Lukes Story Of Jesus:

Luke's Stories of Jesus David Lee, 1999-11-01 The current interest in reading the Gospels as narratives has reclaimed aspects of these texts that historical critical approaches failed to respect The richness of these newer readings can however disguise their limitations as literary critical exercises Developing Hans Frei's concern for theological reading David Lee reworks the narratology of the Dutch literary theorist Mieke Bal to produce a theological narrative reading practice that formally respects the text as scripture while leaving open the possible meanings that readers may construct for themselves in the act of reading Lee demonstrates his approach through readings of the Narrator and the characters Jesus and the Demons as aspects of a composite Lukan narrative Christology *The Story Luke Tells* Justo L. González, 2015-02-14 Among New Testament writers who is the best historian Without a doubt says Justo Gonzalez it's Luke Concerned about the particulars of people and events Luke also gives readers the big picture positioning the stories of Jesus not just in the history of Israel but in the history of humankind Luke uniquely tells us the grand story of salvation then and now Gonzalez skillfully highlights key themes in Luke's storytelling including his strong emphasis on God's great reversals his keen interest in shared meals and their intimate connection to worship and communion and his passionate underscoring of both the saving work of Christ and the indwelling power of the Holy Spirit Writing in a conversational style Gonzalez draws readers into Luke's story with fresh overviews and rich details showing how Luke invites us to continue his gospel witness today Watch a 2014 interview with the author of this book here [Luke's Story of Jesus](#) Otis Carl Edwards, 1981 *Luke's Story* Tim LaHaye, Jerry B. Jenkins, 2009-02-19 Millions of readers made the Left Behind series bestsellers Now the third in the authors bestselling Jesus Chronicles is available in trade paperback This biblically inspired novel third in the bestselling Jesus Chronicles tells the story of Luke the Gospel writer whose belief was built on the power of faith alone Luke who hadn't met Jesus is skeptical of His miracles until events in his own life irreversibly change him Pledging himself to Christ he begins a Gospel based on the conversion stories of believers and interviews with those who knew Him best the disciples who spent three years with Jesus and most important His mother Mary The result would be a Scripture rich in the miraculous stories of the Lord's divinity intended to appeal to women nonbelievers and the disenfranchised and that would speak to the heart of Christians all over the world [Conflict in Luke](#) Jack Dean Kingsbury, 1990 Intertwined with Luke's story of Jesus are two other story lines the story of the authorities who come into conflict with Jesus over the crucial issue of whom God has chosen to rule Israel and the story of the disciples who are both loyal and uncomprehending Kingsbury leads the reader into the dramatic narrative of Luke's Gospel by tracing and interpreting all three stories An introductory chapter provides orientation to basic features of literary analysis [The Shape of Luke's Story](#) Robert C. Tannehill, 2005-11-01 Because of Luke's unique literary achievement in the Gospel of Luke and Acts these two works raise a variety of interesting and important issues for the exegete In this important collection of essays Tannehill demonstrates why he is has been in the forefront of Luke Acts

research for more than three decades His nuanced approach to the intersection of literary theological and social features in the texts marks these as required reading for any interpreter of the gospels

Back cover *Luke's Story* Tim F. LaHaye, Jerry B. Jenkins, 2009 Recounts the life story of the author of the Gospel of Luke from his life as a slave to his university studies as a medical student at Tarsus from his acquaintance with Saul Paul of Tarsus to his ultimate discipleship and decision to write the story of Christ

Luke's Jesus Joseph Blenkinsopp, 2021-10-12 The third evangelist tells the story of Jesus in clear dramatically compelling and humanly moving terms His Jesus is a man of great power a deep sense of mission and profound compassion for those on the outskirts of society And Luke s Gospel has the best stories that is parables including a number that are unique to him Luke s story fills in the gap between born of the virgin Mary and suffered under Pontius Pilate in the Apostles Creed While it is usually important for those who write biography to report how the lives of their subjects began and ended Luke s story of Jesus s birth differs from Matthew s version and the conclusion to Luke s account of Jesus s life ends neither with his death nor with his resurrection but with his being taken up from the earth to the heavens The Gospel of Luke is historical in its approach for which there are no apologies a historical reading follows necessarily from the Christian doctrine of the incarnation which teaches that God has entered the history of humanity through Jesus At the same time Luke s approach is theological together with the other evangelists Luke intends to show his readers that in the person of Jesus of Nazareth God has drawn near to humanity in an inexpressible and unique way

Luke's Gospel from Scratch Donald L. Griggs, Paul W. Walaskay, 2011-01-01 Building on the foundation of the popular volumes *The Bible from Scratch* *The Old Testament for Beginners* and *The New Testament for Beginners* Griggs offers a series of volumes based on the individual books of the Bible A leader s guide and a participant section are included for each book This new addition to the series looks at the Gospel of Luke perhaps the most popular Gospel with its stories of the birth of Jesus the boy Jesus conversing in the Temple the good Samaritan the prodigal son the poor widow and her two copper

