Pathologies of Love Judy Kem, 2019-12-01 Pathologies of Love examines the role of medicine in the debate on women known as the querelle des femmes in early modern France Questions concerning women s physical makeup and its psychological and moral consequences played an integral role in the querelle This debate on the status of women and their role in society began in the fifteenth century and continued through the sixteenth and as many critics would say well beyond In querelle works early modern medicine women s sexual difference literary reception and gendered language often merge Literary authors perpetuated medical ideas such as the notion of allegedly fatal lovesickness and physicians published works that included disquisitions on the moral nature of women In Pathologies of Love Judy Kem looks at the writings of Christine de Pizan Jean Molinet Symphorien Champier Jean Lemaire de Belges and Marguerite de Navarre examining the role of received medical ideas in the querelle des femmes She reconstructs how these authors interpreted the traditional courtly understanding of women s pity or mercy on a dying lover their understanding of contemporary debates about women s supposed sexual insatiability and its biological effects on men s lives and fertility and how erotomania or erotic melancholy was understood as a fatal illness While the two women who frame this study defended women and based much of what they wrote on personal experience the three men appealed to male authority and tradition in their writings *Love and*

Organization Michael Pirson, 2022-06-30 Organizations are not human but they are made up of people Examining the organization functioning growing and developing and moving together as one unit the well being and success of that organization depends on the well being of people that make it up Love in its various forms is the energy that motivates and fuels creativity care innovation progress and well being Traditionally organizational structures have been set up to support compliance and command and control which often discourages love and creates policies against love at the workplace The result has been reduced growth productivity and retention of businesses as well as reduced well being for employees This reduced connectivity between individuals has also at a higher level adversely affected society Without love people are working and performing with reduced energy and at reduced capacity While prior research has been focused on love at the workplace from the viewpoint of psychologists this book explores the impact of love within organizational contexts from

The Love That Was Meant to Be Pastor Darryl Riley,2022-11-03 The author of this book come from very humble beginnings the seventh child of nine children He was raised to be a God fearing man to respect others and to be a help to all that he could The inspiration for his book actually came from the woman that he eventually married and later fathered two beautiful children with The wait has finally ended for him as he was unsure which direction to take while he was contemplating his next move on what to write about Then it dawned upon him that his story of love was a very unique story that should be shared with the whole world Not only is it a story of love and fidelity but a story of how God can match two people together in a very unique bond As you read the account open your heart and mind to the most wonderful steps it takes to find true romance to what it will take to have a meaningful relationship The author wished many times that he could find his lovely wife long before he did But as the saying goes better late than never This book is designed for each individual to do some soul searching while you seek to find your soul mate Hope you enjoy reading this book it will inspire you and motivate you to be with the one you were meant to be with in life

The Delights of Wisdom Pertaining to Conjugal Love Emanuel Swedenborg,1856 Works of Love Robert L. Perkins,1999 To claim that Works of Love is an important philosophical essay is to assume hazardous burden of proof The book s title is an allusion to the Bible s injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotoma s ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs

however shows these put down views of the book to be unfounded

Recovering the Love Feast Paul Fike

Stutzman,2011-01-01 What is a Love Feast How did the early church celebrate the Love Feast How might Christians today celebrate the Love Feast In *Recovering the Love Feast* Paul Stutzman addresses these questions offering a unique blend of liturgical history and practical theology Part I outlines the history of the Love Feast noting its prevalence in early church worship its gradual decline and its reemergence in the practices of several Pietist groups e g the Moravians Methodists and Brethren Particular focus is given to five elements of the celebration that is eucharistic preparation footwashing the fellowship meal the holy kiss and the Eucharist proper In Part II Stutzman argues that the Love Feast is a valuable Christian practice and a celebration worth recovering in those traditions that may have forgotten the feast Rather than prescribing a specific method for celebrating the Love Feast Stutzman proposes that there are five key disciplines that today s Love Feasts should embody submission love confession reconciliation and thanksgiving This book encourages Christians from a range of traditions to experiment with reclaiming the Love Feast with the hope that each celebration serves as an act of worship to God and an authentic expression of Christian discipleship

have been faithful with a few things I will put you in charge of many things Come and share your Master's happiness **Law in the Courts of Love** Peter Goodrich,2002-11 In the wake of current criticisms of the legal profession Peter Goodrich presents us with a radical alternative vision of the law He examines past legal systems offering up the possibility of a more humane system **I fell in love with you and I cried** Rachel Hill,2022-04-02 I fell in love with you and I cried is a spiritual personal and travel memoir of a year in India and Southeast Asia In April 2017 my husband and I asked ourselves what would we do if we could do anything We decided to sell up leave our jobs and go travelling along the way unpicking the conditioning of property career and security and exploring what a life with less stuff would look like We gave away most of our possessions and in March 2018 we went to India where we spent seven months in all then Thailand Tokyo Nepal Cambodia and Vietnam My book documents the trip through the eyes of a relatively inexperienced traveller The sights sounds and colours of India and Southeast Asia as well as the physical and emotional challenges of a year of travel This was a pre Covid19 trip of a lifetime making connections with local people and fellow travellers and putting beliefs about minimalism into practice by living out of a small backpack for a year of slow travel **The Prophetic Call to Love and Justice** Arnold H. De Graaff,2025-06-20 Scripture's compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re-connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle *Rediscovering the Old Testament* It is a joyful journey of discovery finding new meaning in the Bible for our lives *Studies in John's Epistles* George Findlay,2024-06-23 Foreword by Cyril J Barber Findlay describes in practical terms how Christians can enter into and remain in the blessings of rest and fellowship **Sad Love** MJ Fields,2024-04-24 The Blue Valley series is not your typical love story It is a journey through one's past maybe even a story resembling someone close to you It's our story Welcome to the college years Love has not been easy for Tessa Ross and Lucas Links but they have managed to overcome situations that so many others in their lives haven't And through all of their difficulties neither have ever denied the love they have for one another But sometimes love isn't enough What new joys pains and decisions will they make as they take their first steps into adulthood This is love not a fairy tale Warning Highly Emotional This book contains volatile characters in real life situations that may be triggering to some readers The Nature and the Grounds of Love to Christ
