

When Irish Eyes Are Smiling

Song from www.traditionalmusic.co.uk

When Irish eyes are smiling
Sure it's like a morning spring.
In the lilt of Irish laughter,
You can hear the angels sing.
When Irish hearts are happy,
All the world seems bright and gay.
And when Irish eyes are smiling,
Sure, they steal your heart away.

There's a tear in your eye, and I'm wondering why,
For it never should be there at all.
With such power in your smile, sure a stone you'd beguile,
So there's never a teardrop should fall.
When your sweet lilting laughter's like some fairy song,
And your eyes twinkle bright as can be,
You should laugh all the while and all other times smile,
And now smile a smile for me.

Chorus:

When Irish eyes are smiling
Sure it's like a morning spring.
In the lilt of Irish laughter,
You can hear the angels sing.
When Irish hearts are happy,
All the world seems bright and gay.
And when Irish eyes are smiling,
Sure, they steal your heart away.

The proliferation of historical novels with more or less overt metafictional traits in the late seventies and eighties in Britain is a particularly arresting phenomenon at a time when historians are openly questioning the validity of the traditional concept of history understood as a scientific search for knowledge This apparent contradiction justifies the attempt made by the contributors of this volume to analyze the relationship between history and literature in English The reader will find four preliminary essays on The End of the Classical Period establishing the characteristics of the appropriation of history since the appearance of Sir Walter Scott's historical romances with special emphasis on the Victorian novel Dickens Eliot Mrs Humphry Ward the Irish ballad and Post Independence Indian historical fiction as a necessary preface to the main group of essays on The Postmodernist Era devoted to establishing the common as well as the individually distinctive traits in the writings of some of the most accomplished contemporary writers in English the more centered British novelists Margaret Drabble Julian Barnes and William Golding as well as the more ex centric Angela Carter Salman Rushdie and Jeanette Winterson plus the playwright Caryl Churchill and the black American novelist David Bradley

Written with both passion and precision *God's Spies* is a work that will be welcomed by anyone interested in the vital interplay between poetry and religion The authors represented including poets such as Michelangelo St Francis of Assisi Charles P guy Dante and Shakespeare all possess one great and surprising quality in common audacity All of them in their work offer fresh and unforeseen perspectives on life and literature Some of these authors are religious in the strict meaning of the word their work indicating a devout turning away from the distractions of the world to focus on God Others in contrast are poets whose work is distinguished by a remarkable visionary focus on the many small and great dramas of life attending with bright imaginative genius to what Shakespeare calls the mystery of things
