Fragmentos de Una Enseñanza Henry Morales, 2003 The present book Fragmentos de una Enseñanza Fragments of a Teaching is the result of my conversations held with the Master P for a period of fourteen years covering different subjects of the Occult or Esoteric Philosophy which many students are familiar Though it may not appear new to some this is the first time that a work of this nature has been published in the Spanish language since most of the books on these subjects are usually translations from the English French and other languages Very few books if any have been written about this particular for the Spanish speaking public My sole function and responsibility in the preparation of this work is to be faithful and truthful to the teachings imparted by the Master and to put it in such a manner that it can be understood by all not only the few Finally I can only add that the purpose behind this book is to stimulate and thus awake all men and women of good will who earnestly aspire to a better understanding of some of the laws and principles which God has manifested throughout the Universe and which the Masters of the Wisdom have proclaimed thru the Ages For More Information please visit the author's website

Relatos De La Morgue Zona Paranormal, Relatos de la Morgue Voces Silenciosas desde el Más Allá es una colección perturbadora e inolvidable de historias que emergen desde el lugar donde la muerte se convierte en rutina y lo inexplicable se vuelve parte del trabajo Basado en testimonios de trabajadores forenses vigilantes nocturnos médicos legistas y personal de limpieza este libro te lleva al interior de las morgues más inquietantes del mundo hispano donde los cuerpos pueden estar inertes pero las presencias no En estas páginas encontrarás Cuerpos que se mueven cuando no deberían Expedientes con muertes sin causa clara y con rastros de algo más Apariciones susurros y sombras en salas refrigeradas Experiencias paranormales vividas por quienes trabajan con los muertos Relatos basados en hechos reales adaptados con precisión y dramatismo Historias que dejarán una sola pregunta en tu mente la muerte es realmente el final Este no es un libro para asustarte con fantasmas comunes Es un descenso controlado a lo más íntimo de la muerte donde el silencio puede gritar y la oscuridad tiene memoria Prepárate para descubrir lo que pasa cuando las luces se apagan y solo queda el frío acero de la mesa forense
