Louis David Riel

J. E. Collins

Louis David Riel:

Louis (david) Riel Thomas Flanagan, 1979 **Selected Poetry of Louis Riel** Louis Riel, 2000-11 Louis Riel the compelling leader of the Metis hanged by Sir John A MacDonald s government in 1885 sits at the core of the Canadian national imagination Among partisans he is either a poltroon or prophet politically adept or an inept fool He was a visionary and a very interesting poet full of rancor and tenderness self pity and dignity This is the first selection of his poetry to be published in this country in both French and English **Riel and the Rebellion** Thomas Flanagan, 2000 This book sparked national controversy when it was first published in 1983 Updated to include recent developments such as native rights and land claims the cultural mythology that surrounds Riel and the recent campaign to have him pardoned *The Story of Louis Riel: The Rebel Chief* J. E. Collins, 2022-09-16 J E Collins s *The Story of Louis Riel The Rebel Chief* delves deeply into the life and legacy of one of Canada s most controversial historical figures Through a deft combination of meticulous historical research and captivating narrative prose the book offers readers a multifaceted look at the Metis leader who straddled the worlds of politics and armed resistance Excelling in its literary style the book situates itself within the broader framework of colonial and indigenous history providing an engaging account of the regional and cultural tensions of the time This edition lovingly brought to contemporary audiences by DigiCat Publishing preserves the vibrancy and relevance of Collins s scholarship while ensuring accessibility for modern readers through both print and digital formats Emerging from a context deeply intrigued by the stories of resistance and humanity s fight for justice and identity J E Collins s impetus to author *The Story of Louis Riel The Rebel Chief* likely stems from an impassioned engagement with history s nuanced narratives The author s commitment to the precision of recounting historical facts is evident and likely originates from a profound belief in the importance of preserving and understanding our collective pasts Collins s work reflects a dedication to honoring Riel s complex story which resonates with struggles against oppression and the pursuit of societal recognition still relevant today Readers of historical biography and those with an interest in the nuanced narrative of Canada s nation building will find *The Story of Louis Riel The Rebel Chief* to be an essential addition to their collection For scholars students and general enthusiasts J E Collins s work represents a significant contribution to our understanding of a man who has become emblematic of a larger discourse on colonial resistance and indigenous rights This book invites a thoughtful contemplation of the past encouraging a deeper appreciation for the stories that shape our worldviews and continue to influence current societal dynamics *Louis Riel* Chester Brown, 2021-04-22 Chester Brown reinvents the comic book medium to create the critically acclaimed historical biography *Louis Riel* Brown won the Harvey Awards for best writing and best graphic novel for his compelling meticulous and dispassionate retelling of the charismatic and perhaps insane nineteenth century Metis leader s life Brown coolly documents with dramatic subtlety the violent rebellion on the Canadian prairie led by Riel an embattled figure in Canadian history regarded by some as a martyr who died in the name of freedom while others consider him a treacherous murderer

The Story of Louis Riel Anonymous, 2004-07-01 The story of the Riel led rebellion in the Canadian Red River country Louis Riel the Canadian religious figure and prophet of a new order in the West who was plagued with bouts of insanity was a once enigmatic man who has become one of the most closely scrutinized figures in Canadian history leading to a century long debate about whether Riel was a great political leader or a madman It is a story of racism the story of Louis Riel and of the American Indians of the Northern Great Plains the Sioux Cree and Blackfeet and of the Metis or half breeds who sought to create a nation born of violence and despair and reared to a brief glory White men called it treason For this Louis Riel died on the gallows in 1885 and his nation died with him **The Story of Louis Riel; The Rebel Chief** J. E. Collins, 2025-08-23

Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

Louis Riel Hartwell Bowsfield, 1988 The rise and fall of Louis Riel 1844-85 spanned only fifteen years yet he is one of the most controversial and colourful people in Canadian history The central figure in two rebellions which he led on behalf of the French speaking half breeds called Metis Riel has caught the imagination of Canadians as few other historical personalities have done His career began with the acts of resistance at the Red River Settlement in 1869 and continued through the formation of a Provisional Government and the notorious shooting of Thomas Scott in 1870 through years of mental illness and exile in the United States to the North West Rebellion of 1885 It reached an inevitable climax with his surrender and trial and the passionate outpouring of feeling that rocked the country when he was found guilty of treason and executed The religious and racial emotions of the time the bigotry and opportunism of politicians and Riel's own unstable mental condition all combine to make of his life a Canadian tragedy one that had profound consequences for Confederation *Unsettled*

