demonstrate that many of Jesus original teachings were lost In Book 2 they go one step further They show how early churchmen aided and abetted by the Roman emperors Constantine and Justinian distorted Jesus true teachings And robbed you of what he wanted you to know about the power of your own inner Christ In modern vernacular parable and story the

Prophets provide the missing links They explain the difference between Jesus and the Christ They show how the Church s doctrines on sin and the only begotten Son of God have obscured what Jesus really taught about salvation And they explore how Eastern concepts like karma reincarnation and chakras can be found wrapped in the mysteries he gave the disciples Most importantly they recapture the heart of his message that you like Jesus can reconnect with your Divine Source to realize your full potential

From the Lost Teaching of Polycarp Charles Evan Hill,2006 This book significantly expands our understanding of the life and work of Polycarp of Smyrna Part One establishes that the anonymous apostolic presbyterquot whose oral teaching is cited intermittently by Irenaeus in Against Heresies 4 27 1 through 4 32 1 is in fact Polycarp The fragments of teaching preserved by Irenaeus shed valuable light upon his relationship with Polycarp establishing that Irenaeus contact with his teacher was neither fleeting nor shallow They also reveal Polycarp s important role in opposing the early effects of the Marcionite movement and gain a valuable perspective on

Polycarp's Old Testament hermeneutic in the face of ecclesiastical controversy Part Two considers the many links which would tie Polycarp to the work known as *Ad Diognetum* Charles E Hill proposes that the work is not a treatise but the transcript of an oral address A new proposal is made for the identity of Diognetus the addressee based upon archaeological evidence of an aristocratic Smyrnaean family of the second century *The Religion of Love* Pafe Thomas Pafe, Thomas Pafe, 2009-12 The Religion of Love is written for those who are seriously searching for wisdom and the path that leads to the Divine The journey is long and tedious but those who honestly search will find it To each soul God may appear different but it is the appearance that is unique not the reality God reveals himself or herself to us depending upon how eager and committed our search is Our love and the understanding of God will ultimately change our perception of the truth This book will guide you on your walk with God and illustrate how to find God It will also show you what God desires the purpose of life a practical approach to prayers how to find your path in life the secrets of the kingdom of God as mentioned in the Bible how to become a light worker The goal of this book is to provide missing information that can awaken or revolutionize consciousness by providing information on religion that has often been limited to morality or sociality and sometimes theology And finally create an environment where religious vibes can flourish The Word Volume 5: 1981-1984 Elizabeth Clare Prophet, 2020-01-01 Jesus Christ is the avatar of the ages the same yesterday today and forever We knew him when he walked the streets of Atlantis and Lemuria We also knew him in eras of darkness when he sought to lead men to the light His message did not begin with the Bible nor did it end with the Book of Revelation He has never stopped speaking to his own Two thousand years ago he foretold a time of tribulation the end of an age That time has come It is the era when the mystery of God should be finished when the Two Witnesses should prophesy a thousand two hundred and threescore days And so Jesus once more delivers his Word to a world in transition As always the message is one of judgement to the fallen angels admonishment to those who would walk in the light hope for all who are striving on the path and the vision of golden age to come This volume includes dictations by Jesus Christ through Elizabeth Clare Prophet given from 1981-1984 *Lords of the Seven Rays* Mark L.
