

# LUST vs LOVE

**Physical connection -  
how it looks, smells, and feels**

**Emotional connection -  
how someone makes you feel,  
conversations, and support**

**All about satisfying  
your own desires**

**Long-term and enduring;  
it grows stronger over time**

**Short-term and intense;  
it fades quickly**

**About putting the other  
person first**

**Often based on superficial  
qualities like looks, status,  
and material possessions**

**Based on deeper qualities  
like character, personality,  
and values**

**Passionate and exciting,  
like a rollercoaster ride**

**Compassionate and  
comforting, like a warm hug**

## Love And Lust:

**Love Or Lust** Antwan Williams, 2009-04-08 Have you noticed that most people today love in a lusting way In fact most people engaged in relationships are with each other because of every reason except for love Understand that most people today are not in love their in lust That true love we once had before is gone it does not exist anymore Most people are in relationships today because they don't want to be alone Some are just together because they are simply comfortable with each other Others are together because of financial reasons or physical beliefs Understand these are all relationships full of nothing but emptiness It's possible to actually be in love and learn the ways to acquire such a thing I have mapped out the rules to find love and get past lust I found out that we are all color coded that's why we behave different in certain situations towards love Find out if you are a lover or a luster Find out how to avoid all the red flags and pin point a disaster Find out that sincere love still exist but it lies in you **Love, Lust and Logic** Leah Kay Rossi, 2021-11-25 Love Lust Logic the GPS to help avoid relationship danger zones Love Lust and Lies Maxwell OGAGA, 2018-02-23 In this book the author explores the dynamics between Love Lust and Lies The book will deepen your understanding on how to discern between love and lust and how to test the foundation on which relationship is built It is a handy book that would help you build a Godly marital relationship in a midst of a world that is secular in thinking and the boundaries are constantly been shifted Love, Lust and Infidelity Valarie Reyna, 2021-02-15 A steamy yet loving story of a frustrated mom and wife who adores her family and only wants a beautiful intimate sexual and loving relationship with her husband she is crazy for Unfortunately things aren't exactly how she wants them to be which makes her question her relationship Her insecurity clouds her best judgment which led her to make bad decisions and contemplating infidelity How will Roxxy handle the ups and downs of her relationship Will she stay with Tony or move on as a single woman *Love, Heterosexuality and Society* Paul Johnson, 2007-04-11 Heterosexuality is a largely silent set of practices and identities it is assumed to be everywhere and yet often remains unnamed and unexplored Despite recent changes in the theoretical understanding and representation of sexuality heterosexuality continues to be socially normative Forging a new agenda for the study of heterosexuality this in depth volume the first research monograph to focus on heterosexuality and society presents an empirical study of the construction negotiation and enactment of heterosexual sexuality Using detailed interview data it investigates how heterosexuality as both an identity and a set of practices is accomplished through love relationships Rather than assuming that romantic love is an outcome or expression of a pre defined sexuality Johnson explores how sexuality is brought to life through love Situated in the ongoing theoretical debates concerning the relationship between gender and sexuality Paul Johnson's book shows how ways of loving are interwoven with the construction practice regulation and government of heterosexuality Excellently written this important book also looks at gender in society and explores such areas as heterosexual subjectivities and the borders of desire As such the research it contains will be valuable for all students of sociology and gender studies Love,

Love begins by presenting the results of a scientific study in which Fisher scanned the brains of people who had just fallen madly in love. She proves at last what researchers had only suspected: when you fall in love, primordial areas of the brain light up with increased blood flow, creating romantic passion. Fisher uses this new research to show exactly what you experience when you fall in love: why you choose one person rather than another and how romantic love affects your sex drive and your feelings of attachment to a partner. She argues that all animals feel romantic attraction; that love at first sight comes out of nature and that human romance evolved for crucial reasons of survival. Lastly, she offers concrete suggestions on how to control this ancient passion and she optimistically explores the future of romantic love in our chaotic modern world. Provocative, enlightening, and persuasive, *Why We Love* offers radical new answers to the age-old question of what love is and thus provides invaluable new insights into keeping love alive.

**What Women Don't Know (and Men Don't Tell You)**

Michelle McKinney Hammond, Joel Brooks, 2009-09-15

What You Don't Know about Yourself Will Hinder You. What You Don't Know about Men Will Hurt You. What You Don't Know about Relationships Will Cost You. Why does the modern-day search for romance so often end in disappointment, especially for women? Is it something we do? Something we don't do? Are we missing important information about the opposite sex or about ourselves? Is there something wrong with us that we long so desperately for 'til death do us part? Sadly, many women today see their ongoing singleness as a weakness or lack of worth. In truth, our dreams go unfulfilled not because we do not deserve for them to come true, but often because of wrong assumptions, assumptions that can easily be corrected. Drawing on both male and female perspectives, this book deals with the hard issues and questions you and other women ponder as you consider how to obtain lasting love. *What Women Don't Know and Men Don't Tell You* will help you adjust your desires, redefine what you are attracted to, set your values in order, and determine your goals, freeing you at last to pursue the loving relationship you desire.