Pasts Sarah Carter, 2005 The traditional mythology of the West is dominated by male images the fur trader the Mountie the missionary the miner the cowboy the politician the Chief *Unsettled Pasts* Reconceiving the West claims to re-examine the West through women's eyes It draws together contributions from researchers scholars and academic and community activists and seeks to create dialogue across geographic cultural and disciplinary boundaries Ranging from scholarly essays to poetry these pieces offer the reader a sample of some of today's most innovative approaches to western Canadian women's history several of the themes that run throughout the volume have only recently been critically addressed By rewriting the West from the perspective of women the contributors complicate traditional narratives of the region's past by contesting historical generalizations thus transcending the myths and frontier legacies that emerged out of imperial and masculine priorities and perspectives With Contributions by Kristin Burnett Cristine Georgina Bye Sarah Carter Mary Leah De Zwart Lesley A Erickson Cheryl Foggo Nadine I Kozak Siri Louie Graham A Macdonald Florence Melchior Patricia A Roome Eliane Leslau Silverman Olive Stickney Aritha Van Herk Muriel Stanley Venne Cora J Voyageur *Alienist and Neurologist* Charles Hamilton Hughes, 1888 *The Queen V Louis Riel* Michael Bliss, 2019 The transcript of Louis Riel's trial has never been

readily accessible to the general reader interested in the 1885 Rebellion and related events This work will promote knowledge of the facts and illustrate a social phenomenon of nineteenth century Canada In that age litigation was a prime public spectacle and the trial of Louis Riel in 1885 was followed intently across the country The crowded stuffy courtroom in Regina was the stage for the most dramatic and perhaps the most important state trial in Canadian history Riel had decided never to return to the dreary hopeless life of an exile Guided by his own private vision of reality he tried to carry his revolutionary struggle from the field into a new arena because he was not a man of action but a man of words He went to his enemies to demand the great public trial which he had never received a trial that was the deliberately chosen climax of his political life and an opportunity to vindicate himself Much of the drama of the courtroom was created by his struggles with his own lawyers to be able to present his own case In the background were the almost insoluble dilemmas created by a conflict of cultures In his introduction Desmond Morton has sought to banish many of the myths which surround both Riel and the trial doing justice to Macdonald and the government as well as to the prisoner of Regina In the process he has restated the issues of the trial in the terms understood by his contemporaries *The Diaries of Louis Riel* Louis Riel,1976

Louis Riel George Francis Gillman Stanley,1963 Religion and Global Culture Jennifer I. M. Reid,2003-01-01 Religion and Global Culture draws together the work of a group of historians of religion who are concerned with situating the contemporary study of religion within the cultural complexity of the modern world The writing of each of the volume s contributors relates to the work of leading historian of religion Charles H Long who has identified religious meanings in the contacts and exchanges of the colonial and postcolonial periods Together with Long these scholars explore religious practices in a variety of globalized contexts chapters consider such varied subjects as the rituals of African immigrant communities in the United States the making of Mohawk sweet grass and black ash baskets the religious experience of prisoners in the Nazi holding camp of Westerbork and the regional repercussions of contemporary multi national business By locating religion in the conflicted and cooperative relationships of the colonial and postcolonial periods Religion and Global Culture calls on scholars of religion to reconfigure their interpretive stances from the perspective of the material structures of the modern globalized world **Riel's Defence** Hans V. Hansen,2014-06-01 A multi disciplinary study of two of the most poignant speeches in Canadian history **Louis "David" Riel & the North-West Rebellion : a List of References** Jain, Sushil Kumar,1965 **Louis Riel and the Creation of Modern Canada** Jennifer Reid,2008-11 Since he was tried and hanged for treason in November of 1885 Louis Riel has been the subject of more histories biographies novels and poetry than any other figure in Canadian history Politician founder of Manitoba and leader of the aboriginal M tis people Riel led two resistance movements against the Canadian government the Red River Uprising of 1869 70 and the North West Rebellion of 1885 in defense of M tis and other minority rights Against the backdrop of these legendary uprisings Jennifer Reid examines Riel s religious background the mythic significance that has consciously been ascribed to him and how these elements

combined to influence Canada's search for a national identity Reid's study provides a framework for rethinking the geopolitical significance of the modern Canadian state the historic role of Confederation in establishing the country's collective self image and the narrative space through which Riel's voice speaks to these issues **From New Peoples to New Nations** Gerhard J. Ens, Joe Sawchuk, 2016-01-27 From New Peoples to New Nations is a broad historical account of the emergence of the Metis as distinct peoples in North America over the last three hundred years Examining the cultural economic and political strategies through which communities define their boundaries Gerhard J Ens and Joe Sawchuk trace the invention and reinvention of Metis identity from the late eighteenth century to the present day Their work updates rethinks and integrates the many disparate aspects of Metis historiography providing the first comprehensive narrative of Metis identity in more than fifty years Based on extensive archival materials interviews oral histories ethnographic research and first hand working knowledge of Metis political organizations From New Peoples to New Nations addresses the long and complex history of Metis identity from the Battle of Seven Oaks to today's legal and political debates *The Western Métis* Patrick C. Douaud, 2007 This book contains a collection of articles concerning the Western Metis published in Prairie Forum between 1978 and 2007 These articles have been chosen for the breadth and scope of the investigations upon which they are based and for the reflections they will arouse in anyone interested in Western Canadian history and politics **Canada - Transvaal** Joseph Aron, 1896

The Enigmatic Realm of **Louis David Riel**: Unleashing the Language is Inner Magic
