Wilson Dickinson,2019-12-11 When was the last time that we heard some good news For those tuned in to the ecological crisis and the daily chronicle of injustice the declaration of good news might seem synonymous with denial and avoidance The gospel of Jesus Christ helps us to face the suffering of the world and live in love and hope The only catch is it requires that we change It is only by losing our consumeristic profit seeking and isolated lives that we may save them The Green Good News finds a fresh take on the Gospels painting a picture of Jesus as a humorous and subversive teacher an organizer of alternative communities and food economies as a healer of bodies and relationships and as a prophet who sought to overturn an empire and restore a more just and joyful way of life Christ teaches and incarnates a vision for sustainable life and provides practices that mark the path toward it By exploring this always inspiring sustainable gospel we can find ways to transform our lives communities and even creation **The One Year Book of Hope** Nancy Guthrie,2014-11-07 In this life pain sorrow and disappointment are real Maybe you ve been wounded by a family member or friend Perhaps you know the pain of losing someone you love or of a difficult medical diagnosis Sometimes we need to know there s hope for when life just hurts Nancy Guthrie knows what it s like to hurt sometimes so much that there aren t words to describe the pain In The One Year Book of Hope Devotional she encourages you to spend this year learning to hope and hold onto faith when life has let you down She offers no trite answers or quick cures just remarkable hopeful daily insights from the depths of Scripture and her own experiences With Nancy Guthrie as your compassionate guide you ll find daily Bible readings to help you experience the
