Marriages and deaths Abington (Mass.),1912 **Broken Horses** Brandi Carlile,2022-04-12 1 NEW YORK TIMES BESTSELLER The critically acclaimed singer songwriter producer and six time Grammy winner opens up about faith sexuality parenthood and a life shaped by music in one of the great memoirs of our time Glennon Doyle author of Untamed If anyone ever has a doubt in their mind that the wildest of dreams can be realized from complicated circumstances they should read Brandi s story I absolutely loved it Elton John NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND AUTOSTRADDLE Brandi Carlile was born into a musically gifted impoverished family on the outskirts of Seattle and grew up in a constant state of change moving from house to house trailer to trailer fourteen times in as many years Though imperfect in every way her dysfunctional childhood was as beautiful as it was strange and as nurturing as it was difficult At the age of five Brandi contracted bacterial meningitis which almost took her life leaving an indelible mark on her formative years and altering her journey into young adulthood As an openly gay teenager Brandi grappled with the tension between her sexuality and her faith when her pastor publicly refused to baptize her on the day of the ceremony Shockingly her small town rallied around Brandi in support and set her on a path to salvation where the rest of the misfits and rejects find it through twisted joyful weird and wonderful music In Broken Horses Brandi Carlile takes readers through the events of her life that shaped her very raw art from her start at a local singing competition where she performed Elton John s Honky Cat in a bedazzled white polyester suit to her first break opening for Dave Matthews Band to many sleepless tours over fifteen years and six studio albums all while raising two children with her wife Catherine Shepherd This hard won success led her to collaborations with personal heroes like Elton John Dolly Parton Mavis Staples Pearl Jam Tanya Tucker and Joni Mitchell as well as her peers in the supergroup The Highwomen and ultimately to the Grammy stage where she converted millions of viewers into instant fans Evocative and piercingly honest Broken Horses is at once an examination of faith through the eyes of a person rejected by the church s basic tenets and a meditation on the moments and lyrics that have shaped the life of a creative mind a brilliant artist and a genuine empath on a mission to give back **New York and the International Sound of Latin Music, 1940-1990** Benjamin Lapidus,2020-12-28 New York City has long been a generative nexus for the transnational Latin music scene Currently there is no other place in the Americas where such large numbers of people from throughout the Caribbean come together to make music In this book Benjamin Lapidus seeks to recognize all of those musicians under one mighty musical sound especially those who have historically gone unnoticed Based on archival research oral histories interviews and musicological analysis Lapidus examines how interethnic collaboration among musicians composers dancers instrument builders and music teachers in New York City set a standard for the study creation

performance and innovation of Latin music Musicians specializing in Spanish Caribbean music in New York cultivated a sound that was grounded in tradition including classical jazz and Spanish Caribbean folkloric music For the first time Lapidus studies this sound in detail and in its context He offers a fresh understanding of how musicians made and formally transmitted Spanish Caribbean popular music in New York City from 1940 to 1990 Without diminishing the historical facts of segregation and racism the musicians experienced Lapidus treats music as a unifying force By giving recognition to those musicians who helped bridge the gap between cultural and musical backgrounds he recognizes the impact of entire ethnic groups who helped change music in New York The study of these individual musicians through interviews and musical transcriptions helps to characterize the specific and identifiable New York City Latin music aesthetic that has come to be emulated internationally *Vital Records of Salem, Massachusetts, to the End of the Year 1849 ...* Massachusetts
