Mac Party:

The Book of Mac Donna-Claire Chesman, 2021-10-26 An album by album celebration of the life and music of Mac Miller through oral histories intimate reflections and critical examinations of his enduring work One of my most vivid memories of him is the way he would look at you while he was playing you a song He tried to look you right in the eyes to see how you were feeling about it Will Kalson friend and first manager Following Mac Miller's tragic passing in 2018 Donna Claire Chesman dedicated a year to chronicling his work through the unique lens of her relationship to the music and Mac's singular relationship to his fans Like many who'd been following him since he'd started releasing mixtapes at eighteen years old she felt as if she'd come of age alongside the rapidly evolving artist with his music being crucial to her personal development I want people to remember his humanity as they're listening to the music to realize how much bravery and courage it takes to be that honest be that self-aware and be that real about things going on internally He let us witness that entire journey He never hid that Kehlani friend and musician The project evolved to include intimate interviews with many of Mac's closest friends and collaborators from his Most Dope Family in Pittsburgh to the producers and musicians who assisted him in making his everlasting music including Big Jerm Rex Arrow Wiz Khalifa Benjy Grinberg Just Blaze Josh Berg Syd Thundercat and more These voices along with the author's commentary provide a vivid and poignant portrait of this astonishing artist one who had just released a series of increasingly complex albums demonstrating what a musical force he was and how heartbreaking it was to lose him As I'm reading the lyrics it's crazy It's him telling us that he hopes we can always respect him I feel like this is a message from him spiritually A lot of the time his music was like little letters and messages to his friends family and people he loved to remind them of who he really was Quentin Cuff best friend and tour manager **Mac Life**, 2008-01 **Call Him Mac** Gary L. Stuart, 2018-10-16 The political life of Ernest W McFarland lawyer judge senator governor Arizona Supreme Court justice and businessman is well documented Less known is his life as a family man country lawyer rural judge and visionary In **Call Him Mac** Gary L Stuart renders a nuanced portrait of a young ambitious restless and smiling man on the verge of becoming a political force headed for the highest levels of governance in Arizona and America Stuart reveals how Mac became an expert on water law and a visionary in Arizona's agricultural future Using interviews with friends and family and extensive primary source research Stuart spotlights Mac's unerring focus as a loving husband father and grandfather even in times of great personal tragedy Mac's commitments to his family mirrored his sense of fiduciary duty in public life His enormous political successes were answers to how he dealt with threats to his own life in 1919 the loss of his first wife and three children in the 1930s and a political loss in 1952 that no one saw coming Stuart writes the little known story of how Arizona's culture and citizens shaped this energetic determined likable lawyer The fame Mac created was not for himself but for those he served in Arizona and beyond Mac's unparalleled political success was fermented during his early Arizona years the bridge that brought him to his future as an approachable and likable elder
