 My dreams showed me a book I was to write with just three chapter headings A dream it is wise to pay attention to as I am
 shown future events or given important messages During early morning connecting time I had declared aloud my heartfelt
 intention to partner with Life also that whichever beings were waiting to work through me I was ready The dreams followed
 soon after So I offer a chronicle of my journey through this life particularly from strangled expression to flow of words and
 ideas from mistrust a victim disconnected from my Heart alive now to overflowing Love Trust compassion acknowledgement
 of others Likewise deeply one with Earth Water Air Sun Light Fire Cosmos deeply rooted in the ground of my embodied
 Being I stay open in undefended Ease of expression Creative inspiration Magical synchrony I am awed by geometrical
 symmetry yet immense Volcanic power explosiveness too the wondrous Mystery of Life's ever changing Expression Who Are
