**Pharmacology of the Eye** M.L. Sears,2012-12-06 Roots of the theory and practice of ocular pharmacology may be

traced to the ancient Mesopotamian code of Hammurabi and then to several papyri reflecting the clinical interests of the Egyptians The evolution of its art and science was irregularly paced until the nineteenth century when Kohler in 1884 proved the anesthetic effect of cocaine on the cornea and when Fraser Laquer Schmiedeberg Meyer and others studied the pharmacology of the autonomic nervous system by way of observations of the pupil Advances in the past few decades have been nothing short of explosive How can the student physician or basic research scientist stay in touch with these electrifying studies To help with the answer to this question the authors set as their goal the development of increased understanding so that the student research scientist and ophthalmologist can cope with the latest discoveries The authors want to narrow what appears to be an ever increasing gap between basic science and ophthalmology The basic aspects of pharmacology have been presented in light of the natural physiology In this regard while distinctions among endogenous mechanisms drug effects and the pathogenesis of disease are to be separately recognized appreciation must be given to the concept that both the desirable and unwanted manifestations or functions caused by either disease or drugs must very often represent a quantitative change in normal metabolic pathways

*Goals^ in Christ* Donald Trent Stevenson,2009-03 In a spiritual act of calling the United States of America to account Jesus Christ pulls back the veil off of our nation s two names and flag Setting before us the command to repent and to pray that through Goals DEGREES in Christ Jesus Christ now stands in the gap between us and the Father CA I MER A To call my presence here remember God The Sovereign King calling AMERICA to prayer The Christ has opened the door to the Feast of Trumpets and through Goals DEGREES in Christ now begins His crying out for the preparation to His second coming For out of our nation s flag bound as one unveils the two principles of that feast day Day of Judgment and Day of Remembrance Scepter rulership of Jesus Christ and Sanctity of the Womb In connection to many spiritual events in my life

God unveiled Goals DEGREES in Christ My qualifications to writing this book is the fact that I have sought to obey Him in reporting these unveiling in line with scripture Spiritually understanding as I wrote the book of the sanctity of the womb both within scripture and of it s symbolization upon our nation s flag In the book is shown God binding the USA and Israel together for a purpose And since writing this book I ve learned much of this nation s past failures to remain in allegiance with Israel being why God now spiritually reminds us through Goals DEGREES in Christ of our allegiance to Israel One allegiance being the gospel message and the other being the protector of her gates Hence I wrote Goals DEGREES in Christ to obey the LORD God Almighty
