Major Decisions A Guide To College Majors:

Major Decisions Terry Ward, 2006-10 **Major Decisions** Joseph A Despres Ed D, Richard A Blumenthal M S, 2021-05-25 Now in its best edition yet here is the must have college guide detailing what every student parent and counselor needs to know about 150 popular college majors What is more you will get plenty of essential college search advice from two professional counselors with decades of experience having helped thousands of students successfully find their way to college and career There is one thing all colleges large or small agree on Every college and university insists that their students must choose and fulfill the requirements of a major in order to earn a degree If you think that means a college major is pretty important you are right Not every college offers every major To state the obvious you can only take the courses that are offered by the college you attend If there is a subject you want to study and it is not offered in the school you chose you chose the wrong school Know which majors you want offered before you make a very costly mistake Here is why you need this book Most people can name a few well known majors off the top of their head Ten would be a lot Twenty is remarkable That is fine except there are dozens and dozens many you've never heard of yet might find fascinating You will only know what is right for you if you learn what is out there You will find reliable information about each of the 150 majors organized into these sections Title The name by which the major is commonly called Description A definition of the major and some insights about the academic or occupational field it comes from Plan of Study How colleges will likely want a student to proceed in order to complete the major It may include special requirements of various kinds such as internships laboratory research culminating projects and more Also the plan of study may discuss what must be accomplished in the lower division in order to move on to the more intense upper division courses Expect to Take This is a list of college course titles many colleges require students to take in this major General Interest Areas If you like these you'd probably enjoy this major Suggested High School Subjects A list of high school courses that would help to prepare for success in this major Some Career Possibilities A list of careers that could eventually come from studying this major It is important to note that many of the careers listed may not immediately lead to a listed career but may require a graduate degree certification or other training prior to working in the field Still the major would most likely be a good start on the road to a promising career from the list Some Related Majors If you found this major intriguing here you will find a list of majors that you might want to look into also in the book With **Major Decisions** on your side you are well on your way to choosing the higher education that fits you best **Major Decisions** Richard A. Blumenthal, Joseph A. Despres, 1990 [Panicked Student's Guide to Choosing a College Major](#) Laurence Shatkin, 2011 College students are often wrought with indecision about who they are their future and their interest Without help this uncertainty can cause students to panic particularly when they are being pressured to define their college major This new guide helps college students make that decision and many more with confidence and ease It addresses the problems many undeclared students have including the fear of making the wrong decision little awareness of their skills and interests and a

lack of information about majors and careers First readers will learn about the key components of a college major decision Next they will quickly and systematically pinpoint the best majors for their interest and skills Finally readers will be able to learn more about the college majors that interest them most as well as careers that relate to these majors Packed with information this book covers 120 majors that link to 250 careers Author Laurence Shatkin PH D gives readers an overview of each college major and provides additional information about specializations in the majors the typical sequence of high school and college courses and related CIP program codes everything students need to know to overcome panic and lay the foundation for a rich and rewarding education
