Kavka, 2021-01-12 In recent years serious attempts have been made to systematize and develop the moral and political themes of great philosophers of the past Kant Locke Marx and the classical utilitarians all have their current defenders and are taken seriously as expositors of sound moral and political views It is the aim of this book to introduce Hobbes into this select group by presenting a plausible moral and political theory inspired by Leviathan Using the techniques of analytic philosophy and elementary game theory the author develops a Hobbesian argument that justifies the

liberal State and reconciles the rights and interests of rational individuals with their obligations Hobbes s case against anarchy based on his notorious claim that life outside the political State would be a war of all against all is analyzed in detail while his endorsement of the absolutist State is traced to certain false hypotheses about political sociology With these eliminated Hobbes s principles support a liberal redistributive or satisfactory State and a limited right of revolution Turning to normative issues the book explains Hobbes s account of morality based on enlightened self interest and shows how the Hobbesian version of social contract theory justifies the political obligations of citizens of satisfactory States **Giza**

*The Risen City* Isabelle Steiger,2022-12-20 The powerful finale of the Paths of Lantistyne series which returns us to a continent in the midst of an epic battle for salvation Emperor Elgar s dire strategy for conquering the continent has finally been laid bare and those who would stop him must prepare to make their final stand The surviving rogues of the Dragon s Head are split in two half help dismantle Elgar s plot from the shadows of their home city while the rest chase down rumors and revolts in the east Valyanrend s rebels and thieves have made common cause for the first time in centuries but they form only half of the resistance necessary to challenge the emperor For the other half they must look to the continent s remaining royals for a foreign army Unfortunately most of Lantistyne s royals have seen better days King Kelken is imprisoned in Araveil at the mercy of the brutal Administrator Selwyn And Arianrod Margraine the brilliant marquise of Esthrades left her own country open to invasion when she helped save neighboring Issamira from falling into ruin Now Issamira and Queen Adora long neutral in this conflict must take up the burden of war Adora has reclaimed her crown and found her conviction but fights to keep her army on a just path amidst the violence she abhors Together she and Arianrod have already toppled one power hungry usurper but the two of them are separated when a reckless sacrifice puts the marquise s life in jeopardy And the ancient spirits of Lantistyne whose subtle machinations helped Adora survive to gain her throne are ready to make their will known at last *The Risen City* is another example of Steiger s powerful writing full of intricate characters and complex world building *Daoism Explained* Hans-Georg Moeller,2004 Hans Georg Moeller has achieved the perfect blend with *Daoism Explained* It is both a fascinating introduction on Daoist thought as well as an original and insightful contribution to Eastern philosophy This book will take the place of *The Tao of Pooh* by Hoff Like that book *Doaism Explained* offers a comprehensive presentation of Daoist philosophy that is interesting and easy to follow The
