Love And The Abyss:

Love and the Abyss Ralph D. Ellis, 2004 Ellis philosophy Claark Atlanta U describes a number of different kinds of abnormalities that result from the detrimental effects of narcissism on the ability to love. Developing the notion of a culture of narcissism first proposed by Christopher Lasch, he presents a theory of the role played by love in human attempts to grapple with ontological issues. *The Circle of Love* Llewellyn Vaughan-Lee, 1999-03-18 The circle of divine love is always present within the heart. The journey of the mystic is to retrace this circle and so experience the oneness that is hidden within us. In *The Circle of Love* Llewellyn Vaughan-Lee continues his work of providing a contemporary understanding of Sufism, drawing us into this mystery of the soul. He describes the way of mystical prayer and of listening with the heart. He offers valuable insight into power and the spiritual life, how to use one's power to break free of restrictions and live the joy of one's divine nature. He explores the primordial question of why we so easily forget our origin in God. Finally, *The Circle of Love* takes us deep into the mystical secret of being lost in God to the center of the circle where the lover merges into the Beloved and the heart's deepest truth is revealed. Vaughan-Lee calls us back to the circle of love where nothing is excluded. Spirituality Practice

Everlasting Love With The Ghost King Yue Bai, 2019-12-09 This was not a peaceful world like it seemed to be on the surface. In this city, there were some things that ordinary people could not see. These things did not belong to the human world but they existed in this world. Li Ling'er was an ordinary employee of the company. Recently, something unimaginable had happened to her. And the story in such a world in the haunted building where the female lead works starts. **The Living Flame of Love: Study Edition** St John of the Cross, Kieran Kavanaugh, 2023-07-30 St John of the Cross described the stanzas of his poem *The Living Flame of Love* as the songs of the soul in the intimate communication of the union of love with God. The verses capture the mystical vistas from the summit of the saint's spiritual journey, describing the mystery and powerful experience of divine transformation as the soul encounters and unites with the pure love of God. After the poem's composition and at the request of his friend the laywoman Doña Ana de Peñalosa, St John of the Cross wrote the prose commentary that represents his final word on the journey of the soul's transformation toward union with God. In these verses and commentary, our saintly guide teaches us as the Mystical Doctor of the Church but also as a gentle pastor. Readers can aptly place themselves in the position of Doña Ana, a fellow soul on this journey of transformation in God's grace, following this holy shepherd along the narrow paths of purification toward our eternal dwelling place in God and union with him. In this study edition, Father Kieran Kavanaugh O.C.D. offers important context and contemporary interpretive notes concerning the teaching of St John of the Cross in *The Living Flame of Love*. This edition includes study guides provided throughout the book which provide helpful guidance and explanation. A glossary of terms offering definitions as they pertain to John's specific usage throughout the work. Comprehensive indexes of key themes and biblical references which make this edition an indispensable reference resource. With the combination of a modern scholarly translation of St John of the Cross's text and a

contemporary commentary The Living Flame of Love Study Edition affords readers the opportunity to gain a much deeper appreciation for the beauty and richness of St John's perennial teaching on the experience and science of love The indexes are fully linked

Fall Narratives Zohar Hadromi-Allouche, Aine Larkin, 2016-12-01 Throughout history the motif of the Fall has impacted upon our understanding of theology and philosophy and has had an influence on everything from literature to dance Fall Narratives brings together theologians historians and artists as well as philosophers and scholars of religion and literature to explore and reflect on a wide range of concepts of the Fall Bringing a fresh understanding of the nuanced meanings of the Fall and its various manifestations over time and across space contributions reflect on the ways in which the Fall can be seen as a transition into absence how conceptions of the Fall relate to change and shape one another and how the Fall can be seen positively embracing as it does a narrative of hope

The Silent God and the Silenced Min-Ah Cho, 2025 By exploring silence as more than just the mere absence of sound scholars have addressed silence as a means through which one genuinely listens to Dasein Heidegger as an antidote to a reactive volatile and opinion slinging culture Susan Sontag or as a communication alternative to the violent and turbulent rhetoric of the dominant narrative Commonly recognized in these studies is the spiritual and mystical dimension of silence that transcends the rational and the comprehensible This book begins where these theories leave off arguing that ultimate silence arises from

Christian mystical tradition and theology The book particularly engages with Michel de Certeau's exploration of the empty tomb metaphor Evagrius Ponticus' writings on hesychasm Søren Kierkegaard's reflections Jean-Luc Nancy's notion of divine place and Sarah Coakley's prayerful vulnerability The book also puts ultimate silence into conversation with writers and artists namely Mary Oliver Simone Weil Susan Sontag and the poet and performance artist Theresa Hak Kyung Cha The book establishes a theory that makes the spiritual tradition of silence available for its practice in our everyday life grounded in the inexhaustible mystery of the spiritual With a deeper theological understanding of contemplation that transcends the rational the practice of silence in everyday life facilitates engagement between listener and speaker that allows both parties to deepen the relationship Provided by publisher
