Neuroscience now shows us in living color thanks to PET scans and fMRI technology that falling in love affects our brains precisely the same way as snorting cocaine Award winning author and screenwriter Ethlie Ann Vare already knew that she s been addicted to both She survived to tell the tale with humor honesty and hope Just because something is addictive doesn t mean that you will get addicted to it But if your stomach ties up in knots while you count the seconds waiting for a phone call from that special someone if you hear a loud buzzing in your ears when you see a certain person s car or one just like it if your eyes burn when you hear a random love song or see a couple holding hands if you suffer the twin agonies of craving for and withdrawing from a series of unrequited crushes or toxic relationships if you always feel like you re clutching at someone s ankle and dragged across the floor as they try to leave the room welcome to the club With a light touch and a sharp wit Ethlie has enlisted some famous love junkies including supermodel Amber Smith movie star William McNamara and comedienne Margaret Cho and the top therapists and researchers in the field to help lead you from the dark of despair into the dawn of recovery Love and Addiction Stanton Peele,Archie Brodsky,1976-05 Lesbian Love Addiction Lauren D. Costine,2015-11-05 Everyone makes mistakes in relationships at one time or another Sometimes they learn from those mistakes Other times they return to those behaviors and cycle through failed relationship after failed relationship Sometimes those behaviors become an addiction to love that may leave a person feeling unhappy unfulfilled lonely or worse Lesbian Love Addiction Understanding the Urge to Merge and How to Heal When Things go Wrong makes visible the elements of love addiction that many lesbians suffer from Love addiction for lesbians comes in many forms Some struggle by sexually acting out and others are serial relationship junkies jumping from one relationship into the next Some are addicted to the high of falling in love and once that wears off don t know how to handle the day to day realities of a committed relationship Some are even addicted to fantasy and intrigue while others are love avoidants and sexual anorexics Love avoidants may be able to get into a relationship but once they are fully committed struggle with feeling smothered Others may avoid intimate or sexual relationships all together becoming sexually anorexic Some may even vacillate between all of these The underlying component and common denominator in all of these scenarios is the Urge to Merge Lesbian Love Addiction is designed to help ameliorate at least part of this problem Lauren D Costine offers insight for lesbians bisexual women in relationships with women queer women and more specifically any woman who loves women as well as their family and friends and health care

professionals into the psychology of lesbian love addiction It will give those who struggle with and suffer from love addiction ways to understand cope and heal from this debilitating addiction It will give those who work with this population new tools to use to do this more effectively Mostly it will help lesbians understand their relationship failures and how to heal from problems associated with them so they may grow and cultivate happier more fulfilling connections in the future *Love Smacked: How to Stop the Cycle of Relationship Addiction and Codependency to Find Everlasting Love* Sherry Gaba, 2020-02-20 After Rihanna and Alanis Morissette and Amber Smith and Rachel Uchitel we've all heard about love addiction people who feel they can only be happy when they are deep in an all consuming love There are a handful of books about it including Facing Love Addiction by Pia Melody Women Who Love Too Much by Robin Norwood Love Addict by Ethlie Ann Vare and others and many rehab and recovery centers are now advertising that they help clients with love addictions and codependency But no one has approached the subject of its equally damaging cousin relationship addiction Relationship addicts are so in love with love with love and romance and being coupled up that they continually move from one relationship to another always on the rebound never giving themselves time to heal and learn how to be independent They get into relationships again and again just to avoid feeling lonely or worse to avoid feeling abnormal Love Smacked will address all of these issues looking at early childhood trauma and how that affects our subsequent choices in partners and how we approach love and relationships It will discuss the lessons we learn from our upbringing and social and cultural background lessons that sometimes teach us what healthy relationships look like but sometimes teach us something else that we don't deserve any better than a typical relationship looks turbulent and difficult This is an important book Sherry Gaba clearly identifies a common pattern in relationships and shows the negative results on relationships of self abandonment Margaret Paul PhD Co Creator of Inner Bonding *Sex and Love* Eric Griffin-Shelley, 1997-05-28 The National Institute of Health has identified sexual addiction as a research priority This volume provides a detailed definition of sex and love addiction as well as an explicit outline of treatment and recovery It uniquely integrates sex and love in its formulation and presents a two level approach to recovery This presentation provides in depth examples and suggestions for change and supports the growing involvement of Twelve Step programs in mental health Professionals will find this volume an excellent resource in their clinical practice People can be addicted to sex and or love and recovery is possible More than ten years ago the National Institute of Health identified sexual addiction as a research priority Experts now conservatively estimate a prevalence rate of 5 percent of the American population Eric Griffin Shelley provides a detailed definition of sex and love addiction as well as an outline of treatment and recovery Unique to this work Griffin Shelley integrates sex and love in its formulation and also presents a two level approach to recovery This presentation provides in depth examples and suggestions for change and supports the growing involvement of Twelve Step programs in mental health Professionals can use this resource in their clinical practice to identify and assist sex and love addicts Griffin Shelley clearly describes the behavior of sex and love