coins and rich Zacchaeus in a sycamore tree Luke's Presentation of Jesus Robert F. O'Toole, 2004 This study uses composition criticism to consider everything that Luke wrote about Jesus Jesus was a human being and a prophet yet Luke wished to say much more He has a very extensive and developed portrayal of Jesus as a saviour His roles as Servant of Yahweh and Son of Man play a real part in explaining a number of Jesus experiences and actions including his passion Jesus identification as the Christ can be associated with the being Son of God but each of these identifications has its own nuances Luke 1:35 proves crucial for a correct understanding of Son of God and guides the reader's comprehension of Jesus identity The OT background of Lord leads to a correct interpretation of this title when applied to Jesus and Luke willingly predicates similar things of God and of Jesus Robert F O Toole S J was born and raised in St Louis and entered the Jesuits in 1954 He holds an M A in Greek and Latin and he is licentiated in both philosophy and theology He did his doctorate in Sacred Scripture at the Pontifical Biblical Institute in Rome his director was the then Fr Carlo Maria Martini S J later Cardinal Archbishop of Milan Fr O Toole taught at St Louis University for 17 years and in 1991 moved to the Biblical Faculty at the Pontifical Biblical Institute where he was also Superior of the community and then Rector of the Institute In September of 2003 he was named the President of the Gregorian University Foundation Fr O Toole has published extensively Most of his publications are studies on Luke Acts and he has also done numerous book reviews This his fourth book addressed a topic that for years has captured his intellectual interest **Jesus Christ in Matthew, Mark, and Luke** Jack Dean Kingsbury, 2002-06-07 Written to Supplement the Proclamation Commentaries volumes Matthew Mark and Luke this book not only enables the reader to get a better grasp of the similarities and differences in the christological pictures of Matthew Mark and Luke but by taking into account the scholarly discussion of the sayings source Q it also broadens the scope of the entire series *Reading Luke* Frank Dicken, 2023-08-08 The Gospel of Luke is a book about Jesus claiming to provide assurance concerning what its reader has been taught about Jesus But how does it do that This book provides an answer to that question by helping readers understand Luke as a gospel story in its historical context and with appreciation for the author's literary artistry and theological perspectives Part one explores background information and literary features of Luke such as its author and first readers genre plot and character development the role of programmatic passages and interpreting the large number of parables included by Luke Part two focuses on themes that run throughout the Gospel Jesus's mission salvation discipleship the kingdom of God resurrection and ascension The discussion of these features and themes will provide readers of Luke's Gospel with a grasp of its overarching framework so that they are able to comprehend Luke's unique presentation of Jesus's life and read the Gospel with increased confidence for themselves **All About Jesus: The Single Story from Matthew, Mark, Luke, and John** , Who was Jesus What did he say What did he do This book puts together the story of Jesus life and message told by the people who knew him best as recorded in the four Gospels of the Bible Matthew Mark Luke and John Although the words were written over 2000 years ago his message of peace hope love

and forgiveness still resonates with people today All About Jesus combines the four reports of Jesus life into a single story from beginning to end using the easy to read text of the NIrV Bible Take a new look at Jesus his life his miracles and his teachings and to come to your own conclusions about the carpenter from Nazareth Produced in collaboration with the International Bible Society now Biblica **Jesus Unleashed** Ron Clark,2014-01-03 Luke s narrative of Jesus was presented to Christians who had already heard and read stories of Jesus and the birth of this new movement Christianity Luke seemed to rewrite the story of Jesus similar to ancient epics of the history of a nation a movement and the tale of a hero Jesus and the church emerged in occupied Judea a nation that was not only oppressed but was in exile Occupied Judea however struggled for power and honor and in turn for marginalized people who needed God Jesus the epic hero journeyed to earth and Jerusalem to free those on the margins of society This epic story lives on today in a church that also has heard the story of Jesus but has forgotten that the friend of sinners calls Christians to also reach those who are marginalized by our occupied culture Luke invites Christians to emerge as a movement that seeks and saves those ostracized by our communities **What are They Saying about Luke?** Mark Allan Powell,1989 Offers a concise summary of and an excellent introduction to recent Lucan scholarship Major positions on several important subjects are clearly expressed in nontechnical language **Luke** N.T. Wright,Patty Pell,2011-08-30 With a scholar s mind and a pastor s heart N T Wright guides us through the New Testament book of Luke showing how we can participate in Luke s story by making it real in our own world Twenty six sessions for group or personal study **St. Luke's Missiology** Harold E. Dollar,1996 This book touches on the fundamental contributions of Luke s two volume work revealing how a small Jewish sect became a worldwide movement in one generation It recognizes the essential unity of Luke Acts by showing how Luke prepares for the book of Acts Luke s story of how the gospel moves from the particular to the universal gives insights on the missiological dynamics of early Christianity and provides models for the church and missions today **Luke** C. D. "Jimmy" Agan III,2015-07-15 The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God s Word These 12 week studies lead participants through books of the Bible and are made up of four basic components 1 Reflection questions help readers engage the text at a deeper level 2 Gospel Glimpses highlight the gospel of grace throughout each book 3 Whole Bible Connections show how any given passage connects to the Bible s overarching story of redemption culminating in Christ and 4 Theological Soundings identify how historic orthodox doctrines are taught or reinforced throughout Scripture With contributions from an array of influential pastors and church leaders these gospel centered studies will help Christians see and cherish the message of God s grace on each and every page of the Bible The Gospel of Luke is the most thorough historical account of the birth life death and resurrection of Jesus Christ But Luke s book is more than just history it s also a rich source of life giving theology revealing Jesus s identity as Israel s long awaited Messiah and the Savior of the world In this study New Testament scholar Jimmy Agan III walks readers through Luke s Gospel helping Christians see that Jesus is
