## **Lunch With A Soldier:**

Lunch with a Soldier Derek Hansen, 2005 My story is the story of my brother Billy Neil stared down at the table momentarily lost for words When they finally came his friends had to strain to hear him It is my family s darkest secret If the secret is to be revealed unfortunately I am the one obliged to do it Why Why you asked Lucio Because I took my brother s life Once again four friends gather to share lunch and their mutual passion for storytelling this time it is Neil s turn and this time the story will be distinctively Australian A bitter critic of his friends insistence on telling true stories Neil reluctantly challenges them with a true story of his own He protests that they left him no choice claiming that fiction can never compete with truth and that the baring of his shame is a consequence His shocking admission is the first of many shocks in a story that begins in the desperate red ridge country of north west New South Wales when a city woman rents a disused house in an isolated corner of Billy s vast grazing property She is beautiful worldly and out of place She is also on the run Both she and Billy have dark secrets which take readers into the country s toughest prisons the opal mines of the Grawin and war torn Vietnam It is a story in which truth is never constant and friendships are tested to the limit *Lunch with a Soldier* On
